WELCOME TO SEASON FIFTEEN
OF THE VETERANS LEAGUE

the pundit speaks

Divvie One looks as if it could be quite battle this coming season. **Explorers** will be thereabouts again. Promoted **Paroot, Hebrides and Inter Antra** will all be challenging though Danny boy has the cash to spend to improve his squad for sure.

The old men of the **Baboon** tribe look as if they have it all to do to escape relegation, but Torleiv the bold has the largest cashpile to spend so expect him to buy a clutch of oldies and soar up the table. I expect to see **Barbary Coast** and past champs **Costa coffee** finding the going hard this time out.

They might find it hard to do so, but if **Dross** can find some cash in the second division to strengthen their squad just a smidgeon then I would expect to see their talented squad soar into the top flight again. Looks like a power teams battle behind them with **Blazing Saddles, Chang Seuk & Allotmenters** all in the promotion hunt as well.

Strugglers, well many will be glad to see **Phonetic** in trouble, while the **Panglao** boys look as if the manger needs to bring in some new blood to survive. **South Sea Rovers** missed promotion last season and might pay for it this time out!

Two teams stand out a bit in the third. Under the control of young Jack **Westeros** could be coming straight back up, alongside **Hobo Central** who definitely have the cash to strengthen their promotion bid. Rest of division is very much of a muchness to be honest. **Burbage Moors, Hookers Offah** might do something, while **Dynamo Mario & Desert Island** could be table proppers but acumen might well be the winner in this division if it appears.

THE KICKABOUT COMMUNITY HERE

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try the other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at

ROLLER LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

AUCTION PAGE

WORLD OF MONKEY ISLAND

Welcome to season 15 of Monkey Island.

Just to refresh managers - Premier rules apply so there is no x3 rule and formations can be of any mix as long as there is at least one outfield player in each position. For example, 1-4-5, 4-1-5, 5-4-1.

Ageing is reduced with maximum ageing at 45%

No specialists can be discovered through YOUTH investment.

THE POS MAN AUCTION

The 1st Auction for the new season. NOTE this first auction is different from all the rest, as it is Bosman style auction where you are bidding on the contract of that player.

THE POSman (Name MUST start POS or your bid will be ignored)

ie. I might bid 20k for player one and name him POS TMAN - if I won this player he would join my side for 20k and arrive on a contract of 20k for 12 sessions.

You are bidding for the contract of the player x 12 sessions.

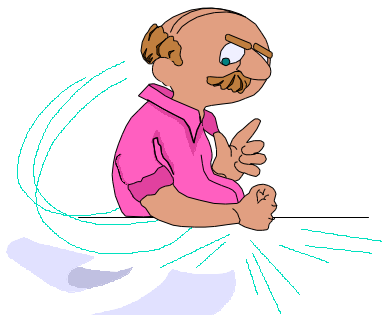

Example : if you offer 500k you will have to pay wages of 500k for 12 sessions (6000k) SO BE CAREFUL You could bankrupt yourself.

Winning bidders CANNOT transfer to other teams this season although you can sell these players to the non-league.

SBY SENSATION!?! (or flop)

- 1) 32-10 GK (150 capt games)
- 2) 24-8 GK RISER

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on
