THE PROSPECTS

1

Looks like it will be much closer this season, with a number of teams in the mix. Both **Club Paradisio** and **FC Sprout** are going to be up there, though the warchest will probably give the latter

the edge, but don't rule out **Saints** or **Borussia Wigan**, putting in a challenge. Plenty of cash floating around to be honest so you never know what will happen, but one thing, the top flight teams will have to do is to rescue the age of their squads this season.

Sorry to say that promotion looks like a disaster for **Spiritus Santos**, straight back down without a shadow of a doubt, even **Wycombe**, who are going to struggle will be showing them a very clan pair of heels!

2

Looks like a three way fight for the second division title to me. **AS Centurions** look likely to bounce straight back, especially if the manager is fit an raring to go. Nearest challengers should be promoted **Sofia**

Utd, who could go straight through, while **FC Crazy Town** could do better than last season's fifth spot.

Whose going to struggle here? Well without a manager **Hobbiton Utd** look as if they are going down again, while **New Caledonia** don't look up for the fight. **Aqua Sulis**, **Snowdonia** & **Loftus Olympics** could well have seasons of struggle, but the latter have cash to burn and could burn their way to safety.

3

Overspent **Hendon**, have the nucleus of a squad that could win the third division, BUT, it is painfully thin and he is going to have to dome clever wheeling and dealing to improve it, which might be hard to accomplish. Therefore it might be better to look at **Marseille** & **Aethelwulf** as better bets to lead the way in what looks like a close division around

4

For that reason it is hard to call things here, though pressed I would nominate both **Dragon Utd** and **Ulpha Rovers** as being in for the chop, but good transfer dealings might do wonders for their prospects.

Gonna plump for **Purley Kings** here they look to have the edge on the rest. Flowserve could be nearest challengers, while I expect to see **Harleys Hereos** putting on some pressure at the top as season goes by.

Down at the bottom it looks very lose indeed. half a dozen sides look to be within touching distance of one another. **Western riders**, **Cheam Chargers** & **Sleeping Woods**, perhaps having to look to their laurels, whereas other sides such as **Sandwich Town** & **NLP-Redstox** might have the funds to buy their way out of trouble?

THE REPRESENTATIVE LEAGUE

Rock bottom, again, the only way is up they say and new man at the helm of the league is **Dennis Engsløv**. Can he right the sunken ship of state!!?

THE JACKSON AWARDS

The **Manager of the Season** goes to **Danny Smith** again, overwhelmingly voted as THE MAN!

The vote for **Most Improved Team** went to **City Boyz** **Performance of the Season** went to **FC Sprout**, brilliant treble in what should have been a much closer season

The Fair Play Award was shared between **AC Trujillo**, **Forest Island** & **Walsall Town**, none of whom picked up a single DPP this season.

The GM's Award goes to **Neil Humphries**, after an amazing home season.

SCOTLAND - Paul Hudson

POLAND - Martin Smith

The groups will appear on S1 ready to start the tourney on S2. Remember that there is an extra fee for playing in the Int trophy which is £7 for the whole season and that this will be deducted from your account on S1 so make sure you have enough to cover this in your account won't you! on the basis that Int managers travel about the country more and see more players Int managers (those in place on S1) will earn a free SUPERScout for their club side who will arrive on S1. A pretty big bonus (by the way these are NOT transferable if you should move club teams through the season).

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made

a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not. THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about

it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.25), you will automatically be charged a double turn fee of £6.50. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made payable to us is surcharged at 50p extra due to the exorbitance of the

CHECK YOUR START-UPS

Please check your start-up credit balance NOW. If there is anything wrong with it then let us know NOW. Don't come back in six months item and say 'I think there was a mistake with my credit balance on turn one', cos we'll say TOUGH. YOU HAD YOUR CHANCE. So CHECK IT NOW AND LET US KNOW IF YOU THINK THERE IS A PROBLEM!!!
