ROUND-UP TIME

Primrose start with a statement, hammering their opponents to set the pace straight away Great start as well for **Newsome** and promoted **Mistique** Did the pundit get it wrong in the top flight you have to ask though in the relegation area he might well have done well with **Fralka & Havering** in trouble.

What a start in the second for **The Levellers & Clifton Mighty**. Both look as if they are determined to bounce straight back after relegation it seems with two wins to start with. Slow start for the **Colts** though they did have a tough start while at the bottom am sure there will be some wheeling and dealing to improve a poor start for Mr Molloy's boys

Surprise as **Sci-fi** start with two wins to be up there in the top three but is this the calm before the storm? Finally looks like the **Shropshire** season and **IB2301** start well and are on the up Watch out for KP, in

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather then being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+*subscribe@groups.io*. For others you do the same except put the league, name with Ka- infront of +subscribe.

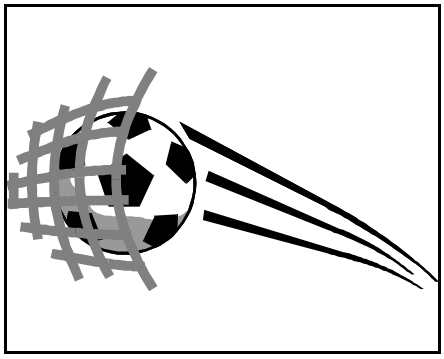

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier

New 2014 version now available at

http://dodge.me.uk/markinfoexe

NEW LINNK

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

FORTHCOMING KA WEEKENDS

ODENSE MAY 2023

now set for 11th to 14th of May 2023

This will be held in the lovely Danish city of Odense at Martin Meienburg's house. Those who came last time will remember what a great location this is and what a good time we all had.

The hotel we booked in at is called THE CABIN, which was perfectly acceptable though Martin tells me that there is a better class, though more expensive one called the Odeon now. But I will use the cabin, no problem

Martin, Neil H, Gerard, Jens, Gareth & Crannersare the first takers

Dave Hargraves says he and his son are coming to Odense next May as are Geraldo, Jens, Seamus, Graeme, Danny, Gareth, Rob Lewis, Bo the bike, Peter Jorgensen, Cranners ,Dennis & Craig. so get your names down and let's show

SOMETHING FOR EVERYBODY TO REMEMBER

ORDER OF MATCHES IS

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MUTERINGS AND MEANDERINGS

Time to revisit the offside rules

1) Cannot be played if you play a SW as a SW

2) Cannot be played if you play diamond Formation

3) Playing offside reduces the shot chances of the opposition FWline, but you also need to have a stronger MF than them. If not you stand the chance of their midfield decimating you.

4) If your opponent has a WG or DFA in his team they can break down your offside trap, the higher the level of these players the more effective they are in breaking your trap.

5) The more players that the opponent has in their FWline the more effective (generally), the offside tap is, though many factors affect this.

Basically try not to play offside against a team with a stronger midfield than yours (in levels) no matter how strong his FWline might be. The offside tap can work well if you know your opponents team and plan accordingly BUT it can be a disaster if you don't . SCOUT and read newsletters to find out what he has

MANAGER'S NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

Languishing near the bottom of the Copenhagen second division are **Real Paris.** Now looking at the squad, despite the fact it needs some reorganisation I cannot to be honest understand why they are threatened with relegation (if they did go down they would come back up no doubt), apart form the fact the team has been selected by computer for the last year!

This team have three, yea three, mighty top class midfield specialists. They also have a top class FWS. Add to this some bright young players coming on and something for anybody to use and build upon for the future. Only a mill cash in the bank, but there is some fat to be culled which should boost the bank balances.

Something tor really have an interesting time with. Free season on offer if you take this team on and carry them towards glory, plus 50% credit bonus on our next payment for a team(s). Go on dare you!!
