Hope League - Session Ten

Season 8

ROUND UP TIME

What a battle in the first. **Henley** only draw, the next three all win so they go form top to fourth. Two points cover the top four. Put your money on the eventual champs if you dare

At the bottom **Chernobyl** beat **S**ith to continue their climb towards safety. . Begins to look as if the bottom four are all in the mire and relegation is between them.

In the second **Ton-Eight a**re setting the pace and with the tow below them only drawing they are in control but promotion is between six teams really as any of the top six could go up. **JLR & Mandalore** win this week to close it all up for sure.

Leamington looking as if promotion is assured in the third div as they win the big one against **The Migs** good win for **Galerie Bleu** as well. to move into the top three Again a close division and you could go all the way down to ninth and feel any of the teams could get promotion if they put a good run together.

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social mediua sites. Links to our pages will soon appear on the web-site, but in the meantime we can be found on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

and remember the KA web-site

www.Kickaboutonline. co.uk to see the goodies

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on either email address .

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+*subscribe@groups.io*. For others you do the same except put the league, name with Ka- infront of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

HOPE SEASON FIVE DETAILS

This season we will be using the normal snail-mail league schedule, thus there is a league game every session except for S1, 6,9,11,12 & 15 when there will be two league games.

The Cup

S2 1st round (bottom eight terams from last season)

S4 2nd round (4 winners plus thirty-two byes from 1st round)

The League Cup

S8 Quarter-finals

S12 Semi-finals

S14 Final

One game. If drawn there will be replays on the following sessions (inc the final)

THE TROPHY

This will consist of twenty teams. All the third division along with the bottom eight of the second division as at the end of S10

1st round is on S11 - bottom eight in divison three play off (no replays)

2nd.round is on S12 - sixteen teams (no replays)

MARKING INFO - Tim Dodge has put together a clever little program that allows s shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info.

New 2014 version now available at

http://dodge.me.uk/markinfo.exe

Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

MARTIN IS WILLING

MANAGERS NEEDED

SPECIAL OFFER

Fancy a different challenge, then what about the Veterans league. Fast action, tight on cash and some rules that differ to the normal leagues, the Veterans poses a quite different challenge to the other leagues. Looking for a new manager at present are **FC Westeros.** twice they have finished third in the top flight, and have also lifted the cup once. Alas their former manager lost interest and has left them to flounder in the second division. Yes they are a challenge now, but a different one for sure. Would dearly love to see them managed again so will give the lucky man who raises his hands to takeover, TWO free seaosn to resurrect them, plus your next payment of real money to one of your teams or two, will get a 50% bonus added to the credits. Can we say better than that. NEVER!!

By the way the veterans league only has twelve sessions per season?

What about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Free season here for the hot dog who takes them on?

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
