ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. (www.paypal.com). Also cash is now paid to us in sterling which should help to lower the costs.

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoo.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

Would all managers please note that two trophy games should be entered as CUP games in your teampick orders. That session we had some as league 3, others as league cup and some even as friendlies. Make sure you have downloaded the Messi fixture skeleton form the Teampick site and that you use the fixture option in Teampick!!

The Pundit Has His Opinion

Here we go again and it is **Primrose Hill** who are the team to beat yet again, by a long distance. Can't see anybody stopping them again. Moneybags **Requiem** look as if they are going to have a good season, while looks like **Globe Trotters** will be up there again, but all are way in the wake of the Primrose boys. **Ayell** could upset them all if the Tight git who manages them sends that money! Going down looks like **Techno terriers** might be on their way back immediately though they do have money to spend. **Dynamo & Havering** look likely to join them, back where you belong boys!!

Division Two looks tightish. **Les & Viperoed** might just be the pick in the promotion race, though **The Greeks, Clifton Mighty & City Colts** could be challengers. The latter could bounce straight back.

Relegation fodder in the second, well **Leodis** look like strugglers for sure. With them perhaps tailed off the other two relegation places might be between **Old Steine, & Shrimp Cove**, who as I suggested last session might be pleased they didn't go up last time to be cannon-fodders!

Can **Mistique** finally get out of the division. Forget the Trophy FU!. I would also watch **Radford Semele**, especially if his defence is as amazing as last season. **Dal Raida & Battersea Power** might well be in the mix as well.

Relegation candidates, well **Shropshire Stars** will be propping it all up again, though with their bank balance they might well turn their season round if spent wisely. Both relegated **Fallen Angels & Jersey Boys** have it all to do before they can start rising upwards again that is for sure.
