

WHITESTAR FLYING HIGH

Whitestar Bel., under the watchful eye of manager Thompson, head back to the top of the table today after a good, but narrow win over **Hannover96**, who had started the day in 4th place, just a point behind their opponents. Whitestar finished in third place last season, and are hoping to improve on that this time out, and it is certainly going to plan so far. Their 3-5-2 formation was too strong for the home side, and Thommo was halfway down the touch line as early as the 6th minute when skipper ANTWERP nodded home a corner. Once in the lead, there was no stopping the visitors, who had home captain LIDELL in the shackles, and just unable to have any impact on the game. Hannover did show a couple of the flashes of brilliance that usually mark their game, but WHITE was up to everything that came his way. So Whitestar go top, but how long can they stay there?

Bolton Wands slip from top spot after being held goalless by **Belmont United**. The return of Wadders to the club, after a lengthy spell away, inspired the team to new heights, as they held the usually prolific Bolton attack at bay. In truth, Bolton should have walked this, but MAGUIRE and NAPOLEON kept them out time and time again. To keep their title, Bolton will need to find ways to win on days like this, and can't afford to slip up too many more times. **St Peters** are level on points with them after defeating local rivals **Rapide Rapace**, thanks to ANKARA's 4th minute strike. Some interesting ties coming up next session as Whitestar host Bolton and 4th placed **Croydon Flyers** play 3rd placed St Peters. Lots to look forward to there!

ALREADY SETTLED?

Wycombe Town remain at the top in division two, after a crunching victor of derby opponents **Chiaroscuro**, who had started the day in third place, just 3 points behind the leaders. However, they were well and truly humbled today, and could do nothing to slow the march of Wycombe. The home side lined up in a fairly attacking 3-3-4 and the plan seemed to be working in the 4th minute when RENSENBRINK equalized FRINSKI's first minute effort. However, when VAN CLOG rifled one in from fully 30 yards in the 12th minute, the home side started to unravel, and all of the plans fell apart. From then on, there was only one team in it, Wycombe running out 7-1 winners in the end, FRINSKI completing

his hattrick late on as the Dons fans streamed out of the ground. Wycombe have now scored more than twice as many league goals as anyone else in the division, and look well set for the step up to the top flight.

Their nearest rivals, **The Family Cat**, slip back slightly, after being held to a draw by **Typhoon Loftus**. Both teams had been tipped to have good seasons, and this match would suggest that those predictions were not far off, though Loftus do need to find a winning combination soon, before they are left too far behind. On the day, it was ROCHETEAU who put the home side ahead, the only one of so many chances that made it past the keeper. Just after half time, BROOKS made it level, rounding the keeper and passing the ball into

KICKABOUT NEWS

an empty net. The Cat really should have won this one though, but their strikers were simply not accurate enough, and this cost them.

UP WITH THE ANGELS

All change in the third division, as **Paris Angels** hit the top spot today. They started in second place, and were away to **United OB** today, a team finding life hard this season, under the guidance of manager Hudson. Paris came to attack, throwing up a five man forward line, while at the same time strangling any attack threat from the home side with their effective marking. The brisk wind didn't manage to affect their long ball game too badly, as GDANSK cracked the ball home as early as the 4th minute to give them the lead. CANTONA did equalise with a penalty halfway through the first half, but that was as good as it got for United. After the halftime oranges, Paris came out with fresh zeal, and three more goals, from BUCHABREAST, BAAVALE and DORTMUND gave them a comfortable victory, three points, and first place in the division.

The reason for them going top was that previous leaders, **Blackburn Rvrs**, fell to their first league defeat of the season - in fact, their first league defeat for a very long time, having gone at least 30 league games unbeaten! - at the hands of **Twin Peaks FC**. This was a pretty even game, but Twin Peaks slightly defensive looking lineup, along with an effectively marshalled zonal marking system just gave them the edge. Blackburn relied on their usual creative game, but sadly for Lawton, they just did not fire on all cylinders today. There was only one goal in it at the end, EARLE volleying home his fifth goal of the season 10 minutes into the second half. Lawton huffed and puffed, shouted and gesticulated from the touch line, but they just could not find a goal, leaving home manager

Dodge a very happy man come the final whistle. Twin Peaks climb to 5th, and, on this showing, could well do something this season. As for Blackburn, they remain very strong, but maybe sometimes need a Plan B?

TWO EXTREMES

Down into the fourth division, and we are going to focus on the top and the bottom. At the top, **Bluesville FC** continue their merry way, notching up a sixth consecutive lead win, to keep the league's only 100% record going. Manager Butler has his charges playing excellent football, and they kept that going today, defeating **Tiverton Tigers** 2-0. On another day, the result could have been the other way round, but manager Humphries insistence on defence may actually have cost him. Still, Bluesville did what they needed to, KIRASA and CERRELUAN grabbing the goals late on to keep them top. Bluesville will have to be on their mettle next week though, when they meet their nearest challengers **AFC Corella**. Will they still be top then?

Meanwhile, down at the bottom, something to cheer at last for the few faithful **K.U. Clubbers** who made the trip to **Walsall Heath**, as the Clubbers picked up their first win of the season. These are the two worst supported teams in the league, and in front of a crowd of just 15,310, it took one moment of magic to separate the two teams. A long punt from visiting keeper BARAKALDO found BERGKAMP in space on the right. With his first touch, he left two defenders on their backsides, before sending over a pinpoint perfect cross. All HAALAND had to do was get his head to it, which he did, glancing it into the far corner, much to the delight of manager PATEL. A big job on here, but all you can do is take small steps, and this was certainly one today.

2nd Round Highlights

DE VREYSE's early goal takes **Charlartans FC** through against top flight rivals **Hannover96** in a close game. In the end, home advantage told, the crowd seeing their team home ***** **Jovian Giants** are made to sweat against the minnows from **Margate**, as, despite dominating, they just have the one goal from VAN BUYTEN, but, as ever, one goal is enough to see them through ***** **Istel Palace** tear poor **Redden Court** apart to secure their slot in the next round with a comfortable 4-0 win, two second half goals from JIGILO JENSEN the icing on the cake ***** A feisty encounter between **Typhoon Loftus** and non-league **Telford Utd** sees the full-timers go through 3-0, FARMER scoring a screamer on what appears to have been one of his last appearances for the club as he moves on ***** **Uptown Funk** from division 4 hold division 2 **Cryogenix** goalless, but presumably the Icemen will have too much in the tank in the replay ***** Another goalless draw sees **Red Star Cevile** well and truly park the bus, making no attempt to attack against **Paris Angels**. Will they be braver in the replay? ***** An intriguing ties sees two giants, **Bolton Wands** and **Martino FC** play each other to a standstill. Having done the hard work, can Martino find a way through to goal in the return? ***** **FC West Trip** have a late penalty from FRERE to thank for keeping them in this one. With ten minutes to go, it looks like they are on their way out after STALINGARD scores with **Tiverton Tigers**' only shot on target, before FRERE pops up. 1-1 it finishes and still all to play for ***** **AFC Corella** may regret not taking their chances as their game with **Viking Raiders** finishes goalless. With Viking at home in the replay, they have the

edge now ***** **The Family Cat** blast past fourth division **Old Josephians** by 4-0, 3 goals in 7 minutes sinking them just before the hour mark ***** As Wadders re-familiarises himself with the Livingstone set up, **Belmont United** breeze through with a comfortable 2-0 win over non-league **Hastings Utd**, NEILITO BADDADIO finding the net for the first time this season. Reasons to be cheerful..... ***** **St Peters** edge past second division **Wycombe Town** thanks to BELLISIMO's wonder strike just after half time ***** It's comfortable for **Croydon Flyers** as they dump out **Dark City** 3-0 and dominate throughout ***** **SHOCK** (or is it?) as **Purple Hearts** stun top flight **World News Utd**, defender CURTLEY stabbing home the only goal of the game early on ***** **SHOCK** (or is it?) as third division **Blackburn Rvrs** knock out top flight **Nelsoners** 2-0, which could really have been quite a few more ***** **Twin Peaks FC** progress against **Walsall Heath**, a strong counter attacking game giving them a fine 3-1 win, the goal from BUDA sublime as he ran 50 yards before dinking the ball over the onrushing keeper

LEAGUE CUP

3rd Round 1st Leg Highlights

Owlerton FC have the chances, but can't find a way through against a stubborn **Istel Palace**, who will take home advantage into the second leg, after this one finishes goalless ***** A late **GDANSK** goal gives **Paris Angels** hope as their all out attack leaves them trailing by just one goal in a five goal thriller against **World News Utd** ***** **Charlatans FC** ride their luck to nick a 1-0 win against **Bolton Wands**, thanks to an own goal from **NETO** and a very dogged defence. Manager Brooks is not happy! ***** **The Family Cat** continue their fine cup form, notching up a 3-0 win over **Old Josephians**, to almost book their place in the next round ***** **Whitestar Bel.** edge to victory over **Crusaders FC**, **ANTWERP** scoring the only goal with a well placed header ***** **Purple Hearts** come back from a goal down to take a 2-1 lead over **Chiaroscuro** into the second leg, as **WINTER** and **TUCO** score within six minutes of each other to turn it round ***** An almost comedic game sees **Typhoon Loftus** rack up a 2-0 win over first division **Rapide Rapace**. First off, home defender **PIETT** scores, then gets involved in a scuffle with visiting keeper **MONTRWAUX** while trying to get the ball out of the net, and is sent off for his troubles. Then, still seething, **MONTRWAUX** takes a swing at **ZOLI** while coming for a corner and gives away a penalty, which **ZOLI** duly dispatches. Oh dear Dag! ***** In a much calmer game, midfielder **DUNKI** lashes home with just three minutes left on the clock to give **Viking Raiders** a precious away goal, and the lead over **Hannover96** going into the return leg

AUCTION HIGHLIGHTS

Not much to shout about in the auction this week, teams looking to bolster their squads with an influx of youngish, decentish players from Romania. **Holland Pk West** will be happy, picking up defender **RADUCANU** for just 351k while **Real Olivero** spend quite a bit more, bringing in sharp winger **GHEORGE HABI** for 1188k. Elsewhere, **Rapide Rapace** sign up **LINDQVIST** and the experienced attacking midfielder **FARMER**, for combined 3.5 million, in an attempt to stay in the top division. Will the gamble work? Time will tell.

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

SOCIAL MEDIA

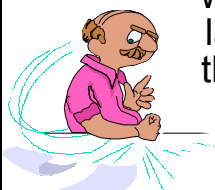

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

S o from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

BULK PAYMENT OF TURN FEES -

remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to **KA-kickabout+subscribe@groups.io**.

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU
SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR
TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

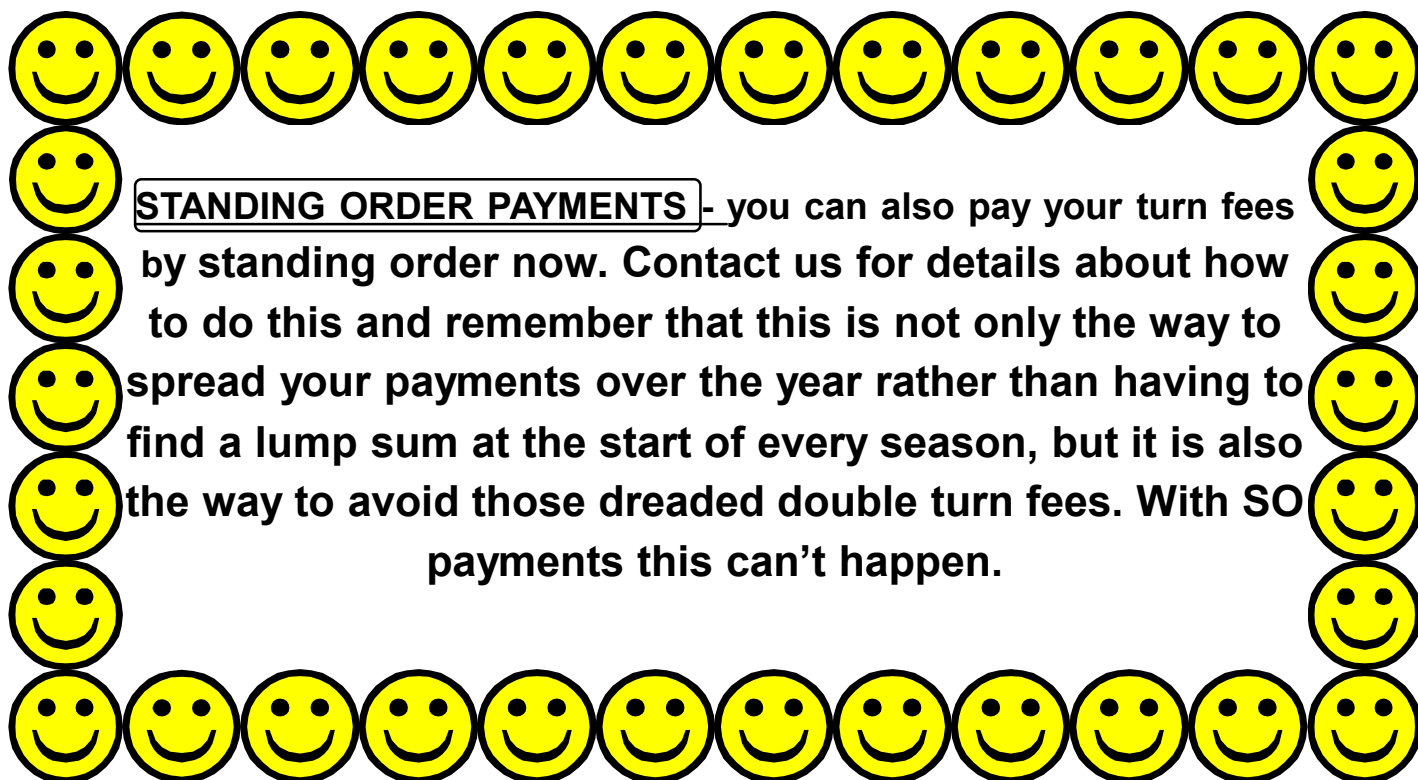

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

Latest version now available at

KICKABOUT BITS

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

ESPECIALLY FOR WARWICK

Why does my FWT not work even when playing with a WG(Best option) or a DFA (not quite as good). Simple answer if that he will only get you those crucial extra shots if you opponent is not playing a Sweeper. the sweeper automatically latches onto the FWT and tries to stop him playing. This depends though on the relative levels of the players involved. A level two SW will get blown away by a level 12 FWT etc.

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

What about having a tilt at **Crewe Alexandra** in the Ramsey league? Near the bottom of the fourth they have a weak squad though no problem in the age department as two stars apart most of their squad are 19YO. A top rank keeper performs miracles for them. Best though this is a team to work with as they have almost 10 million in the bank. Come on chaps, TEN MILL IN THE BANK TO SQUANDER. WHY NOT TAKE THE PLUNGE. WILL EVEN GIVE YOU TWO SEASONS FREE TO RESURRECT THEM!!!

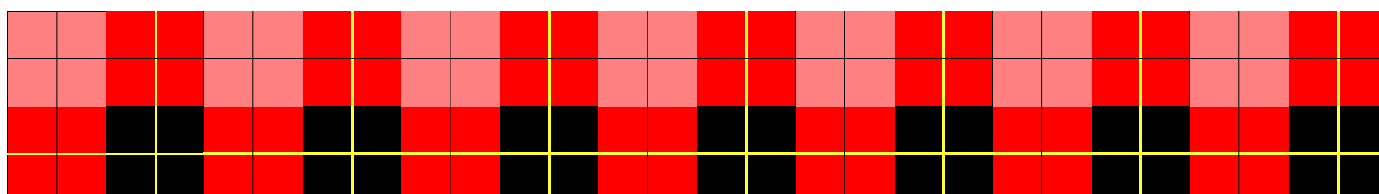

It isn't often that a decent team comes available, along with oodles of cash to spend. Well in Clough division three side **Castle Duloc**, there comes a team who have a decent base to build on plus cash in the bank.

The Castle are currently sixth in division three , perhaps still with an outside chance of promotion, and definitely would have been real promotion candidates if managed all season long.

What have these boys got to offer then. Well 7.5 million in the bank. Fours stars in their ranks, plus other good players Inc. a 24.7 MF/D & a 1907 MF/G RISER

Plenty to work with here, plus a good GK AND three risers in their ranks.

Get in there boys, Send £25 quid and you can have them for two seasons free

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

· so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
