<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. (www.paypal.com). Also cash is now paid to us in sterling which should help to lower the costs.

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- in front of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

Would all managers please note that two trophy games should be entered as CUP games in your teampick orders. Thai session we had some as league 3, others as league cup and some even as friendlies. Make sure you have downloaded the Messi fixture skeleton form the Teampick site and that you use the fixture option in Teampick!!

The Pundit Has His Opinion

I would bet wadders virginity on there being a new champion this coming season. looks like **Primrose** are fading for sure. They will still be up there BUT there are better squads now. Though how their managers use them is the big question. Tip for the top are **Globe Trotters** with resurgent **Colts in pursuit and watch out for** Viperoed BK, a good season ahead for them. It is a very strong division and lots of teams could have a say - Will cash rich **Ayell (some hopes)** & promoted **Radford** (he of the mighty defence) spend their money wisely and move from a top six team to a top three one, we shall see.

Strugglers in the first, well ell Dag might have troubles keeping **Newsome** out of the relegation fight, and both **Mistique** and the perennial strugglers **Haveirng Town** could have it all to do to avoid the drop.

Division Two, well can't see far past upwardly mobile **Shropshire Stars** to lead the way. Money to burn as well for Davie H. Biggest rivals well **Dynamo Test** look good and could be with them. For the rest very much of a muchness to be honest. **Techno Terriers** have cash to spend to transform their season I think.

AT the bottom well perm about six from the rest. Bermondsey might struggle after promotion, while both **Clifton Might** (never fulfilled his promise with this squad) & **Les Ferdinand** (on the downward spiral) could be in the mire.

The third divvie looks close at the top. **Old Steine** look quiet good but their overdraft is going to weight them down and both **Hoth Wampas** and relegated **Welsh Wizards** might have seasons challenging for the top three.

At the bottom the young team that are **Jersey Boys** need some strengthening if they aren't to struggle, while Brecon Rangers & Utopia don't look full of confidence. But who knows?
