THE TROPHY - Winners - STRATFORD CITY

Runners-up - HIGHLAND ROVERS

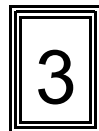

Looks like **Wamphyri Lords** will be the team to beat as they go for a third successive title. If they had a deeper squad then I would go for **FC City** to be challengers but really one injury and they are toast I think and no cash to really improve the squad. Therefore **Tattoine, Norwegian & Villatalk** will be the challengers. Spend money wisely and promoted **Tamuda Bay** might be dangerous.

At the bottom bye bye **Coco Cabana** for sure, and surprisingly I think just pipped **Belfast Bay** might in trouble as well.

Two teams stand out in the second division. Promoted **Stratford City** will sail right through I believe while **Cook Rangers**, who missed promotion on goal difference ought to make it this time. Rest are playing for third spot and will be close I believe Relegation fodder, well relegated **KVH Foxes** look dire. Their old team looks even worse than last time, but if dear old Torleiv will spend that massive warchest - at last - instead of trying to win 'the most money in KA award', his team could be

be transformed entirely - and his prospects. Promoted **Cudmon Rovers** don't look as if they have done much planning for this season and will struggle, while both **Owlerton Titans & Hoth Rangers** have it all to do though both do have cash to spend.

Looks like an immediate bounce back for **Conquistadores**, after their run of relegations. Jensie looking good. **Ramsgate Rovers** look as if they could join them with an immediate bounce back season. Watch out for **bakers Magic** as well, plenty of cash to splash around for sure.

Bottom dwellers. Well, **Rock Rovers** have it all to do but they are a young team looking to the future and the manager has amassed a comely warchest to spend. **Red Star, Grace Academy & San Desperados** also look as if they will be table-proppers. But who knows

THE GIORGIOS AWARDS

Manager of the year went to **Neil Humphries** again pipping the Bay at the very last.

Most Improved Team Award went to **Stratford City**, great season

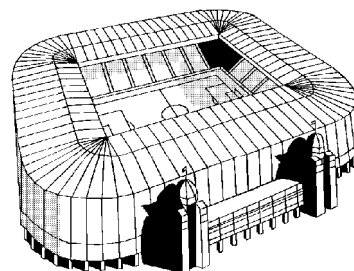

The Performance of the Year Award went to **Wamphyri Lords** after their great season

The Fair Play Award was shared between **Star Express & Newark Vale** zero DPPS to their name

The GMS Award went to **Belfast Bay** again, . deserved something to ease the trauma

GM BITS

A few pointers for the forthcoming season.

1) One thing that holds up processing is the need for me to have to advise managers that, 'their orders are not in!' I do this as a courtesy, but sometimes I open orders for a league on the day of processing. If so you will get a, 'get your orders in within the hour' message rather than by the following day. As I say it is a courtesy not our RIGHT to have this done, and to be honest you get plenty of time to get your orders in and why I should have to hold up the game for IN THE MOST PART the same people, is a factor in holding up the game for the majority

2) Missed orders. In years gone by if you didn't get your orders in then I selected your team, but you got no contracts negotiated and your SPS were turned to cash. Nowadays both of these things happen because the programs elects the team for you. However, the computer is not me, and I make no apologies if you think it was not a good selection. The computer unplayed teams program, does not care about who you are playing but cares about developing your side. Got an unequal GK then it will play him instead of your star GK. YOU HAVE BEEN WARNED!!

3) Be careful in early season, managers seem to forget the way to DISCOVER players and tend to end up getting apps discovered twice. This is your responsibility to get right and if you don't your duplicates will disappear and you will lose an APP in the process.

KA MUSINGS & MEANDERINGS

As there are a number of leagues that will be starting a new season in the next three or four months perhaps it is time to point out the cardinal sin that often happens with a new season. That is discovering an app in your first game of the season AS A SUB and then trying to play him in the subsequent matches (this refers to teampick teams by the way). In effect if you discover somebody as a sub he doesn't actually exist and you HAVE to discover him in the normal fashion the first time you play him. If you don't get this right you incur wrong formations and NL fees, which will NOT be refunded so get it right

INTERNATIONAL SCHEDULE

.Remember that you get MPS and cash for winning these games which go to your club sides, so it is very worthwhile concentrating on it. Remember that every team plays the other once and that away draws and wins gain you an extra point in the league table.

Winners receive a cash prize of 500K for their club side, runners-up receive 300K and beaten semi-finalists, 150K each.

THE MATCH SCHEDULE
