

## THIS NEWSLETTER IS SUB-TITLED I WAS WADDERS BATMAN

### WADDERS IN CROWD AS BURNHAM SLAUGHTER ELVET

Seat X22, a man sat there, he looked familiar, slightly older, definitely more aged, rough at the edges, but the bark, well, totally unmistakeable, it was he, The Wadders, and he had turned up here at Huffo Puffo Samson's ground; not to watch the game so much (well not at all really), but to berate, slag off and wind-up **Burnham** coach Mansell. "You never won nuffin while I managed RYL Arsenal geezer, nothing, your cabinet was empty". 90 minutes of that we heard, and the poor couple in Seats X21 and X20 had soon moved higher up the stand to enjoy the game. Yep, Mansells, cabinet was empty when The Wadders lived 'ere (apparently - so he tells me), but not anymore and this resounding 7 - 0 away win is just a step closer to winning another title! So put that in your pipe and smoke it!

Elsewhere a 4 - 0 win for **Fereghi** pushes Steadders **Amazonas** deep into the mire and Tommo's boys maintain their Euro push. Red mist engulfs **Berry Browns** players as they see two sent off in the first half and are easily beaten by Cranners **PSV Loftus** 4 - 0. Loftus won't get anywhere near Burnham this year so it's a race for 2<sup>nd</sup> place already with Loftus, **Fereghi** and **Wandsworth** the likely candidates. **Wandsworth** themselves dropped 2 points being held by **Blackpool** (who are no pushovers incidentally). A tale of double zonal marking killing any enjoyment for anyone!

### WADDERS SLAGS OFF ZELDATREE FACILITIES

He was here again, after watching that Burnham game he turned up at **Zeldatree** only to see if the facilities had improved since he was last here. He claims not! "I have a better bar in my garden shed than they do here, and the food, well I reckon it's all past it's sell by date" anyway Zeldatree manager Wright, wasn't too concerned, he just saw his side pick up a useful derby victory over Bak-Door Double Spunky's **Vino**. A **ROBBEN** header with 15 minutes to go sealed their first win of the season after 5 draws; and the travelling fans were straight onto the "Get Scott Out" chorus once again!

**Bad Dad** Barrett beats Millers **Remmigel** 1 - 0 to grab top spot from our favourite Cooncilla - so cruel. Not a lot in really but the visitors heavily hampered

here by marking which swung it Bad Dad's way. If **Manchester Devils** had got a win at **Dynamo Tooting** they could have gone top, but a late goal ended any hopes there after Matron's markers did a sound job on **BADNITZ** and someone named after a pasta. Keeping pace with the top guys are Seamy's **Galway Girls**, who were easy 3 - 0 winners over Hargraves **Wanderers**. It could have been more, perhaps a cricket score (Bad Dad! Hansford! You know it?). It's an interesting race this year at the top whilst at the bottom, those in the relegation zone are already falling away. **Scottie** is in there (boo say the fans), so too is **Hargraves** (of course he is as he is working on a cunning plan) and then there is **Vegan City**; bit of a surprise that one but perhaps the Cooncilla is focussing all his efforts on Remmigel (Labour) and leaving Vegan (Tories) to suffer. You know it!

# KICKABOUT NEWS

## WADDERS CLAIMS PITCH WAS A POTATO FIELD IN 2005

So the late kick off and Wadders had managed to blag himself a spot in the commentary box for the **Ferencvaros** vs **Two Rivers** match. He didn't look too excited by the prospect but he did remember Ferencvaros from times gone by and claimed their pitch was no better than an Irish Potato field that had had a few hundred cows trample all over it! "It's rotten, the players aren't much better and their manager Lozza, well you know, I better keep my thoughts to myself on him for fear of being arrested". The prospect of a drab game played out, 0 - 0 here - Wadders wished he had gone elsewhere.

So with the Rivers dropping two points, **Brighton** extended their lead with a 2 - 1 win against bottom club **Newton Borough**. Should have been more than 2 - 1 if it were not for GATES. **Huddersfield** kept up the chase, putting six past Jack at **Lowfields FC**, who despite their offside trap were outclassed. Smiths boys not beaten yet; and **Sirmione** also won, edging it 1 - 0 against **FC Groovus**, once again their defence keeping another clean sheet. Craig won't be too happy seeing **Dutch Courage** drop points against **Midlands Heath**, they were slow to start and went behind early on and once they had got their noses back in front, they took their foot off the gas in the last 5 minutes and paid the price when MOSCATO levelled with an easy header. Hudson's men are no pushovers but they will be grateful for this point.

## WADDERS LOVES HIS PIGEON - BUT NOT FOR SUPPER

So first game back in charge of his **RYL Arsenal** beauties, who are not so beautiful anymore! A fall from grace, Div 1 to Div 4; does the road back to the 1<sup>st</sup> start here? We'll see but one thing he was immensely pleased to see was his captain PIGEON. The poor fella still has all the leadership qualities he had before, but he has no legs, no desire to tackle, and knows his career is probably

coming to an end; he's a bit of a mess really so I can see why the manager likes him! Anyway, the Arsenal got a draw at **Blackberry Rovers** and managed to injure a couple of Smith's men in the process. Funny thing was PIGEON was the dirty tackler for both injuries! 6 games now, no defeats, but far too many draws at present. Get wheeling and dealing you old ball bag.

Elsewhere there weren't too many goals this week with four goalless games! **Sporting Porto** showed them how it's done though with 6 against **LA Crimewave** where caretaker Cranners thought he'd try something new with a five-man attack but it didn't work and they paid the price. The only other side to score were unmanaged **NJF Athletic** who put two past Read's **Alderaan FC**; whose lack of a keeper cost them dear in a game they controlled and should have won. Overall, the division is a race for 2<sup>nd</sup> and 3<sup>rd</sup> spot with only 4 points covering 9 sides in that mini race, so should be interesting here and will no doubt change a lot as we move through the season.

## UP FOR THE CUP

### 2<sup>nd</sup> Round Highlights

**Sporting Porto**, even without keeper LOPEZ are too good for **Sirmione** and the Div 3 side exit the competition \*\*\*\*\* It's yet another bucketful of goals for **Burnham Down** as they put 7 past **Lancs Villans** who, to their credit, did put out a full strength side \*\*\*\*\* League woes aside, it's a good day for **Vegan City** and a real shock as they win 1 - 0 against **Blackpool**. Not a lot in it here but a highly motivated home side got there in the end \*\*\*\*\* **Wandsworth Town** win the all 1<sup>st</sup> division clash against **Berry Brow** who are struggling at present. 3 - 0 here, all late goals but better late than never, Back to the Shed for Gareth. \*\*\*\*\* **Ferenghi** and **RYL Arsenal** both book their place in the next round, **Athletic Lions** and some NL part timers the victims here \*\*\*\*\* **Red Castle** move nicely through their gears and **Two Rivers** are despatched 4 - 0. **FABIAN** and **RANGER** a decent looking strike force here! \*\*\*\*\* **Butt's Real Scorb** can't quite pull off a shock but a home draw

# KICKABOUT NEWS

against **Abbey Road** is a victory in itself, so he will happily take the cash that comes with a replay. \*\*\*\*\* **Huddersfield FC** show their true potential and **Ajax** are beaten 1 - 0. An early **QUANER** header set them up and they controlled it after that. Ajax manager King will be disappointed, but Smiths men are good enough for Div One so it's not a massive shock truth be told. \*\*\*\*\* Easy for **Galway**, 5 - 1 winners against **Crimewave** whilst **PSV Loftus** bag a couple to see off **NJF Athletic**; Cranners said he wants Galway in the next round so he can put them in their place! \*\*\*\*\* **Real Remmigel** make no mistake against **Midlands Heath**, 5 - 2 away win with goals raining throughout the first half. \*\*\*\*\*

**Vegan City** v Dutch Courage or Hathershaw FC

RYL Arsenal v **Bishpam** or Vino Villa

Galway Gaels v **Abbey Road** or Real Scorb

Red Castle v **Huddersfield FC**

**PSV Loftus** v Ferencvaros or Belle Vue

**Real Remmigel** v Sporting Porto

**Ferenghi** v Wandsworth Town

Brighton Expo v **Burnham Down**

Some good match ups here with a lot of the weaker sides departed and it's the Ferenghi and Brighton Expo matches being shown on BBC1!

## LEAGUE CUP

### 3rd Round 1st Leg Highlights

It's 9 this time for **Burnham Down** as **Dutch Courage** are heavily beaten and they won't be looking forward to the 2<sup>nd</sup> leg one little bit I would guess. \*\*\*\*\* **PSV Lotus** take a 2 - 0 lead to **Dynamo Tooting** and barring any surprises should be strong enough to go through. \*\*\*\*\* **Ferenghi** and **Ajax** can't be separated; the home side had the better of it but maybe its advantage Ajax now? Gonna be tight this one. \*\*\*\*\* In a game where both sides created plenty, **Galway Gaels** take a 1 - 0 advantage to **Red Castle** for the return. You wouldn't bet on the result here; I expect another close fought game and its certainly not out of Castle's reach to turn it around. \*\*\*\*\* **FC Amazonas** poor run of form continues and they

are beaten by **Real Remmigel** 1 - 0. The visitors were missing **ROOSEVELT** though so he will play a key part in turning this one around in the return leg. \*\*\*\*\* Div 3 leaders **Brighton Expo** are too good for **Bispham** and a 2 - 1 away win makes this one seem like it's all over already - but you never know! \*\*\*\*\* **Blackpool** have a real battle on their hands containing **Lancs Villans** but they come through unscathed and take a 3 - 1 leads to Fingers place next week. It's not over here but it's quite a mountain to climb. \*\*\*\*\*

## AUCTION HIGHLIGHTS

**INCCIE** and **CHUN LEE** swap clubs as **Abbey Road** and **Zeldatree** try something different. Could work out well for both of them here. **Berry Brow** bring in over £3m from sales, is the manager biting the bullet already or is there a plan somewhere? Oh, and in the auction, loads of 19-9's were bought! How much fun was that!

## MANAGER OF THE MONTH

**DIVISION ONE:** goes to manager **CRANFIELD** of **PSV Loftus**, three wins, trying to keep pace with the Kiwi!

**DIVISION TWO:** goes to manager **McCRUDDEN** of **Galway Gaels**, a clear winner this week. Pushing on all fronts.

**DIVISION THREE:** goes to manager **HAILS** of **Brighton Expo**, looking like another quality season in the making.

**DIVISION FOUR:** goes to manager **WELLS** of **Sporting Porto**, the only ne setting the place alight this week.

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

**(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)**

**NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this**

## SOCIAL MEDIA

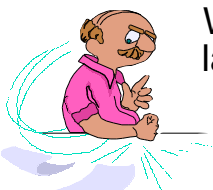

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

**FACEBOOK - kickabout online**

**and Twitter**

**Online Kickabout**

## MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

**So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.**

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**You can pay by card/paypal through our new web-site**

# KICKABOUT BITS

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io).

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO

## KICKABOUT SERVICES

**MAILING** - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

**ALL EMAIL** - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

**TEAMPICK/ SHOMATCH/ MARKINFO** - all the info you need for these programs is at - [www.Teampick.co.uk](http://www.Teampick.co.uk)

**NEW WEB-SITE** is now up and running, [www.Kickaboutonline.co.uk](http://www.Kickaboutonline.co.uk) to see the goodies

**MARKING INFO** - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

# KICKABOUT BITS

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

## MUTTERINGS AND MEANDERINGS OF THE KA MIND

### ESPECIALLY FOR WARWICK

Why does my FWT not work even when playing with a WG(Best option) or a DFA (not quite as good). Simple answer if that he will only get you those crucial extra shots if you opponent is not playing a Sweeper. the sweeper automatically latches onto the FWT and tries to stop him playing. This depends though on the relative levels of the players involved. A level two SW will get blown away by a level 12 FWT etc.

# KICKABOUT INTS

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

### FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

S8 - A v D / F v B / C v E

### PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

# MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

## SPECIAL OFFER

Fancy a different challenge, then what about the Veterans league. Fast action, tight on cash and some rules that differ to the normal leagues, the Veterans poses a quite different challenge to the other leagues. Looking for a new manager at present are **FC Westeros**. twice they have finished third in the top flight, and have also lifted the cup once. Alas their former manager lost interest and has left them to flounder in the second division. Yes they are a challenge now, but a different one for sure. Would dearly love to see them managed again so will give the lucky man who raises his hands to takeover, TWO free seasons to resurrect them, plus your next payment of real money to one of your teams or two, will get a 50% bonus added to the credits. Can we say better than that. NEVER!!

By the way the veterans league only has twelve sessions per season?

What about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Free season here for the hot dog who takes them on?

# CONTRACTS UPDATE

---

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

***We suggest that you always add 1K to your bids***

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -
