The Fair Play Award was shared by AS Worg, Nuke Town & NFFC, with zero dps to their name all seaosn long .

Finally the **GM's Award** was awarded to **Excalibur,** after a great rebound season.

1

Wexford will defo be in the mix again this coming season, but I have a feeling that this might be the year of **Metropole IF** though their reserve strength might tip them up. Watch out for **Scaynes Hill** as well to put in a challenge.

Promoted **FC Garvock** might find it difficult to stay in the division, while **R.S.Raiders & Midnight Heroes** look as if they have it all to do to retain their status. The former though have some cash to play with.

2

The second looks a close division, though I'd plump for promoted **Westhill AFC &** relegated **Excalibur** to be the two to watch. Apart form that not much in it form top to bottom of this division The old men of **Roxley Foxes** I would be worried about especially as their legs fall off but manager JONDAHL has a nice warchest to spend, and no doubt he will and though the team gets older the money papers over the cracks, so he could have a good or bad seaosn who knows. have to go with financially impaired **Osasuna Orlata** to be down there without a doubt.

3

Artof Noise should continue to Bo along without much trouble at all I feel. Well ahead of the pack who could be led by **Eridge Vale** who might bounce straight back, and the unmanaged **Galway Loftus** .

At the bottom, well one of the worst teams anywhere in Kickabout will be stone cold bottom - **Banks Allstars -** that is unless the big cashpot that manager Hails is sitting on, is spent wisely. Apart form that not a lot between the rest though manager Mansell will have to wave his magic wand if **AFC Karori** are not to go into the fourth sharpish, which they nearly did last time

4

Three teams stand out in the fourth. **Delirious Blues, Turnham Dragons & Burbage Moor** all look as if after years in the doldrums this might be their seaosn to gat the blood racing. Nothing at all between them either.

At the bottom **Cuthberts Cats** look likely to be table-proppers again this season**,** while **Buckkeep** relegated last time, look likely to be down there as well. **NASL Allstars & Port Noir** are also looking less than stunning for the coming season.

THE REPRESENTATIVE LEAGUE

Not a great season but kept their top flight status, so manager OVERLI keeps his job - just!

THE SHAKESPEARE AWARDS

Manager of the Year Award, goes to **Dag Overli** of Wexford Wraiths, what a first season back in the top flight!,

Most Improved Team Award went to **Gillingham FC** just a little in front of the Noise in this poll

The Performance of the Year was won by **Gillingham FC** as well, Div 2 champs and lifting the cup as well.

The GMS Award I give to **Artof Noise**, 62 pts and no golas conceded. Wow!!

The Fair Play Award is shared between AS Worg, Galway Loftus & Osasuna Orlata with nil to their names

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, `the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, `it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 £25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. READ THIS AND TAKE NOTE! - It applies to you! THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!! The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You MUST purchase mailing or go on ALL EMAIL otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

The opponents for League matches are shown also, while all knockout competitions simply give the round of each one; checking that you're still in the competition and who your opponents are is down to you.
