Hope League - Session Ten

Season 7

RESULTS SESSION TEN

ROUND UP TIME

Poor session for the Boleyn boy as his side lose their unbeaten league record at home to **JLR(!!!),** then go out of the cup to **Chernobyl.** Two poor defeats indeed. No drinks at next pubmeet boys!!! Still five points clear as neither **Chernobyl** or **The Force** can do better than draw their league games. They were good points for Crannders though with **Hans Shot** winning (look like they are getting back to some form), still very tight at the bottom.

Wow The Lewis wins at last, bit late really though Seamy will be gnashing his teeth, could have been an important three pints if he had have got em!

Smitty continue to struggle at home in the second, four draws out of seven as his rivals creep nearer Gonna have to buck up Mr Star, with the four below him looking in good form now.

Wacky wack **Beverage i**n the big third div game and it looks like division two here we come. The chasers only picked up one point between therm but watch out for **Leamington & Park Street**. Both win to close up in

AUCTIONS

THERE ARE AUCTION LISTS ON the following sessions (ie the items will appear for bidding on) 0/ 2 / 4 / 6 / 8 / 10/12

The transfer deadline also comes into play on S13.

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline. co.uk to see the goodies

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on either email address .

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather then being put into the auction

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+*subscribe@groups.io*. For others you do the same except put the league, name with Ka- infront of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

HOPE SEASON FIVE DETAILS

This season we will be using the normal snail-mail league schedule, thus there is a league game every session except for S1, 6,9,11,12 & 15 when there will be two league games.

New 2014 version now available at

http://git.invisibles.org/cgi-bin/cgit.cgi/markinfo-vb6.git/plain/markinfo.exe

Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

FORTHCOMING KA WEEKENDS

ODENSE MAY 2023

now set for 11th to 14th of May 2023

This will be held in the lovely Danish city of Odense at Martin Meienburg's house. Those who came last time will remember what a great location this is and what a good time we all had.

The hotel we booked in at is called THE CABIN, which was perfectly acceptable though Martin tells me that there is a better class, though more expensive one called the Odeon now. But I will use the cabin, no problem

Martin & Neil Humphries are the first takers

Dave Hargraves says he and his son are coming to Odense next May as are Geraldo, Jens, Seamus, Graeme, Danny, Gareth, Rob Lewis, Bo the bike, Peter Jorgensen, Cranners, Dennis & Craig. so get your names down and let's show make this a really god un

looks like norwich again in october 2023

MUTERINGS AND MEANDERINGS

Time to revisit the offside rules

1) Cannot be played if you play a SW as a SW

2) Cannot be played if you play diamond Formation

3) Playing offside reduces the shot chances of the opposition FWline, but you also need to have a stronger MF than them. If not you stand the chance of their midfield decimating you.

4) If your opponent has a WG or DFA in his team they can break down your offside trap, the higher the level of these players the more effective they are in breaking your trap.

5) The more players that the opponent has in their FWline the more effective (generally), the offside tap is, though many factors affect this.

Basically try not to play offside against a team with a stronger midfield than yours (in levels) no matter how strong his FWline might be. The offside tap can work well if you know your opponents team and plan accordingly BUT it can be a disaster if you don't . SCOUT and read newsletters to find out what he has
