

CLOSER STILL

Two sessions ago, I predicted that the title race would be mighty close, and it continues to prove that way, with no team able to really take any sort of lead at the top of the table. **Danetown FC** and **Yorkshire Rams** sit level pegging on 32 points this week, after both missed chances to take full points in this week's double-header of matches.

First up, **Danetown FC** came up against Colly's **FC United Boys** and could not find a way through to goal, despite dominating the match. The visitors put all their effort into keeping Danetown out, and with BOOBY having a superb game in goal, they got the goalless draw they came for. In a somewhat closer game, Humphries might think himself slightly lucky to come away with a point against **Dore Utd**, as Dore's markers kept two of Danetown's key midfielders quiet, and their creative players managed to forge some decent chances. However, goalless it ended again, and Danetown picked up just two points from a possible six. That gave **Yorkshire Rams** a great chance to push ahead at the top, starting the week just one point behind, and it started well, with a fine 3-0 win over **Nacional**. Goals from GORCEA, SIGUNSON and NEULLAR sealed the win, but manager Macaulay was not happy with the injuries picked up in this one, another victim of the silent assassin. However, having started so well, it all went wrong in midweek, when Yorkshire Rams travelled to the unmanaged **Geographic FC**, and came away defeated by 2-0. In truth, Yorkshire had the chances to win this one comfortably, but couldn't score. Meanwhile, ALBERTSON, the Rams keeper had a 'mare, missing a cross from PARISIAN which ended up in the far top corner, and then dropping a corner right on the foot of SANTOS, who could not miss. **Netherton** remain in third place, still within touching distance, after one win against **Northern Town**, and one defeat to Dore Utd. It just goes to show, on their day, any of these teams can win, lose or draw, which means this is going to be an exciting run in to the end of the season!

ALL CHANGE

It's all change in the second division as **Limetrees Utd** take top spot from **Margate** this week, picking up maximum points in their two games. In Limetrees first game, against **Crimson Kings**, both teams lined up in 3-5-2 formations, matching each other like for like, but Limetrees' marking gave them the edge. It took an own goal to give them the lead, OLAFSSEN poking the ball past his own keeper on 35 minutes while trying to clear it. GOBLIN doubled the lead just before the hour mark, but BAROTELLI nodded home late on to make for a tense last ten minutes. However, the Kings couldn't find another goal, and Cranfield came away victorious. Their second game was a much more straight forward affair, a 4-1 victory over **Temple City**. GOBLIN gave Limetrees the lead in the second minute, but VAN DRIVA levelled almost immediately, poking the ball home

from POPLIN's wicked cross. However, after that, it was all Limetrees, three goals in the last twenty minutes taking them well clear of their rivals. Six points from a possible six and one very happy manager.

All the more so, when the final score from **Margate's** second game was announced over the tannoy, a second 1-1 draw of the week, to give them just two points from a possible six. Their first game had been against a resurgent **Bedford House**, who had taken the lead in the 8th minute, CHIRONE making the most of a mix-up in the home defence and gleefully firing the ball home. As the game wore on, Margate could not find a way through Bedford's dogged defence, but the visitors were tiring, and it was no real surprise when KANT popped up to get on the end of CHOPIN's cross and head the ball home. Margate tried, but could not find the winner, and

KICKABOUT NEWS

Bedford held on for a point. Margate's second match, this time against **Marx Men**, went the other way. They took the lead, LEFUOL crashing home a volley just after the half-hour mark, but they couldn't keep the lead. Defender BARKER got himself into a tangle, and sliced his clearance straight past his own keeper into the back of the net. Margate had the chances, but could not make them count, and now find themselves in second place. Can they catch Limetrees, or is Cranfield home and hosed? Much could well be riding on the fixture between these two, the next to last match of the season!

PROMOTION SORTED

In the third division, after this set of results, I can't see anyone outside the top three going up this season. **Samdoria** lead the way, beating **Battersea Blues** 2-0, which could have been more, and then putting seven past **Colour Athletic** in the second round of matches. It has to be said that Dag has put together a really decent team at Samdoria, and they will definitely be one to watch as they continue to head upwards. A blistering 5 minutes part way through the first half saw the score go from 1-0 to 5-0 and there was no coming back for Colour Athletic from that one!

Samdoria's closest rivals are **AFC Lowfields**, who are having a superb season, and building momentum well. They scored ten against local rivals, poor **Norwood Eagles**, who really do seem to have given up on this season now. ANDRASSY scored four times on his own, but this was so one-sided, and had the statisticians scrabbling for their record books to see whether Lowfields had ever scored so many before. The search was inconclusive, but this may be their best win ever! In their second match, it was a simpler 1-0 over **Uranium Youth**, which could have been even better, but Lowfields were back to their normal restrained selves and contented themselves with POTTS' single strike.

In third are **Connacht Celts**, who also picked up maximum points to widen the gap to **AFC Broadway** in 4th place. The Celts had a double-header against **Kirkdeen Utd** and managed to dispatch Samson's Boys twice. It finished 3-0 in the first game, TURIN, PUGLIA, and then O'DEARSON scoring his final goal for the club before his surprising move to AFC Lowfields. The second game was 1-0 to Connacht, this time it was LEEKY LEWI with a superb dribble and shot that gave them the points.

HUMPHRIES or HUMPHRIES?

That is the question in the fourth division - which of the Humphries teams will win the title? It looks like both **Fun Fair FC** and **Broughton Villa** will be going up, but which will end up on top? Currently leading the way are Broughton Villa, though they saw their lead cut to a single point this week, picking up two draws instead of wins. First off, managerless **Jackdaws Castle** managed to play them to a standstill, and then new manager Jorgensen at **Grove Everton** saw his team do the same, their ball-winners playing superbly to frustrate the visitors. Fun Fair FC picked up three points in their first game, POPE's goal just before half time enough to take all the points against **Inter-Orlando**. However, things didn't go so well for Fun Fair in their second game, having to travel to local rivals **Dewsbury Pirates** under new manager Canvin. Dewsbury were well fired up, and should really have won, but found VAN HORSE in superb form, and just could not get past him. 0-0 it finished, and still much to play for.

Dewsbury Pirates and **Scarif Rangers** are the two teams vying for the third promotion spot. Scarif will rarely have such an easy session, being given a double-header against bottom club **Golf City**, who also happen to be their local rivals, and taking full advantage of the gift given to them. 4-1 at home, and 1-0 away and Mr Read says thank you very much! Dewsbury stumbled slightly in comparison,

KICKABOUT NEWS

a feisty 1-1 draw with **Seined United**, where they were thankful for STORMZY LUKAKU popping up with 2 minutes left on the clock to nudge the ball home and secure a point. Dewsbury have a 2 point advantage, but this could go right to the wire!

UP FOR THE CUP

REPLAY HIGHLIGHTS

Limetrees edge through against derby rivals **CFC Santos** after extra time, as DRAMVQUIST gets the only goal, and Santos get everything else - no fewer than six bookings and an injury! Cranfield delighted, while Steadders is deflated *****

Netherton FC get revenge on **Dore Utd** following that league defeat, dumping them out of the cup, 2-0 at the second time of asking. Another game with extra time, but TAKARAI and DRIPUNKT PADICH were too clinical for their opponents this time and Jack marches on

BOWLING ALONG

REPLAY HIGHLIGHTS

Bedford House are having a mixed time of it of late, but progress to the bowl semi-finals, knocking out top flight **Geographic FC** to go through. CHIRONE smashes home his 15th goal of the season to set up another tie against a first division team in **Dumnonia**, but I think Lozza might just fancy his chances

LEAGUE CUP SEMI-FINALS

CREATIVITY FIRES BLANKS

DORE UTD 0:0 YORKSHIRE RAMS

Two teams well known for their creative exploits just could not conjure up a goal between them. Yorkshire Rams were missing top striker HERFORDER and will be glad to have him back for the replay, and manager Lawton of Dore Utd might look at this one and wonder whether his chance of silverware has gone now. However, we come back next week and do it all again. Who will win? I really haven't a clue, on their day either of these teams could win, but will it be their day?!?!

BUGMAN TRAPPED IN THE LOW FIELDS

BUGMAN RANGERS 0:0 AFC LOWFIELDS

On paper, there would only ever be one winner of this tie. Fortunately, football is not played on paper, and the underdogs from the third division put in a

great shift to keep Bugman Rangers at bay. WHITE in goal was immense, YORATH in front of him a giant, and the much vaunted midfield of Bugman Rangers could not get a foothold in the game. 0-0 it finished and KP will no doubt be planning and plotting how to bring Aschroft down again. As with the other tie, I reckon this one could go either way.

AUCTION HIGHLIGHTS

Big spenders in the auction were **Elterwater Rvrs**, picking up the injured box-to-box midfielder NETA for just shy of 3.3million. No doubt it will be next season before we start to see his talents, but a decent price for a potentially decent player. **CFC Santos** sign up the talents of NATHANIAL for 1.6m, but again it will be a few weeks before the sharpshooter is on the pitch. Hopefully not too late to help Santos into division 1 for next season. **Bedford House** sign young keeper LEBENSTANZ for just under 800k, a bargain to me it seems, but the next highest bid was only 289k! One day, I might understand this game.....

Biggest signing on the open market is the experienced O'DEARSON moving from **Connacht Celts** to divisional rivals **AFC Lowfields** for 3.2m.

KICKABOUT

RESULTS

Let's hope that's not too much of a gamble for either side, costing the Celts promotion or costing Lowfields at the close season!

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **READ** of **Dumnonia City**, four points to give slightly more hope of avoiding relegation

DIVISION TWO: goes to manager **MOORE** of **Ackworth**, two league wins to move well clear of relegation.

DIVISION THREE: goes to manager **PRESLAND** of **AFC Lowfields**, six points in the league and a great effort in the league cup.

DIVISION FOUR: goes to manager **READ** of **Scarif Rangers**, OK, you can only beat what is put in front of you, but two wins from two deserves something.

4 to 5	6

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to remember this time. Which is oft times not realised by managers. If you set a DF/A to mark a WG then he will follow him all over the pitch whether he plays in MF or FW line and mark him. WG cannot hide from a DF/A marking him

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FORTHCOMING KA WEEKENDS

Glasgow 2024

This will be held at 140 Renfrew Street G3 6RF

This is being held May 16-19th.

Again a few will stay and host it in an Airbnb while others can plan their own accommodation nearby. Craig always lines up great evenings with curry (Haggis Pakora's all round) and other foods whilst we frequent a few bars in the evenings - you are welcome to take it or leave it - food and beers are not compulsory. It looks like being a well-attended event here with 16 already giving an early nod including , Jens. Geraldo , Seamus, Chrispy Bally, Cranners, Wadders, Colly, Gareth ,Bo, Morten, Fingers &

First men definitely in are Craigins, Neil Humpy, Rob Lewis & Seamus

Galway 2024

This one will take place Oct 10-13th. Again this is held in Seamus's fantastic Seafront Seafood Bar & Restaurant with Bed and Breakfast for those that stay and local hotels nearby for others. Grab as much sightseeing as you can squeeze in (Salthill and Galway not far), however the food here is superb (Chowder, Mussels and Oysters on the menu), so are the staff and you really don't need to leave the place other than to go to bed if you don't want to. Despite it being a year away, we've nearly got close to a dozen coming along already.

Geraldo, Jens, Morten, Craigins, Timmy Dodge, Cranners, Colly, Gareth, Rob Lewis, Steadders, Danny B, Baddad, & Fingers say they are coming

First men in are Seamus & Dennis

Spring 2025 Back To Norwich

Autumn 2025 perhaps a London one could be arranged

Those playing Kickabout now have done so for a long time, so it would be really nice to see new faces coming along

2026 who knows, any offers?

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

S8 - A v D / F v B / C v E

S10 - PLAY-OFFS ALL TWELVE TEAMS

S12 - FINAL GAMES ALL TWLEVE TEAMS

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

So the hardy few went to Norwich to have fun leaving the Johnny-no-mates crowd sheltering in their caves and playing with themselves

Norwich 2023

By KA social secretary Cranners

So the Kickabout Weekend returned to Norwich in October 23. I've lost count of how many weekends have been held here now, but they are always great fun in a very nice City with loads to do. This time it was held in a 4-bed Airbnb, West of the Centre, with me (Cranners), Seamus (Phat Phoot), BadDad Barrett and the returning Waddinghamham being the permanent residents at the house. An Airbnb always provides a much more relaxed environment where we can all talk KA until we are blue in the face and not receive strange looks from others!! Chris ran it from the dining room and Wadders was either permanently at his corner bar area in the kitchen or face up to the large TV checking on how many goals he was conceding! Friday night we were joined by Jens and Gerard and then onto curry at The Spice Lounge was tea, after a few beers in a bar I cannot remember the name of. Food was superb, Gerard generous to a fault. After Fridays KA, where others joined virtually (KP, Fingers, Colly & Dag etc) and Matron, Tommo and Chris Moore had arrived, it was off to an Italian, again a superb evening with beers pre and post food. Mr Pickup (aka Los Pollos) rolled in for Saturday morning events before the evening took us back to the old Coach and Horses where we have basically lived at previous weekends, for pub grub and rugby. Another fantastic weekend of laughs with like-minded people.

LONDON BEER MILE - SATURDAY 6th JULY

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouters. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Barnie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth, Nursey Lewis, Steadders to name just a few as a starter.

We also here that Neil H & Collywobble are planning to descend on London for a binge! While Rob The Scottie has promised to show his face (What about you Mr Butler!?!)

KICKABOUT

NEW
TEAMS

MANAGERS NEEDED

A new year and a new super dooper offer for you to takeover a new team and guide it to success. Feeling generous so for a short period you can takeover a new team AND get £100 of free credit for the team. How can you reject that offer

Come on now especially those laggards who run just one or two teams, get yourself properly involved in Kickabout

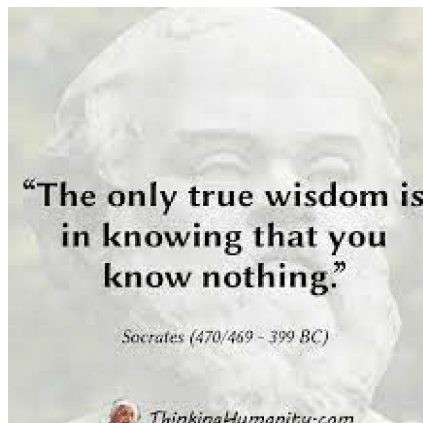

QUICK LEAGUE

Or you could plump for **Lady Park** in the **Messi** fast turnaround league. Mid-table third division. Same offer as for Gobaith my friends.

SPEEDY TURNAROUND LEAGUE

Or you could join the happy throng playing in the **PREMIER** league. Take control, of the mighty **Sunderland**. Totally ruined playing wise by the heavy-handed Trotskyist that was the Councillor. Now being looked after by Fingers, so heavily in debt. A real challenge for the masochists out there but have something to work with.

By the way, of all the postal leagues the Premier is the fastest turnaround so something to work with on a speedier basis

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2** / **UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

· so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
