

LONG LIVE THE NEW BORN KING

With this newsletters recent journalistic full frontal bringing him an army of new fans and a tourist surge to Aberdeen and Stavanger where pilgrims can do the 'Ade Trail' it was no surprise to see Ade guest present the Eurovision Song Contest alongside Wadders (see what I did there). Truthfully has anyone ever seen Norton and Williamson in the same room? I await the drones above my house. Any. Time. Now. Vvvvvvvvvvvvvvvv. The only black spot in Adrian's week was having to fend off allegations that he was behind the drone incident that closed Gatwick airport when the weekenders were flying home. Ade was quick to refute it was a ploy to show présidente Dempsey that he was the real GM. Xanadu's win this week wasnt quite a Dennis, but a one nil win against a close rival is a great result and they go marching on.

It was also a reasonable week for Craig - Wednesday won, Tartan are increasingly competitive and depending on the day of the week he finished 9th, 2nd and 24th in the weekend ratings. We know that Wednesday brethren have bigger comebacks than Lazarus in their dna and a 0-0 isn't in the same bracket as this week's comeback but the top teams can feel the creeping doom of Tartan's revival, like Japanese knotweed, syphilis or Jens and permanent marker pens after midnight.

Elsewhere, fresh from his best ever finish at a weekend, Neil proves that outsourcing running your team is the way forward. Perhaps it'll catch on and we can all leave Gerard to run our teams whilst we drink beer. Jaffa very definitely do a Dennis to Hopkins, Janiero and Southland play out a bore draw, Polski run riot against Jondal and Toolbox get a great home win against Amec that puts them on the front foot for the rest of the season.

WARPIGS BATTLE IT OUT TO BE KING

They say there's 3 things in life that are certain, birth, death and a hangover at a kickabout weekend. There's also nothing like a sporting feud to add fire to a battle, think Wenger and Ferguson, Mourinho and anyone and Kong v Godzilla. Well, we now have Shay Moose v Brutus, its not quite the Mandalorian v the Pollo Hermanos guy but its adding spice to what is turning out to be potentially a 4 horse race for promotion.

Devout royalist Mccrudden took time out from attending the coronation in the front row to talk to the Monty newsletter. "I've long admired the royal family and see so many similarities with them. Most of the furniture in our house is 700 years old. I like it that way, it has history, a bit like Cranners forehead of Steadders booster seat. It's not that I detest Brutus but he's a bit like artichoke in a salad. It just doesnt need to be there and gives you wind." Belfast had a great win away to Norwich who just haven't got going yet, whilst Stalingrad were held by a very competitive Central Select who really should be thinking about a promotion push.

Custom Car get a fortunate win but arent complaining, whilst Cinema and Wesham will be disappointed to get nothing in their games. Wesham need a manager and

fast. Salamanders and Salisbury will both be ok I would have thought with a derby draw.

KING OF THE MOGWAI BUT IS HE KING OF DIVISION 3?

This is the division to be if you want goals with 25 across the 6 games. Have to start with the big game at the top with Bel Fierste entertaining high flying Ackworth. You have to say the home side wanted this more and created the majority of the best chances. Ackworth's formation didnt really support their zonal marking and played into the hands of Williams' men. A great home win which puts Russ in the driving sit in the division.

Lets take a look at the other protagonists in the division - we've focussed on TV Gold before and another great away victory for them. Perhaps this isnt the week to be looking at Black Mamba :(- what happened there?!?!? - so lets take a peek a boo at the Khmer Rouge boys. Given i know that Jensy only searches for mentions of his own team i've chucked a few in to make sure he reads this. Khmer Rouge.

He's a kickabout pin up, popular with fellow managers, Khmer Rouge, a skilled builder, regarded as the number one Dane, Khmer Rouge, great company and not to forget incredibly fertile. But - Khmer Rouge - less about Morten.

KICKABOUT NEWS

Khmer Rouge are a team on the up and a 4-0 away win against the up and down Clifton is a great boost to their promotion hopes. Khmer Rouge. Lots of creativity and with Sleepy Jo adding plenty all round the pitch and as a captain, as well as fabulous hospitality, a lovely home and family and yes very good company, if not a singing voice that needs some finessing - this journo's prediction is a top 3 spot and if he plays his cards right, giving Bel a run for their money. Love you Jensy duck.

SO MANY PRETENDERS TO THE THRONE

We said it last year but division 4 is a super competitive league with a number of teams that will have aspirations to get to the first division in super fast time.

Enborne are class but surprisingly held at home by St Elistra - Bard will be disappointed to drop points. Are they too easy to play against?

Lima - one of the most talented sides in the division - won the Battle of the GMs and convincingly so. Samson putting Delilah to the sword there.

Ammon being held by Pretty Boy Butler shows the depth in this division, with teams all the way down to the bottom, even including London Utd, who can beat anyone on their day.

In royal terms this is certainly a Royal Rumble rather than a clear succession to the throne. My money is still on King Bard of Norway.

UP FOR THE CUP

2nd Round Highlights

Solid session continues for Belfast with draw at Ackworth. City Blues ease past Custom Car City a bit too easily, whilst Central are quite the opposite and make things v tough for Janiero. A great result for the second division side. Southland are held against stout non league opposition but will be confident of getting through. Great result for Bonnie Wee Colly who gets his tactics spot on against Kiwi Mcauley. Gessle gun down Gunners and Tartan tease past the Rouge. Not one sided by any stretch of the imagination and marking may well have made the difference here. Rangitoto favourites to beat Pact now as are Ammon against Salisbury, whilst Jondal and Stalingrad stroll and Salamanders continue their good form. SHOCK OF THE ROUND Does it get any better than this for Bel

and Manager Williams, sending Wrighty back to get new tools - definitely a Dennis this one, but the division 3 leaders won't care. Topsiside beat Wesham, not really a shock in all honesty and Xanadu do what Xanadu do.

Some interesting ties and it's pretty wide open to be honest. Xanadu won't have it easy and certainly a plum tie for Starlight or Rangitoto to fight it out over in their replay. Tipped sides in bold.

LEAGUE CUP

3rd Round1st Leg Highlights

Not awash with goals here with every game v tight and 4 / 8 finishing goalless. Interesting, very interesting. Xanadu curbed as Select get their selection and tactics bang right. I can hear the scenario planning kicking in already not to mention that buzzing sound again in the air. Tartan put Bel back in their box, Craig's men threatening to do a Bo before grabbing a couple of highly celebrated goals. Enborne's win against Jaffa is the highlight of the first legs. Can King Bard hold on in the second leg or will Neil outsource his team to Cranners?

AUCTION HIGHLIGHTS

Not a great deal to write about in the auction in all honesty. Chivu will certainly add something to Toolbox and Cigoli will make Dunlaoghaire and even tougher proposition to beat. In private deals, Belfast pick up a creative youngster to add to their push, whilst Kings Park Rngs continue to splash the cash to add to that promotion push.

MANAGER OF THE MONTH

DIVISION ONE: goes to manager Williamson of **Xanadu**, has to be really.

DIVISION TWO: goes to manager Shay Moose of **Belfast**, getting stronger for sure.

DIVISION THREE: goes to manager Williams of **Bel**, has to be happy and not out of the league cup just yet.

DIVISION FOUR: goes to manager Butler of **Rangitoto**, Yep i know Bard beat Jaffa, but some good results for an ever improving side. Well deserved

SOMETHING FOR EVERYBODY TO REMEMBER

4 to 5	6

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

S o from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

BULK PAYMENT OF TURN FEES -

remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to **KA-kickabout+subscribe@groups.io**.

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

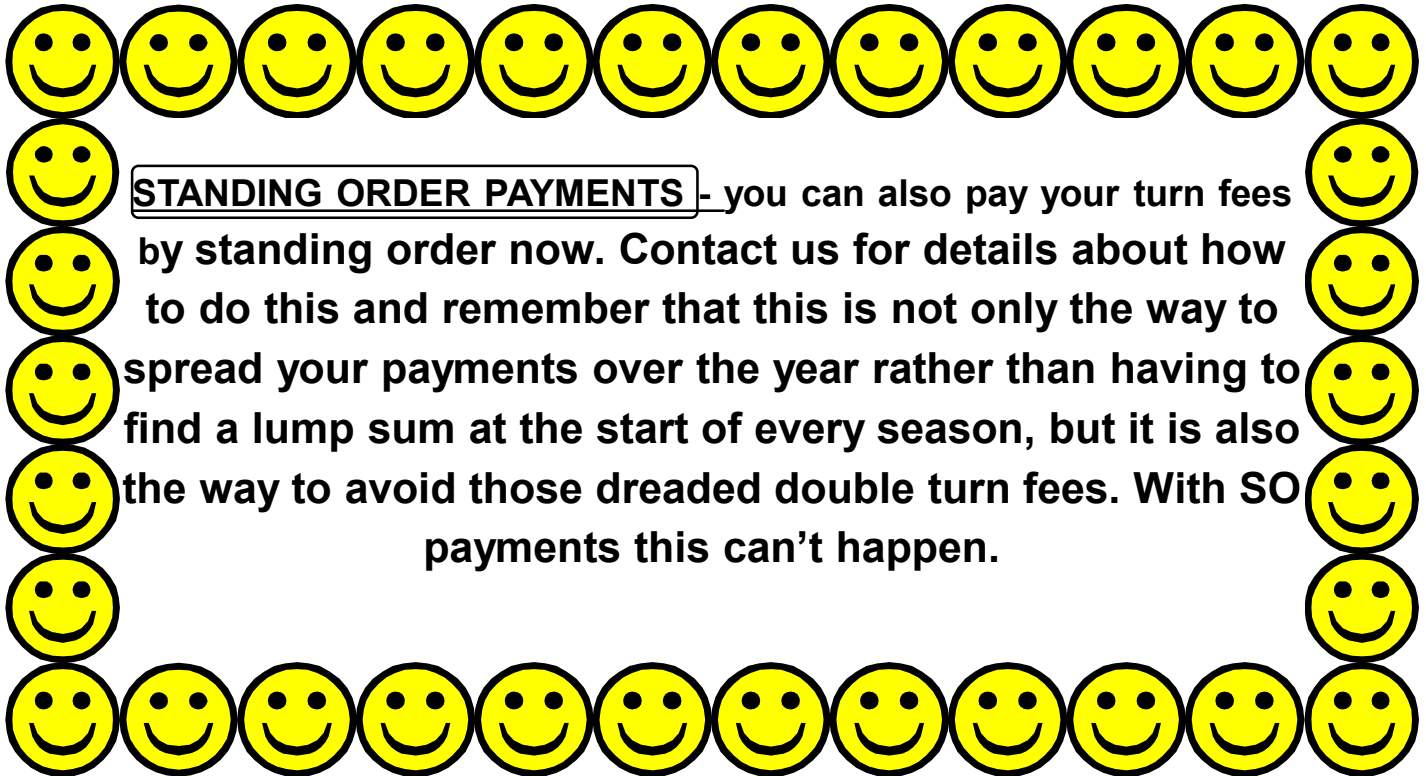

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at <http://dodge.me.uk/makinfo.exe>

KICKABOUT BITS

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

ESPECIALLY FOR WARWICK

Why does my FWT not work even when playing with a WG(Best option) or a DFA (not quite as good). Simple answer if that he will only get you those crucial extra shots if you opponent is not playing a Sweeper. the sweeper automatically latches onto the FWT and tries to stop him playing. This depends though on the relative levels of the players involved. A level two SW will get blown away by a level 12 FWT etc.

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

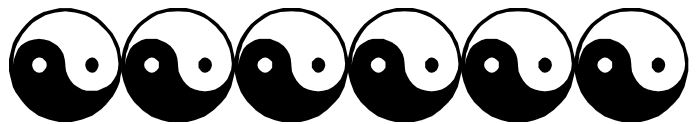

S8 - A v D / F v B / C v E

S10 - PLAY-OFFS ALL TWELVE TEAMS

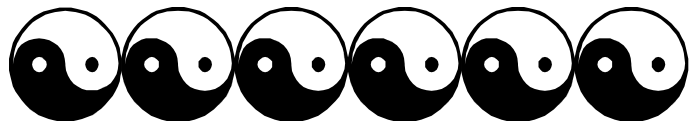

S12 - FINAL GAMES ALL TWLEVE TEAMS

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

What about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Come on chaps, TEN MILL IN THE BANK TO SQUANDER. WHY NOT TAKE THE PLUNGE. WILL EVEN GIVE YOU TWO SEASONS FREE

AT LEAST THEY WEREN'T IN THE CELLAR LIKE CRAIF

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 /**

UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -
