AUCTION NOTES

From now onwards we would like you to always write, 'don't sell if he turns star in the messages to GM box EVEN IF HE IS A LEVEL TWELVE STAR, as well as ticking the relevant DON'T SELL box in teampick. NOTE THAT TICKING THE BOX IS THE MAIN DECISION-MAKER IN WHETHER A PLAYER IS SOLD OR NOT, the GM Message is just to help the GM as during the transfers we have no way of knowing whether a player has become level twelve in THAT SESSION.!

Also PLEASE DO NOT leave partially-completed transfers in your transfer section, i.e. leaving the team name or the player, etc., it is laziness on your part and might result in strange things happening to your team!!!

And you MUST spell the names of the players included in any deal correctly. If you don't then the program might refuse them and they don't go through, so be careful.

In future, you are allowed multiple conditional bids from which the program will attempt to purchase just one item. However, you are also allowed multiple Unconditional bids from which the program will attempt to purchase all. teampick users just have to use the relevant boxes in the program, those who don't use teampick must ensure they stick to these rules and make it clear on their turns just what they want to happen in their bidding process.

LSO, be careful when doing deals etc. The program works on team order, which can cause problems. Best idea is NOT to have 25 players in your squad at the start of a turn and do deals and sell to NL, cos if the manager you are doing a deal with has a lower team number than yours, the program will say you have no space in your squad, even though you are trying to sell players to the non-league. His orders will be processed before yours!!

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

KICKABOUT BITS

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to **KA-kickabout+subscribe@groups.io**. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

KICKABOUT BITS

BULK PAYMENT OF TURN FEES -

remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

THE INTERNATIONALROLE OF SHAME

The following players are all suspended next session for the number of games shown besides their name :- CHICHI BOO [1] (ASIA) /

PLEASE NOTE

You will all notice a new stat on your turnsheets. In the space where BW/CR stats are listed there will be a X% number against all goalkeepers. This will rate your GK on his shot-saving ability and will be cumulative.

Two points to note. It does not include penalties and own goals, but does include friendlies. And before shouting that it is wrong, remember that all shots against you are tested against the sweeper for blocking them before the GK.

I have some ideas about how to use this stat in the future so watch this space

KICKABOUT BITS

THE WADDERS ADVICE COLUMN

ADDITIONS - after you have selected your team and ADDED up the levels correctly to come to a SUB-TOTAL of levels in each area, it's time of the Application of Additions. This encompasses a number of items and can also be the difference between winning and losing if done correctly. The number of mistakes made here, the number of times a player gets something wrong or for some inexplicable reason forgets to add on or all of them and even fail to come to a FINAL total box is quite amazing. Make sure you do this every time and get it right.

HD/PFD - the biggest problem here seems to be the simple one of working out what you are entitled to, it's explained in the rulebook and really shouldn't be that difficult. Please remember that the dreaded three-times rule (i.e. no outfield area may be three times larger than any other), applies to both sub-totals and final total boxes by the way. There is nothing worse than seeing your lovingly laid-out term coming back emasculated by the computer that has moved one of your players to eradicate this mistake.

CAPTAINS GAMES - The number of levels given to you by your captain is shown on your squad sheet. Sometimes your captain will get to the next level which triggers another level, during a session. This you can use immediately if you are aware of it.

MPS & AGGRESSION - you have a limited number of the former, so use them wisely, an unlimited use off aggression, but this carries it's own penalties. Playing aggression on certain areas raises the chance of the players in that area collecting bookings and sending-offs by the way. Remember also that a GK or SW uses 2MP/AGG to rise him by one point and that you put 2/4/ etc in the relevant box, but only raise his final performance level by the one/2 levels, etc. Remember also that the total aggro or MPS you may use in a game is ten (of both not either by the way).

Then all you have to do is add them up (if you keep making mistakes then Teampick is for you cos it does all the maths and leaves you free to concentrate on tactics and planning).

TACTICS - OOP - remember that when you play a player out of position, he loses half his levels rounded-up to the one above. Getting this wrong can be costly indeed. He will play at this level through the match and will be assessed (marking, shooting, evading the offside trap, etc.) throughout the match at this level. He also gains OOP levels, even in a friendly though at less a rate, which will eventually - when he gets to ten OOP levels - turn him into a UT able to play in any outfield position without losing any levels now. Please note here by the way, that when completing your team sheets there are only five possible positions, GK/SW/DF/MF/FW. Specialists, UT's etc are always put down as one of these positions. Remember, the computer knows what their player type is and wants you to tell it which of these positions you want it to play in (valid ones that is!!). So remember there are only five positions to put down under Pos on your team sheet.

Please note by the way, that a UT doesn't quite do ANYTHING as well as a normal non-UT player does in that self-same position. His ability is to play anywhere at all but not quite as well as the normal player. Having too many UT's in side isn't a good thing and can help to explain why you still seem to lose out in midfield and don't hit the target as many times as you feel you should?
