

PROMOTED SIDES ALL STRUGGLING

The three promoted sides have all found life extremely tough this season and none of them picked up a point this week. Romsey are in rebuilding mode already and picked a couple of youngsters for their visit to Steelcity. No surprise then that they got whopped 8-0 and it would have been a lot more if it wasn't for VAR. Brutal Maniacs have been on the wrong end of quite a few narrow defeats already and today they had another one with Bristol Rovers pinching the win by a single goal. Barrett shrugged his shoulders at the end of the game admitting that his side are probably a decent midfielder short of being competitive at this level, in what is a tough division. Newark Harriers have fared the best of the promoted teams but found The Mashers forward line too difficult to contain for 90 minutes, as they too fell to a 1-0 defeat. I would say Presland's side have the best chance of establishing themselves at this level but there will be some chastening moments along the way.

ALL TO PLAY FOR

Hayling Rangers picked up a welcome win in the battle of the unmanaged sides at Reale Hastings. These two sides have met a number of times already this season and continue to kick lumps out of each other. This time it was young defender Meriopul who ended up hobbling off but at least his side picked up the 3 points in a 1-0 win. Limetrees Park fell to a surprise 1-0 defeat at home to Perfect FC, another team who are now without a manager following the resignation of Barrett, who stated he felt he had taken them as far as he could and it was time for some fresh ideas. His parting gift was a very jammy 1-0 win to leave Cranners fuming and unable to enjoy his regular late night curry and six pints that evening, muttering something about a caaant! Greymouth Town made unnecessarily hard work of seeing off Heigham Town with only one goal to show for all their possession. Still a win is a win as McCauley always says, you don't win any extra points for being easy on the eye! Rio FC are starting to look ominous now as they saw off Buckley Town 2-1, although it may have been a different story if Buckley hadn't opted for a rather foolish offside trap that just didn't work, with winger Tai Kwan Do waltzing through the Buckley defence at will. Rio looking as if they could bounce straight back up currently.

THANK GOD FOR FINGERS

Blimey, there wouldn't have been much to write about this week's 3rd division, so thank goodness for the kamikaze attacking tactics of both of Fingers' sides. Though sadly for him, most of the goals were in his own net! Addington go from bad to worse as they were put to the sword by a rampant Newark Athletic side. Palace goalie Signor Dingdong has seen much better days and is starting to look a bit like fellow veteran Hugo Lloris. His bad back will have got worse after picking the ball out of the net 6 times today, time for an upgrade methinks. Farndon managed to go one better (or worse, depending on which way you look at it) conceding SEVEN to Gee Cross. Fingers will point to the missing Daniel Clambake for this one but I'm not sure he would have made that much difference really. Still, you can say it wasn't entertaining for the fans! Elsewhere, there was a good away win for Knotso Athletic, who ground out a 1-0 win at Van Boro, maybe just about deserved on the day, though not much in it really. Estarcion also won 1-0 away, this time at Roebuck FC. Both sides were missing players for this one but Estarcion coped with it better and are looking like strong challengers for promotion once again.

MANSELL MAGIC

KICKABOUT NEWS

Glencairn FC are not renowned for their attacking prowess but the appointment of Warwick Mansell has brought a new way of thinking to the club and this was demonstrated in a 5-0 away win at poor West Cross Wand. Butler was missing 3 first teamers for this one and crafty old Mansell took full advantage of the West Cross defensive woes with a five man strikeforce that simply blew away the home side. The Glencairn fans have never had it so good! Also in the goals were Colly's Roxy AS, who smashed four past The Wee Rovers. Young Goram in the Rovers goal looked as shell shocked as his boss, Rob Lewis, who insisted afterwards that a bit of short term pain will lead to pleasure later. Or was that what Gareth told him whilst locked in his shed? Telford Utd's good start to the season continued, with another point at home to Shoreham. Telford are used to having low possession of the ball but their ability to conjure shots out of nowhere is serving them well so far this season. As they pad the squad out further, they can only improve. The Levellers have improved of late but took another step backwards with a 1-0 home defeat to AC Carfin. There was nothing between the sides really but a second half Baaadif goal took the honours for the visitors as Napier's promotion hopes take another hit.

UP FOR THE CUP

2nd Round Highlights

A good day for FC Hope as they easily see off non league Stevenage, the fans are starting to dream big! *** A classic counter attack performance from Bristol Rovers as they grab an impressive 4-0 win at The Mashers, for whom keeper Van Der Decken did not cover himself in glory at all *** Estarcion win a surprisingly one sided encounter at Everton Classics, most observers thought there might have been a shock here but four goals without reply soon put an end to Everton's cup hopes for another year **** Gorgon and West Cross must do it again, though West Cross will be kicking themselves after missing a late penalty ***

Gutter Press and Red Devils are also goalless, the Devils will fancy finishing the job at home I am sure *** Rio are too good for first division MM Marauders in a surprisingly comfortable 2-0 win, Steadders men looking good now *** Brutal get a straightforward win at a hyped up Wee Rovers, Barrett is just pleased to get out without suffering any injuries! *** Newark Athletic and Catton cancel each other out in a 0-0 bore draw, could be more of the same in the replay? *** Greymouth get an excellent win at Scandinavia thanks to some excellent man to man marking, this was the only difference between the two sides really *** Villa manage to hold back the Gee Cross attack though I'm not sure they will manage to do the same next week *** Another bad day for Cranners, this time Gareth outwits him as Westminster sneak a 1-0 win at Limetrees, I wouldn't want to be Cranners cat this week, that's for sure *** Perfect FC get a comfortable win at home to Knotso, their creativity proving the difference on the day *** No problems for Steelcity as they hit seven *** The final three ties all finish goalless, you would fancy the home advantage to swing it in the replays but all to play for.

THIRD ROUND DRAW

Steelcity Hawks v Perfect FC

FC Hope v Gorgon City or West Cross Wand

Estarcion FC v Rio FC

Bristol Rovers v Westminster Utd

Brutal Maniacs v Gutter Press or The Red Devils

Hawk Fields or AC Carfin v Ulysses Angels or Bilbao Rocks

The Levellers or Roxy AS v Greymouth Town

Villa Rangers or Gee Cross v Newark Athletic or Catton Old Boys

LEAGUE CUP ROUND UP

All still to play for in the battle of the Wells family! Athletico Didi will be the happier of the two sides at the midway stage but I wouldn't like to call this one just yet *** The Mashers look as if they have done

KICKABOUT RESULTS

the hard work already, no way back for Glencairn here you would think *** Rio hold the advantage over Romsey but a couple of away goals certainly keeps things interesting and if Romsey score first next week then it is game on *** Steelcity have a slender advantage over Bristol Rovers but it is certainly not beyond Rovers capability to turn this around, Lawton won't be taking this tie for granted at all *** Scandinavia must do it the hard way but if I was a betting man, I think they might just prove too strong for Trentside next week, we will see *** Sprowston's disappointing season continues and it is a long way back from here against a good Bilbao side *** Finally some good news for Cranners as they secure an excellent 1-1 draw at Catton and have a real chance to upset Thommo's boys next week. If they can just keep a clean sheet, they will be through! *** Westminster and Newark Athletic grind each other to a 0-0 draw though Newark looked the stronger side. Can Dag complete the job next week, I suspect he might!

AUCTION HIGHLIGHTS

Not much excitement in this week's auction in what must be one of the duller set of mid range plodders ever made available! Westminster got themselves an attacking fullback for 505k, not bad value at all, whilst Shoreham got a handy winger for 789k in Florea. Hawk Fields splashed out 1089k on utility man Radsci, not really a player who is going to transform them I would say. Private deals were no better either, everyone seems to be keeping their powder dry at present.

KICKABOUT BITS

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6

9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

SOCIAL MEDIA

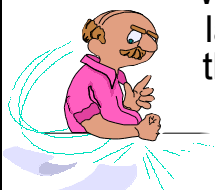

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

S o from now onwards if you use last season's numbers then you will be found out **AND if guilty the result of the game will either be reversed or decided against you.**

BULK PAYMENT OF TURN FEES -

remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to **KA-kickabout+subscribe@groups.io**.

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU
SUBSCRIBE TO TEAMPICK/SHOMATCH
THEN YOUR TEAMSHEETS WILL
ALWAYS BE SENT OUT BY POST.
EMAIL TURNS ARE ONLY SENT TO

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

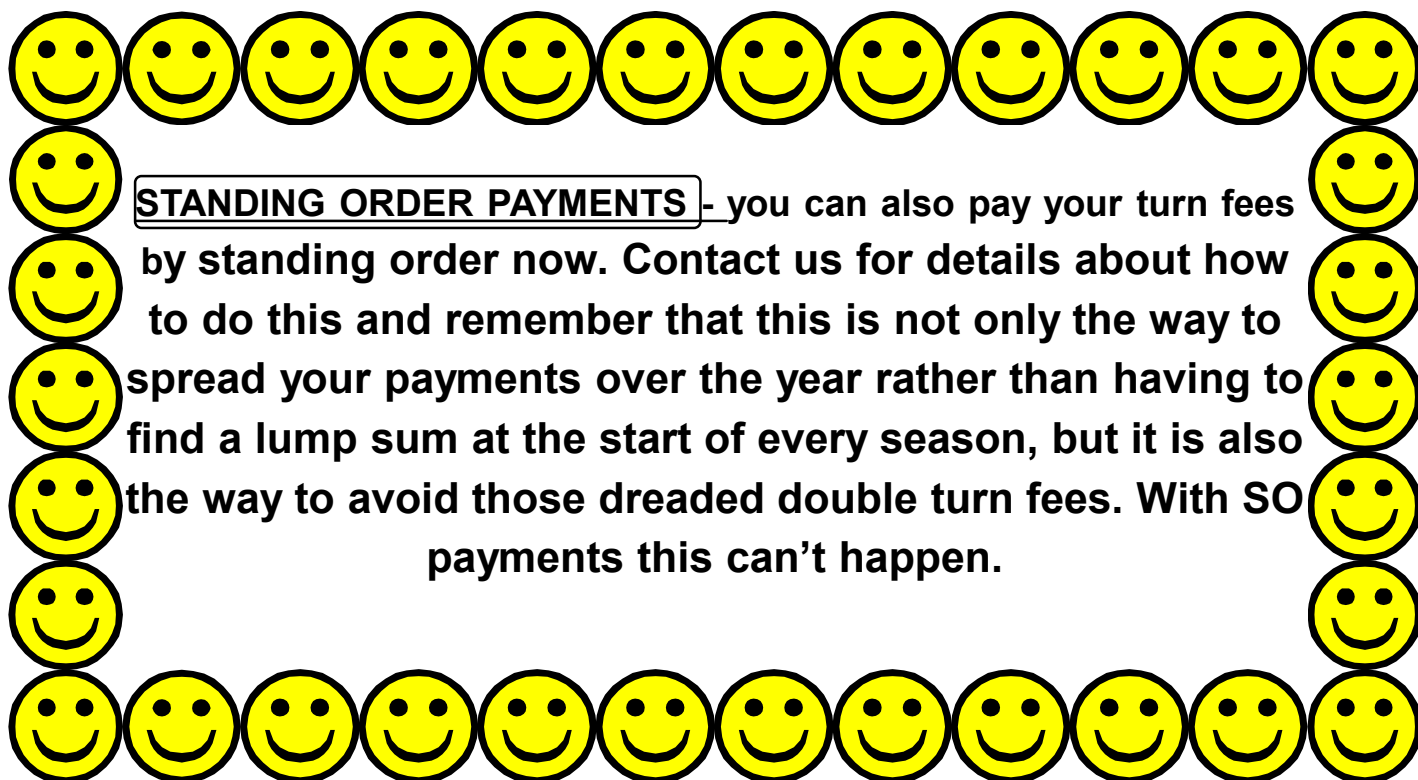

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at

KICKABOUT BITS

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

ESPECIALLY FOR WARWICK

Why does my FWT not work even when playing with a WG(Best option) or a DFA (not quite as good). Simple answer is that he will only get you those crucial extra shots if your opponent is not playing a Sweeper. The sweeper automatically latches onto the FWT and tries to stop him playing. This depends though on the relative levels of the players involved. A level two SW will get blown away by a level 12 FWT etc.

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

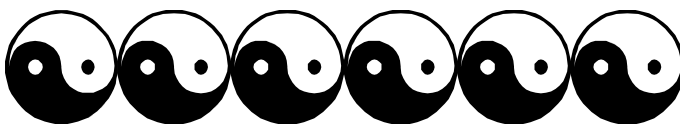

S8 - A v D / F v B / C v E

S10 - PLAY-OFFS ALL TWELVE TEAMS

S12 - FINAL GAMES ALL TWLEVE TEAMS

PLEASE NOTE FOR FUTURE REFERENCE

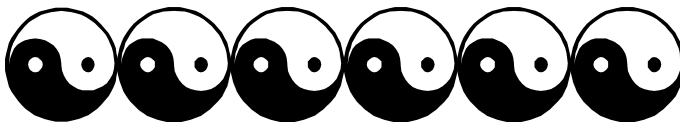

There is a reporting error in international squad turnsheets that **CAN** occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

What about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Come on chaps, TEN MILL IN THE BANK TO SQUANDER. WHY NOT TAKE THE PLUNGE. WILL EVEN GIVE YOU TWO SEASONS FREE

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

· so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
