

1st DIVISION GAME OF THE DAY

ROMFORD LIONS 2 : 4 NFL FRANCHISE

Sponsored by 'THOMMO'S THOMAZEPAM', guaranteed to put the lions to sleep tonight!

Home advantage - (0.1) A motivated Romford shading it with an all out attacking formation & no marking to speak of, while NFL opted for a packed midfield diamond with an offside trap.

Both sides had excellent goalkeepers on the field & shared an exciting 23 shots with just over half created by NFL.

Even without utility star man OILER, NFL raced into a three goal lead to leave our questionable parent Barrett scratching his Uncle Ned. All three goals coming from the midfield too as their own forays came to naught.

Romford haven't had a great start to the season & despite hauling themselves back into this one with a couple of late strikes from GALAXIAN & MUTU, it just wasn't their day as NFL added a fourth to complete a very decent innings. NFL boss Thompson was a tired happy at the final whistle, getting their season underway as they move away from the lower reaches & into mid table safety but just in time too as it is rumoured that his winter hibernation is arriving soon, meaning that we won't see him again until he emerges next spring in his Norwich hunting grounds. For baddie daddie, well last season these types of games were going Romford's way, so can Manager Barrett bat his way out of this predicament or will he continue to be hit for six?

MAN OF THE MATCH - UBLIN of NFL FRANCHISE with a ten out of ten performance.

2nd DIVISION MATCH OF THE DAY

WHOVENTUS 2 : 5 CLEAN FOXES

Sponsored by 'TORLEIV'S CUTTHROATS', the best blade a man can get!

Home advantage (H - 0.3) A battle of two mid table sides eager to get some consistency going on the battlefield. Kev Presland in the Whoventus hot seat opted for his 'go to' set up with five strung across the middle of the park which was no surprise to Manager Jondahl in the opposing dugout who went for a 'this is war (sound of screaming), gung ho (painted faces), come on you bastards (studs up)' 235 type of formation. Ok then.

The away side had the best goalie on display with TULCEA showing a reasonably safe pair of hands. Unfortunately the same cannot be said for ATTWOOD in the home goal who didn't cover himself in glory.

Kev could have been forgiven for thinking that this game was going one way early doors as they took a two goal lead. But from the restart a floating ball over the top found ALVEREZ who ran clean through to round the hapless ATTWOOD to reduce the deficit & add another furrow to Kev's crowded brow.

At this point Jondahl was extremely animated & roaring at his players to either get forward, begin tribal dancing or murder the opposition. (I must admit that my Norwegian is a tad sketchy these days) but they then unleashed wave after wave of attacks. With no offside honey trap to deal with, it was like shooting lutefisk in a barrel. Stinky, very stinky. Poor KP began to visibly wither & as he sunk to his knees even the rosary beads made an appearance as his non offside tactical mistake dawned on him.

A leveller for JOCHIM on 36 mins made it 2-2, which quickly became 2-3, 2-4 & then 2-5 as DLIVGNI

KICKABOUT NEWS

volleyed home late on with the FOXES cutting open their opponents at will. Manager Torleiv delighted with the ruthlessness that his boys meted out & a quick nod to Odin put the icing on the cake.

MAN OF THE MATCH - ALVAREZ of CLEAN FOXES with a 9.7 rating out of ten.

3rd DIVISION MATCH OF THE DAY

PETERBRO 4 : 3 BOLTON RANGERS

Sponsored by 'OLD SPICE - INFUSED WITH PEAT', aged with smoky overtones.

(H - 0.1), ** Derby Game ** Two promotion hopefuls faced off today with third place Peterbro taking on second placed Bolton. A very tight affair, the home side going for a sweeper 333 while Bolton Manager Samson decided be go for a more attacking formation with a four man forward line & three at the back. With MAI LEE PAI in the home goal looking distinctly average recently, an attacking formation made sense for Bolton. But with age comes wisdom & Peterbro Boss Pete Brooks protected the nervy goalie with an able sweeper in front of him that effectively allowed the defence to go man for man. Despite this, Bolton scored first WESTWOOD finishing with a close range side footed strike before Peterbro got warmed up & they kicked into gear managing to hit back twice through twin brutes KLOSE & LEE CHUNG YONG. Another WESTWOOD strike shortly afterwards that MAI LEE basically dropped into his own net, made it 2-2 at the break.

Bolton took the lead a minute after the restart as PETER cracked one in off the post, as once again the Peterbro players took an eternity to get going after the whistle, maybe an effect of their managers interesting cologne?

Maybe so but as the clock ticked by the Peterbro players heads seemed to clear & once again they found their stride & KLOSE levelled with a simple header to bring the scores level again, this time at 3-3. Exciting stuff but could any team manage a winner?

With Peterbro creating all the chances now up popped the YONG man in the right place, running

on to a 'FIFA 21' like through ball to slide home past the hapless STOCKDALE in the away goal. Total Euphoria for the home crowd & a final score line of 4-3 to the home team.

Manager Brooks was Cock a Joop at the end, talking of his obsession with promotion as they have now recorded four wins out of five & sit proudly in second spot. For Samson it's his first sniff of defeat in the league this year but they still sit pretty in third for the moment. Asked by journalists if he was concerned by the result Bolton boss Samson replied 'it's neigh bother at all, we may not have overcame this hurdle today but I am confident that we will come good in the final furlong of the season'.

MAN OF THE MATCH - KLOSE of PETERBRO with a 9/10 performance.

4th DIVISION MATCH OF THE DAY

NORTHWICH 2 : 0 REEL ELVET

Sponsored by 'KIT KAT - TWO FINGERS, JUST FOR YOU LEWIS'

(H- 0.5) -**Derby Game** A bit of a struggle to choose a match of the day in the fourth tier as from six games we had a grand total of only four goals & some matches had no goal scoring chances at all, I feel for the poor fans.

Midland had a good one nil away win at Beddgelert, while Reigate managed an Utterly Buttersly magic work of art win over Wellham despite hardly creating a single chance in the entire game! An own goal by CZIZEOR was enough to give all the points to the big man with the big heart who tends to rock bottom of kickabout weekends. At least you're consistent Paul.

The only other game of note was the derby in our headline. Fingers Junior's boys got back to winning ways against a fairly poor Elvet who couldn't muster a single effort on goal throughout the entire game. A NIC ASULKA double with a goal in each half when he shook off the man marking attentions of the aptly named FAST SLOTHE, did the business for the home team who extend their lead at the top to four points.

KICKABOUT NEWS

For Elvet, well what can we say that hasn't been said before? It's back to the drawing board, AGAIN, for the Bearded Matron. It's a proper job Groundhog Day, with no Bill Murray for the laughs. Poor Rob could maybe just take a short break from it all, with a nice cup of tea & choccy biscuit of some sort. In any case Amorous Ashcroft is calling soon to cheer you up with some much needed moral support, in person, after he has broken into your man cave & commandeered the sofa. Nipplesahoy old boy!

MAN OF THE MATCH - NIC ASULKA of NORTHWICH with an 8.7 rating out of 10.

UP FOR THE CUP

1st Round replay Highlights

Belvoir ousted at home to Leicester, going down 3-2 after extra time. Great win for Fingers Snr.

Peterbro scrape through on penalties against a non league outfit, a very close call for Mr Brooks.

Carlisle see off Neptunes as their zonal marking takes its toll to negate the Novices. A red card for Filipescu didn't help matters either. So Carlisle run out three nil winners with victorious Manager Ashcroft encouraging his team to join him in removing their tops at the end in celebration. Weirdo.

Royal Woolwich take nine men NFL all the way to penalties, coming up short in the end. Opportunity missed you feel for Woolwich to continue their rich vein of recent form. Similar story for Newark who take The Psychedics all the way to pens but go out eventually 12-11. Hard luck there for the 4th division minnows.

Raith account for Milan as a last minute own goal by LORENZO, heading into his own net when trying to clear a corner see's them go out.

Double Daddy Rob Scottie was jumping for joy after a dour 120 minutes of football ended with Bod ff going through with the very last kick of the game. ALLEN scrambling home at the death to put Bod into the next round.

SPG Derby also through as they take one of the very few chances that they created against

Midland putting them through. ALZANESCU with the winner mid way through the second half.

BEDDGELERT VS TELFORD (NL)

ACRE RANGERS VS MARGATE (NL)

SUTTON (NL) VS BRAVEHEARTS

MIDLAND EXPRESS VS MIRUS MARVELS

ROYAL WOOLWICH VS BELVOIR ROVERS

Some decent ties here & a few all non league ties too that will keep some of them in the competition for another round at least to dish out some of their aggressive play. Stand out ties are Woolwich at home to Belvoir who meet again after the league cup battle so a chance for Belvoir to get their revenge this time around in a red, white & blue sea of supporters. Brotherly love must be strained in the Reid household these days such is the recent rivalry, next season will be interesting if Woolwich manage promotion!

Durnovaria & Aston Park should be a good game too. Romford & Neptunes are the bookies favourites with both managing easy draws albeit on the road. Neil Barrett could certainly do with some respite from their recent run of bad results to start building some confidence again.

LEAGUE CUP HIGHLIGHTS

(Second Round 2nd legs)

W.B.A score a solitary goal in a 2-1 away defeat to Durnovaria, enough to see them through to the

next round on away goals. 2-2 the aggregate scoreline.

Dakin rout Raith once more, a twelve to nil aggregate was how it finished. Milan exit both cup competitions in the same week, a one nil defeat to Baker St with a Baskerville strike early on sending them crashing out. Happy days for Lozza though.

A confident Woolwich get the show back on the road with a home draw against Belvoir. A CHLOESSEN free kick late on levels the scores & Belvoir hadn't enough in the tank to fight back, a 3-2 aggregate win for Woolwich & 1st division Belvoir are out!

Newark put on a an excellent performance in holding NFL scoreless, a morale booster only in truth as NFL had already the hard work done in the previous leg.

Neptunes are also through with a 7-0 aggregate win over Peterbro while Kernow are in the next round too with a handy win away to The Beards.

Cranners' Bravehearts squeak through against a negative & dour SPG (in the mould of their manager), one nil over the two legs but well deserved.

Carlisle manage another one nil win over first division rivals Romford, bad daddy having another bad day at the office.

Vasey power past the Warriors with a dominant attacking display that the opposition simply couldn't handle.

Three nil today & four nil over both legs. Jar Jar Jens & the Gungans are said to be happy.

Dag's NMAC gobble up the Jellybabies so no surprises there, while Leicester come back from a three goal 1st leg deficit to score five without reply as Bolton crumble under the Filbert Street floodlights. Northwich are through too as they managed to account for The Psychedics, a 3-1 home win was enough to put them through after a one all score line in the first leg.

Saints make heavy work of seeing off the KKS challenge safe in the knowledge that they had the away goal from last week's game as a cushion. A nil nil today was enough. A superb win on the road for Mercury, as they brushed aside the weak challenge of Minky Morten's Moscow. Without the influential midfield general Petrescu, Moscow had no answer & Mercury ran out worthy winners in the end.

Poor Kev will be having nightmares about Torleiv, waking up in the middle of night sweating, screaming & shouting Offside trap! Another big midfield for Whoventus but no offside & torn apart as a result by Torleiv's five man attack. A 5-2 aggregate win for the Foxes. There there, go back to sleep now Kevvy wevvv.

Third Round Draw

BAKER ST FC v BRAVEHEARTS

NORTHWICH v NEPTUNES

ROYSTON VASEY v NMAC

WOOLWICH v DAKIN

ST ANDREWS v CLEAN FOXES

MERCURY v KERNOW

W.B.A v LEICESTER

CARLISLE v NFL

Some interesting ties here with no less than three all first division clashes. Woolwich will have their work cut out to get any change out of Dakin, while the tie of the round is a battle of the Scandinavians as Jens takes on Dag Dastardly. Brutus Ashcroft of Carlisle welcomes Snoozy woozy Thommo of NFL in another interesting match up.

TRANSFER TRAILS

The auction & the private deals consisted mostly of youngsters moving clubs, notable buys included Aston Park bringing in sweeper YORATH, Formosa bringing in the strangely named young goalie FLAPPER & also midfielder DAAVID, while Craigy Fadey of Stockport was delighted to secure the signature of schoolboy defender JONES.

KICKABOUT RESULTS

Dakin also welcome new boy LLANBERIS to their ranks, who brings both a ball winning & creative balance to their defence. An astute buy for only 1.4million.

MANAGER OF THE MONTH

DIVISION ONE: goes to Manager **THOMMO** of **NFL**, handing out some punishment to bad dad Barrett (GM - with a cricket bat?).

DIVISION TWO: goes to Manager **JONDAHL** of **CLEAN FOXES**, marching up the table while tucking Kevvy in for the night. Big shout out to Woolwich too though.

DIVISION THREE: goes to Manager **NAPIER** of **MERCURY ROVERS**, top of the league & a good league cup win.

DIVISION FOUR: goes to Manager **BUTTERS** of **REIGATE ALBION**, a league win, seldom heard in Southend these days.

KICKABOUT MUSINGS

Managers often complain about training injuries, but there is a simple way to help mitigate this. Have a decent squad with a couple of reserves. A high value UT who can slot in any where is always a great help. But I need cash in the bank, I hear you say, just in case that level 20 MF/AD appears in the auction (which of course you will be outbid for). And strangely enough the ones who scream about that training injury are usually those with ten million stuffed away doing nothing to enhance their squad whatsoever

AUCTION

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

SOCIAL MEDIA

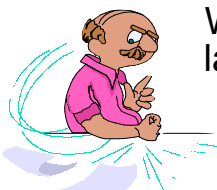

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try the other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at

**PLEASE NOTE THAT UNLESS YOU

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MANAGERS NEEDED

We have a number of gaps in the Robson league that need filling for next season. Choose between

FC GENUA, really been poorly-served by former manager and should really not have been relegated. Something to work with here plus cash in the bank

CAPITAL CITY, more of a challenge side really but they do have money in the bank if you fancy a challenge for next season

plus

GLADSTONE league **CONISTON ROVERS**, bottom of second, a real challenge team, but got soem cash to start the rebuilding

and

PREMIER league **WATFORD** - fancy taking on an impossibel job? Try this team, as usual ruined by Mr Heath and two.5 mill overdawn. Can you reusrrrect them, probably needs the Andy Baker type of approachh though even he might find it difficult

KICKABOUT BITS

THE WADDERS ADVICE COLUMN

CONTRACTS - Contracts are the lifeblood of your team. Bidding too much means that cash to run your club and to purchase new players will be unavailable, bid too little and some of your prized players will vote with their feet and ask to leave the club as out of Contract players. SO, it's up to the intelligent manager to strike the happy medium indeed. The optimum bid every time a player comes up for a contract negotiation is of nine weeks, but this isn't always the case. If you have a young player, say an 18YO APP to negotiate with then it's often a good idea to bid for say 16 weeks plus, bid a few K above his performance level and see what happens. For a SBY you can push the boundaries even further. Try 26 weeks and see what happens. If you can catch them young on a low but long contract this is of great help, saves you cash, and when they finally do come to negotiate their next contract you start from a lower level vis-a-vis their then performance level.

For older and higher level players it's always good idea to make a slightly crazy bid, say for a level 12, bid 1K for nine sessions and see what happens. If you look at the two columns next to the players name on your squad sheet you'll see just how close this came. In all probability it will come nowhere near but you might just get lucky indeed. Remember the program looks at current wage levels and current performance level when assessing the validity and the success of bids. SO the lower the level you can get your players on the better for the future.

' bids fail then it's time to get serious, you don't want the bidding process to get down to the last week do you. On the second week, well it's still a good idea to go in low, 9 for 9 on a level twelve can bring success, but if this is turned down then you need to start thinking about giving the player what he wants. If you should get down to the last week, and there are players who just don't seem to want to accept a bid under any circumstances, then you might have to break the bank. On the last week that level twelve is going to want at least 36K for 9 weeks to be sure of acceptance, and remember too that there is ALWAYS a chance of rejection. If you offer the sun, the moon and the stars, it is NEVER a 100% chance of acceptance. However, the 36 for 9 offer should have a 95% chance roughly of acceptance in this situation. The worst thing in the world is for your prized player to leave the club. Remember too that specialist players who go into the auction especially specialist ones, have a low reserve probably nowhere near the amount you would put on them, and it's in eh lap of the gods what you finally receive for them.

A point to remember here about players sold tot eh non-league. They received the value according to their age (a MF/D for example receives exactly the same as would a MF, though who would really want to sell one to the NL is debatable). Also, that you have to pay up the remainder of the players contract before he leaves the club. This is another reason for conscientious contract bidding. If a player becomes surplus to your requirements then it's galling to see a large chunk of the money you would get for him swallowed up by his wage pay up, because of poor bidding for his contract in the past, isn't it?? It is also a good thing to keep the end of season in sight. Remember that if, for example, you bid, say 12K for 9 sessions, and it is accepted for that level 12 player, and this contract runs out in the following season, it isn't a problem if he is, say, 19YO. However, if for example, he's a 27YO player, then come the following season you might start it with a 28-4 on your hands who you are paying 12K a week. Do you train him up again, do you sell him and take the wages hit, what do you do with a player on a high wage but can't get into your team perhaps??

AGEING - is the scourge of all managers. Throughout the season you should keep your eyes on what is going to
