AUCTION

AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try the other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at
<https://cloud.invisibles.org/index.php/s/IRZTnvG4zmbNXBt>

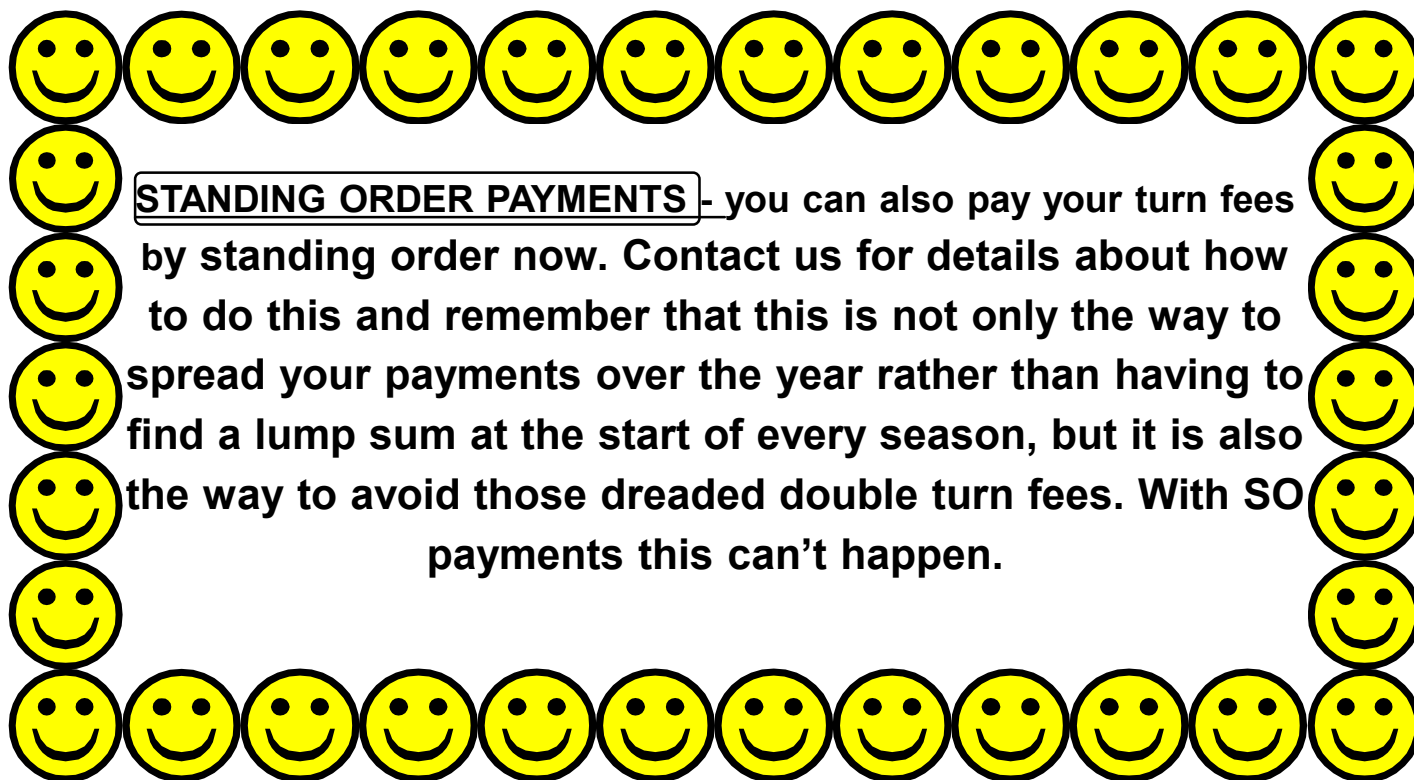

**PLEASE NOTE THAT UNLESS YOU SUBSCRIBE
TO TEAMPICK/SHOMATCH THEN YOUR
TEAMSHEETS WILL ALWAYS BE SENT OUT BY
POST. EMAIL TURNS ARE ONLY SENT TO
TEAMPICK/ SHOMATCH SUBSCRIBERS**

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MANAGERS NEEDED

CAPITAL CITY, **ROBSON** league more of a challenge side really but they do have money in the bank if you fancy a challenge for next season

plus

GLADSTONE league **CONISTON ROVERS**, bottom of second, a real challenge team, but got some cash to start the rebuilding

SHAKESPEARE league **SOUTHPARK JUNIORS**, fourth place in division three, but probably should be in lower half of the table. They have four+ million in the bank so something to really work with here, especially if you love wheeling and a dealing.

MONTGOMERY league **ROHAN SPURS**, actually a decent third division side for anybody to get their teeth into

KICKABOUT BITS

THE WADDERS ADVICE COLUMN

AGEING - is the scourge of all managers. Throughout the season you should keep your eyes on what is going to happen to any player come end of the season. All players, with few exceptions are going to lose levels and if you don't plan accordingly then it's not very nice to see your carefully cultured side collapse as a result of ageing. The older your side then the more likelihood here is of this happening, so during the season you **HAVE** to introduce younger players to replace some of the older, less crucial players. Younger players hardly age so are important to get hold of or bring through.

One thing to bear in mind is the way that ageing and experience works. The ageing process works on the actual performance level of each player (this is a whole number), which often leaves a fraction. i.e. you might get a player who becomes a 25.56 after ageing. Then any experience, which is always less than one, is added back to that figure. This might raise this player to a 26.23. He thus starts the new season as a 26YO player with an invisible experience quotient of 0.23 to start the season with. This explains why sometimes, players of the same age and performance level at the end of one season, can start the next a level different to each other.

Another contentious issue in ageing is the rejuvenation process. This takes one player and halts the ageing process. It happens at random starting with your oldest player, then moving downwards through the ages until one player hits the bell so to speak. Generally, this is a 50/50% chance and it is always a good idea to have an older player in your squad and hope that he will be rejuvenated during ageing. Having a young player rejuvenated is really a waste of time, but again if the process jumps over the older and towards the younger then *ce la vie*. One problem here is having an old captain in his 30's as rejuvenation always comes before captain's retirement is assessed. Terrible if your 35YO level 12 captain with 300 games rejuvenates and then decides to retire as well. Like with everything there are risks inherent in any situation and you have to weigh the pros and cons at all times.

FRIENDLY GAMES - If you do not have **THREE OR MORE** competitive games in a session then you can play a friendly game against another managed team in the league. You have to arrange this yourself or if there is a friendly pool and you are in it, there will generally be a game arranged for you. You may only play another team twice during the season in friendly games, one home and one away, any more and they will not be played. Try to remember games that you have arranged outside the pool, you'd be amazed how many people arrange them and then forget them or get something wrong, like the venue!!!! Pool games should always be played if valid, i.e. both teams are free to play and do not have three competitive games (with the new autoinput programs though there are occasions when it might not be possible and I'm afraid you'll have to accept this!). If for some reason you realise that your pool opp has three competitive games (and you ought always to check this for sure) then you may well arrange another game. However, **BOTH** you and your new opponent **MUST** put this down in the Messages to GM section of the turn sheet to let the GM know, otherwise he is likely to try to play the original pool friendly, which of course will come up as an invalid one, and you'll both lose out!!!

HOW AND WHEN YOUR CASH IS ADDED TO YOUR TEAM CASH BALANCES

Some managers seem to find it difficult to get their heads round the ways and whereas that cash gets added to your Team cash balances. SO to try to explain it a little more here goes.

How cash appears:

1. Most appears listed according to source [A]
2. Some cash, mostly corrections, appears as miscellaneous [B]
3. Rep squad and int squad cash appears in your 'cash' value in the turn the squads are produced [C]
4. Euro gate receipts appear in the balance brought forward in the turn following the match [D]

49. MATHLETICO Session: 12 Acct No: XYZ

Manager: A.CUMIN SPs: 4 Cash: #1,336,936 [C]

BALANCE B/Fwd : + #1,111,111 [D]

INCOME

KFA CONTRACTUAL PAYMENT: #100,000 [A]
GATE RECEIPTS: #135,825 [A]
FINANCIAL INVESTMENTS: # 20,000 [A]
MISCELLANEOUS: #150,000 [B]
MONEY GAINED FROM SPs: #50,000 [A]
#455,825

NET PROFIT FOR SESSION : #100,825

EXPENDITURE

PLAYER WAGES: #260,000
TACTICAL PLOYS: #10,000
SCOUTING EXPENSES: #15,000
YOUTH INVESTMENT: #20,000
GROUND DEVELOPMENT: #50,000
#355,000

Note here that if there has been a Euro home game in the previous session, then the value [D] of 1,111,111 will be higher than the cash balance in the previous session. In this session, MATHLETICO had 5 players in INT squads, so [C] = 1,111,111 + 100,825 + 125,000 = 1,336,936
