

NEW CHALLENGERS ON THE HORIZON?

In the mid-season review I predicted it would be **Auto FC** who would be the most likely challenger to **Lichfield Tigers** for the 1st Division title. Well, it looks like I am going to be wrong after dear old Brutus had a session to forget. In the first game of the week he drew against lowly **Hollywood Hawks** where KP is installing some pride back into the side. Brutus then suffered a deserved 1-0 loss to Disco Dave's dangerous **West Yorkshire** men. All of which resulted in an emergency shed meeting whilst also trying to avoid Petra and the Allotment inspection committee after alleged sightings of a naked albino ape moaning about the latest poor quality beers that had arrived courtesy of Beer 52.

Moving up into 2nd place after two 5-0 spankings of already relegated **River Plate** are **Lutterworth Town**. Is KP on the verge of bringing the good old days back to **Lutterworth** last seen when the bin raider Molloy was still in the hot seat? If he can keep his side banging in the goals then it's a definite possibility. Another side on the rise are **West Yorkshire** who added to their victory over Brutus with a narrow 1-0 defeat of **Royale** to lift Dave's side up into 3rd place.

Lichfield picked up four points this week with Lawton being relieved not to be on the receiving end of more injuries. Just seven games to play now, will the five point lead be enough to see **Lichfield** pick up some trophy ware?

GAME ON FOR DIVISION 2 TITLE

What a battle we have for the Division 2 title as managers Hails, Read and Humphries sides are separated by just one point going into the final months of the season. Two points dropped for Dave Hails this week after his **Gt Britain Utd** side were held to an away draw at **Barneys**. **Barneys** boss Harry Wells was delighted with the draw as his side were missing defensive midfielder Boeckman for this one through injury yet they restricted the league leaders to just a couple of long distance shots so got a deserved share of the spoils. Better news in the second game for **Gt Britain** when they got the better of Seamy's **Aero Force** strugglers in a crazy game of football. **Aero Force** were 2-0 up after 3 minutes but couldn't maintain their momentum and faded in the 2nd half to end up

on the wrong end of a 6-4 thriller. **Gt Britain** dropping points allowed **PSV Wycombe** to move level on points with them after making the most of **Aberystwyth's** disciplinary problems to ease to a comfortable 4-0 victory at home. In mid-week they performed a smash and grab in their derby game against **Kelchester** in a 2-0 win which also saw Reads pick up an injury after a shocking tackle from Yashin which saw the offender sent for an early bath after only 8 minutes. **Sanny's** also gained ground with an expected six points from their two games against sides in the lower half of the table. Zulu Shaka picked up a brace in the 4-1 win over **Saturnalia** before Bruges and Packard both scored braces in the 5-0 spanking of **Red Star Moscow**. All three sides are all but guaranteed promotion but which manager will hold their nerve the best to sneak the title?

THE REDS MAKING THE HEART FLUTTER

Fingers has enjoyed an excellent league campaign with **Hearts Brigade** scoring goals a-plenty and having dropped only two points all season before this week's fixtures. They faced an away trip **Loftus** on Saturday who are the Divisions draw specialists with a remarkable 9 draws from the 13 games played. Perhaps draws are our resident artists muse this season? Unsurprisingly the game played out into yet another draw with Fingers none too pleased with the result. His side did bounce back in the second game though with a 2-0 home win over strugglers **Norwegian Kings**. Those dropped points could prove pivotal by seasons end as Colly homes in on his prey after two victories this week to close the gap at the top to just one point. Two derby victories for **Clifton Reds** against **Pie Town** with both the home and away game ending in the same 2-0 scoreline. Plenty of SPS for Colly to coach his players but it does come at a cost. Rashford is now suspended for all but the last week or so of the season and Kwadlovungu also picked up a short term injury. Colly's certainly riding the crest of a wave at the moment in terms of form, can he keep it going and snatch the title from Fingers admittedly worn little mitts despite the setbacks?

GERMANIA GEAR UP FOR PROMOTION PARTY

It's happening folks! The long, long rebuild down at **Germania** by Steve Greenhalgh looks to finally be paying off as he gears his side up for promotion. I will gloss over the drab 0-0 draw against **Dantooine** and instead focus on the excellent 4-0 away win at **Motor Town**. Dominant all over the pitch it was the

experienced midfielder **Leeb** who set his side on course for victory after just three minutes. He timed his run to perfection to connect with Kent's low cross to side foot the ball into the bottom right hand corner from 25 yards. It was then down to the forwards to shine with Van der Volk heading home just past the half hour mark before Kent and Petrescu but the gloss on a comfortable victory in the second half. Five points clear of 4th placed **Chigley** will surely be enough to see **Germania** promoted and with consultant Pete Brooks on board plus plenty of cash still in the Bank I think it could be another promotion party next season too.

Honourable mention to Crandad down at **AC Coke** this week. It's been a rough old season for his side which just hadn't delivered in front of goal. It was another frustrating couple of games on that front but a fine rearguard action saw the running man earn two excellent draws against sides in the top three. A point from the 0-0 away draw at 3rd placed **Spring Town** was followed up with an even better 0-0 draw against derby rivals and runaway leaders **AFC Europa**. With an exciting midfield talent joining the club this week could this point to better times ahead?

BOWLING ALONG

REPLAY HIGHLIGHTS (IF ANY)

Despair for Phill Stocks at **Inter Dene** as his side crash out of the Bowl at the expense of struggling Division 4 outfit **Mitcham Metro's**. Twice Stocksy's boys battled back from going a goal down with Pulisic and then Krychek levelling the game but they couldn't find the winner in normal or extra time. Phill didn't dare look during the penalty shoot-out as the **Metro's** keeper saved spot-kicks from both Lewandowski and Vertonghen to win the game for his side.

LEAGUE CUP SEMI-FINALS

STALEMATE

THISTLE ROVERS 0 VS 0 DEANE RANGERS

Managers Sleepy Tommo and Brooksy know the League Cup is their best chance of silverware this season so it was a bit of a surprise that only the **Thistle** players were riled up and motivated for this one. Despite some feisty tackles from Tommo's boys, especially in the opening half an hour, the referee was in a lenient mood and let the play flow as best he could. It didn't help make the game more exciting though as both sides cancelled each other out with similar formations. Just the one shot throughout the 90 minutes and that was nothing more than a speculative shot from **Rangers** captain Stopski which resulted in a routine save from Viserai. This one looks like it's heading for penalties in the replay.

KEBABISH DROPS A CLANGER

PSV WYCOMBE 1 VS 0 WEST YARKSHIRE

In the post-match interview **Wycombe** boss Ian Read was quick to quote the phrase "I'd rather be lucky than good" and he certainly was after seeing his side progress through to the League Cup final. You've got to feel some sympathy for his opponent in the other dug out as Disco Dave got everything right - his formation was spot on, the marking instructions worked, the ball winners in his side stopped promising **Wycombe** attacks in their tracks, they were dominant for key periods of the game and created all bar one of the shots on target. Unfortunately for Dave his side lost the match on 64 minutes when McCreadie got a yard on his marker Quizcrans Hoopla for the only time in the game and hit a shot from 20 yards straight at keeper Kebabish. It looked a routine save for the usually reliable shot stopper but as he bent to pick the ball up it somehow slipped between his hands and rolled agonisingly into the net. A late siege on the **Wycombe** goal came to nought and it's Readie who is left to celebrate a trip to Wembley.

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

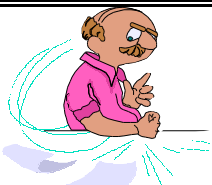

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

MARKING

th

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

PLEASE NOTE THAT UNLESS YOU
SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR
TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS
ARE ONLY SENT TO TEAMPICK/

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to remember this time. Which is oft times not realised by managers. If you set a DF/A to mark a WG then he will follow him all over the pitch whether he plays in MF or FW line and mark him. WG cannot hide from a DF/A marking him

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FORTHCOMING KA WEEKENDS

Glasgow 2024

This will be held at 140 Renfrew Street G3 6RF

This is being held May 16-19th.

Again a few will stay and host it in an Airbnb while others can plan their own accommodation nearby. Craig always lines up great evenings with curry (Haggis Pakora's all round) and other foods whilst we frequent a few bars in the evenings - you are welcome to take it or leave it - food and beers are not compulsory. It looks like being a well-attended event here with 16 already giving an early nod including , Jens. Geraldo , Chrispy Bally, Wadders, Gareth ,Bo, Morten, & Fingers

First men definitely in are Craigins, Neil Humpy, Rob Lewis, Seamus, Cranners & Adie

Galway 2024

This one will take place Oct 10-13th. Again this is held in Seamus's fantastic Seafront Seafood Bar & Restaurant with Bed and Breakfast for those that stay and local hotels nearby for others. Grab as much sightseeing as you can (Galway not far), however the food here is superb (Chowder, **on hold** menu), so are the staff and you really don't need to leave the place if you don't want to. Despite it being a year away, we've nearly got close to a dozen coming along already.

Geraldo, Jens, Morten, Craigins, Timmy Dodge, Cranners, Colly, Gareth, Rob Lewis, Steadders, Danny B, Baddad, & Fingers say they are coming

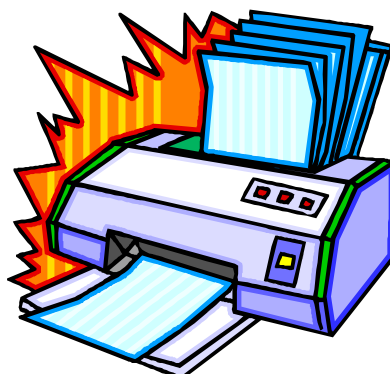

First men in are Seamus & Dennis

Spring 2025 Back To Norwich

Autumn 2025 perhaps a London one could be arranged

Those playing Kickabout now have done so for a long time, so it would be really nice to see new faces coming along

2026 who knows, **ANY OFFERS?**

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

S8 - A v D / F v B / C v E

S10 - PLAY-OFFS ALL TWELVE TEAMS

S12 - FINAL GAMES ALL TWLEVE TEAMS

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that **CAN** occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

So the hardy few went to Norwich to have fun leaving the Johnny-no-mates crowd sheltering in their caves and playing with themselves

Norwich 2023

By KA social secretary Cranners

So the Kickabout Weekend returned to Norwich in October 23. I've lost count of how many weekends have been held here now, but they are always great fun in a very nice City with loads to do. This time it was held in a 4-bed Airbnb, West of the Centre, with me (Cranners), Seamus (Phat Phoot), BadDad Barrett and the returning Waddinghamham being the permanent residents at the house. An Airbnb always provides a much more relaxed environment where we can all talk KA until we are blue in the face and not receive strange looks from others!! Chris ran it from the dining room and Wadders was either permanently at his corner bar area in the kitchen or face up to the large TV checking on how many goals he was conceding! Friday night we were joined by Jens and Gerard and then onto curry at The Spice Lounge was tea, after a few beers in a bar I cannot remember the name of. Food was superb, Gerard generous to a fault. After Fridays KA, where others joined virtually (KP, Fingers, Colly & Dag etc) and Matron, Tommo and Chris Moore had arrived, it was off to an Italian, again a superb evening with beers pre and post food. Mr Pickup (aka Los Pollos) rolled in for Saturday morning events before the evening took us back to the old Coach and Horses where we have basically lived at previous weekends, for pub grub and rugby. Another fantastic weekend of laughs with like-minded people.

LONDON BEER MILE - SATURDAY 6th JULY

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouters. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Bernie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth, Nursey Lewis, Steadders to name just a few as a starter.

We also here that Neil H & Collywobble are planning to descend on London for a binge! While Rob The Scottie has promised to show his face (What about you Mr Butler!?!)

MANAGERS NEEDED

QUICK LEAGUE

Or you could plump for **Lady Park** in the **Messi** fast turnaround league. Mid-table third division. Same offer as for Gobaith my friends.

SPEEDY TURNAROUND LEAGUE

Or you could join the happy throng playing in the **PREMIER** league. Take control, of the mighty **Sunderland**. Totally ruined playing wise by the heavy-handed Trotskyist that was the Councillor. Now being looked after by Fingers, so heavily in debt. A real challenge for the masochists out there but have something to work with.

By the way, of all the postal leagues the Premier is the fastest turnaround so something to work with on a speedier basis

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 /**
UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

· so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K
