

CATTON OLD BOTTLERS

Spring is in the air, flowers are in bloom, birds are tweeting and Catton Old Boys are bottling it for the second season in a row. In the space of one fateful session, they have seen their five point lead vanish into thin air. And who is responsible for poor Steve Thompson's misery? Only his fellow Norwich tractor lover, Chris Moore and his FC Trentside team. Moore is perhaps better known these days for incurring the wrath of Cranners at KA weekends, for leaving the milk out of the fridge but no one thought he would do the dirty on Thommo as well! A 0-0 draw at Trentside is not necessarily the worst result for a title chasing team but the 1-0 home defeat the following week was little short of a disaster. Is that Craig Lawton I can hear chuckling again in the distance! Down at the bottom, things are looking grim for the bottom three. Romsey are well and truly stuffed and new boss Kev Presland will be concentrating on getting them in some sort of order for next season in division 2, after heavy defeats to Brutal Maniacs and Bilbao Rocks. Sprowston did actually pick up only their second win of the season with a 2-0 victory over fellow strugglers MM Marauders and are the best side in the bottom 3 but you have to fear they have left it too late to make up that 8 point gap to Newark Harriers. MM Marauders also got thrashed 5-0 at home to Bristol Rovers to make it a thoroughly miserable session for them and I'm pretty sure Martin Meienberg already has one eye firmly on next season now. The end is nigh for all these three sides by the looks of it.

QUANTUM MARCH ON

No one expected Quantam Mechs to be in the promotion shake up at the start of the season but here we are with 7 games to go and they sit proudly at the top of the division, with a 7 point cushion to fourth placed Scandinavia. This week's double header with Heigham Town yielded the expected 6 points with minimal fuss and promotion is theirs to lose now. Looking at their remaining fixtures, they still have to play a few of their promotion rivals but they have enough winnable games to see them over the line from here. Well done Mr Sutton. Limetrees Park slip to second spot but they didn't have a bad week really, with two goalless draws against promotion rivals Buckley Town and Greymouth Town. This promotion has been many seasons in the making for big dog Cranners and I can't see them messing it up from here. It will be good to see them back with the elite, where they belong (unlike QPR). Scandinavia will be kicking themselves after a 1-0 home defeat to mid table dwellers Perfect FC. Seamus's boys had all the possession here but got undone by a bit of creative magic by winger Limpar. This leaves

them 4 points outside the promotion places and with much work to do. Serves him right for selling Pdraicins and spoiling all our fun! A special mention must go to Harry Wells and his Villa Rangers side, who claimed 6 points this week. It hasn't been the most spectacular season for Villa so far and they have been flirting with the relegation spots for a while. Wins against Reale Hastings and Hayling Rangers have surely put all thoughts of the drop behind them now and they can start looking upwards at a possible top half finish and a strong finish to the season.

IT'S THE HOPE THAT KILLS YOU

There was a double header for the bottom two this session as struggling Addington Palace and FC Hope faced off, both desperately searching for only their second wins of the season. Well they both got that second win, with each side beating the other 2-0 at home. I'm not sure that this has done much for the survival hopes of either side but at least they are both still in with a fighting chance of saving themselves. The team they need to catch is Van Boro, now under the guidance of some chap called Lawton. Boro were

KICKABOUT NEWS

never likely to get anything against a rampant Newark Athletic team but they did manage a valuable point at home to Farndon, in a fiercely contested derby. Paul Stevens was furious with the serious looking injury to his best player Allende and could be seen shaking his walking stick at Craig after the game, before toppling over in comedy fashion. Fingers did cheer up a bit when Farndon got a rare away win at Roebuck FC the following week to put themselves well clear of danger now. The big clash at the top of the table was between Estarcion and Ulysses Angels and a goalless draw left an opportunity for The Red Devils to cement themselves in that third promotion spot. However, a trip to Athletico Didi is a tricky task these days and Kev Presland's boys couldn't find a way to break down Duncan Wells' solid defence and 0-0 was the final score. This leaves the Devils vulnerable with Ulysses Angels still having a game in hand against Van Boro, which they must be heavy favourites to win. It might all be decided when the Devils and the Angels meet in session 15, that is certainly one to look forward to for the neutral!

DRAWS GALORE

Well, with five goalless draws out of six in the first week of fixtures, it was left to Rob Lewis of all people to provide the only entertainment. Now poor old Rob hasn't been too well lately, what with his dicky ticker and we all send our best wishes to probably the nicest man in Kickabout as he continues his recuperation. Not that there is much competition for that award when you think of some of his fellow managers! Anyway, The Wee Rovers gave AC Carfin a good old fashioned seeing to, a comprehensive 4-1 victory rounded off with a lovely solo goal from the very handsome Baddadio. Rovers are now up to the heady heights of 7th and the fans are loving it, no safety first Woy Hodgson football from Lewis's boys. In the second round of fixtures, there was a good win for Hawk Fields over a Shoreham United side who don't seem to know where the goal is. Paul Butler had his men well motivated for this one and a 4 man strike force saw the big man cast off his usual David Moyes defensive tactics and the fans lapped

up this attacking show as they comfortably won 2-0 to move just a point behind their beaten opponents. Will they be brave enough to continue in this attacking vein next session? We will see. Gutter Press also picked up 3 points with a straight forward 2-0 win over bottom side West Cross. Dave Hargraves went with a defensive SW-4-3-2 formation for this one but it did the job as West Cross failed to muster any sort of shot on target during the 90 minutes. This sees Gutter Press in the third promotion spot and closing in on 2nd placed AC Carfin, who had a dreadful session, including a defeat to unmanaged strugglers Gorgon City. Speaking of Gorgon City, this would be an ideal challenge team for someone, 4 stars, quite a few teenage level 12's including a 17-12 sweeper, a high level specialist plus some money to spend. What are you waiting for?

UP FOR THE CUP

REPLAY HIGHLIGHTS

Westminster United fans were out for blood in this replay after the dreadful season ending injury to sweeper Gunnlaugsson in last weeks encounter at Greymouth Town. Gareth piled on the aggression and motivation and with the home crowd behind them, the Westminster boys never gave an inch. Chances were at an absolute premium and it was from pretty much their only opportunity in extra time, that Nasser's header sealed a cup semi final against Ulysses Angels. Greymouth will point to the absence of injured Byrne as the main reason they lost and they can consider themselves a little unlucky over the two games perhaps.

BOWLING ALONG

REPLAY HIGHLIGHTS

It was Quantam Mech's creative talents against the ball winners of Trentside in this replay, with Moore's men still clear favourites to progress before kick off. I don't quite know how Mr Sutton is doing it but he inspired his lads to yet another fantastic win, La Pierre with a fine volley in the 10th minute of extra time getting the winner. Paul got his tactics spot on in this one, nullyfying the opposition, knowing his boys would likely get a

chance at some point and so it proved, fair play. In the other replay, Telford just edged past fellow 4th division side Shoreham United 2-1. Telford managed twice as many shots as Shoreham and always looked the likelier to score. Shoreham did manage to pull it back to 1-1 but Telford had too much for their struggling opponents on the day and deservedly went through.

LEAGUE CUP SEMI-FINALS

STALEMATE

Catton Old Boys 0-0 Steelcity Hawks

These two Wellington behemoths locked horns in this semi final and failed to muster a single shot on target between them. Expect more of the same in the replay, we could well be heading for a penalty shoot out unless perhaps someone like Carlos Stifez can conjure up a moment of magic. Too close to call.

RIO ROCKED

Rio FC 0-2 Bilbao Rocks

Most pundits had this as a 50/50 game in the build up but that did not prove the case as Bilbao Rocks had far greater firepower both in midfield and attack on the day. Rio just couldn't create anything of note and once Pai put the Rocks ahead on 18 minutes, Hails' boys never looked in any trouble. Van der Valk finished the tie off with 13 minutes to go and it is Bilbao who deservedly make the final. They might well be underdogs, whoever they end up facing but don't write them off _ they have enough talent to cause anyone a lot of problems and I reckon they could cause a real shock at Wembley.

AUCTION HIGHLIGHTS

No doubting the big news in the auction this week was the purchase of injured all purpose midfielder NIMNI for a decent price of 4777k by Telford United manager Dave Hails. This is the next piece in Dave's masterplan and they are definitely a team to look out for in the next couple of seasons. Gutter Press add GAZA to their striking options for a whopping 2112k. Apparently there is no truth in the rumour that Dave Hargraves thought he was actually signing Gazza! Lots of youngsters on the move in private deals but nothing to get the pulses racing.

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

t

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

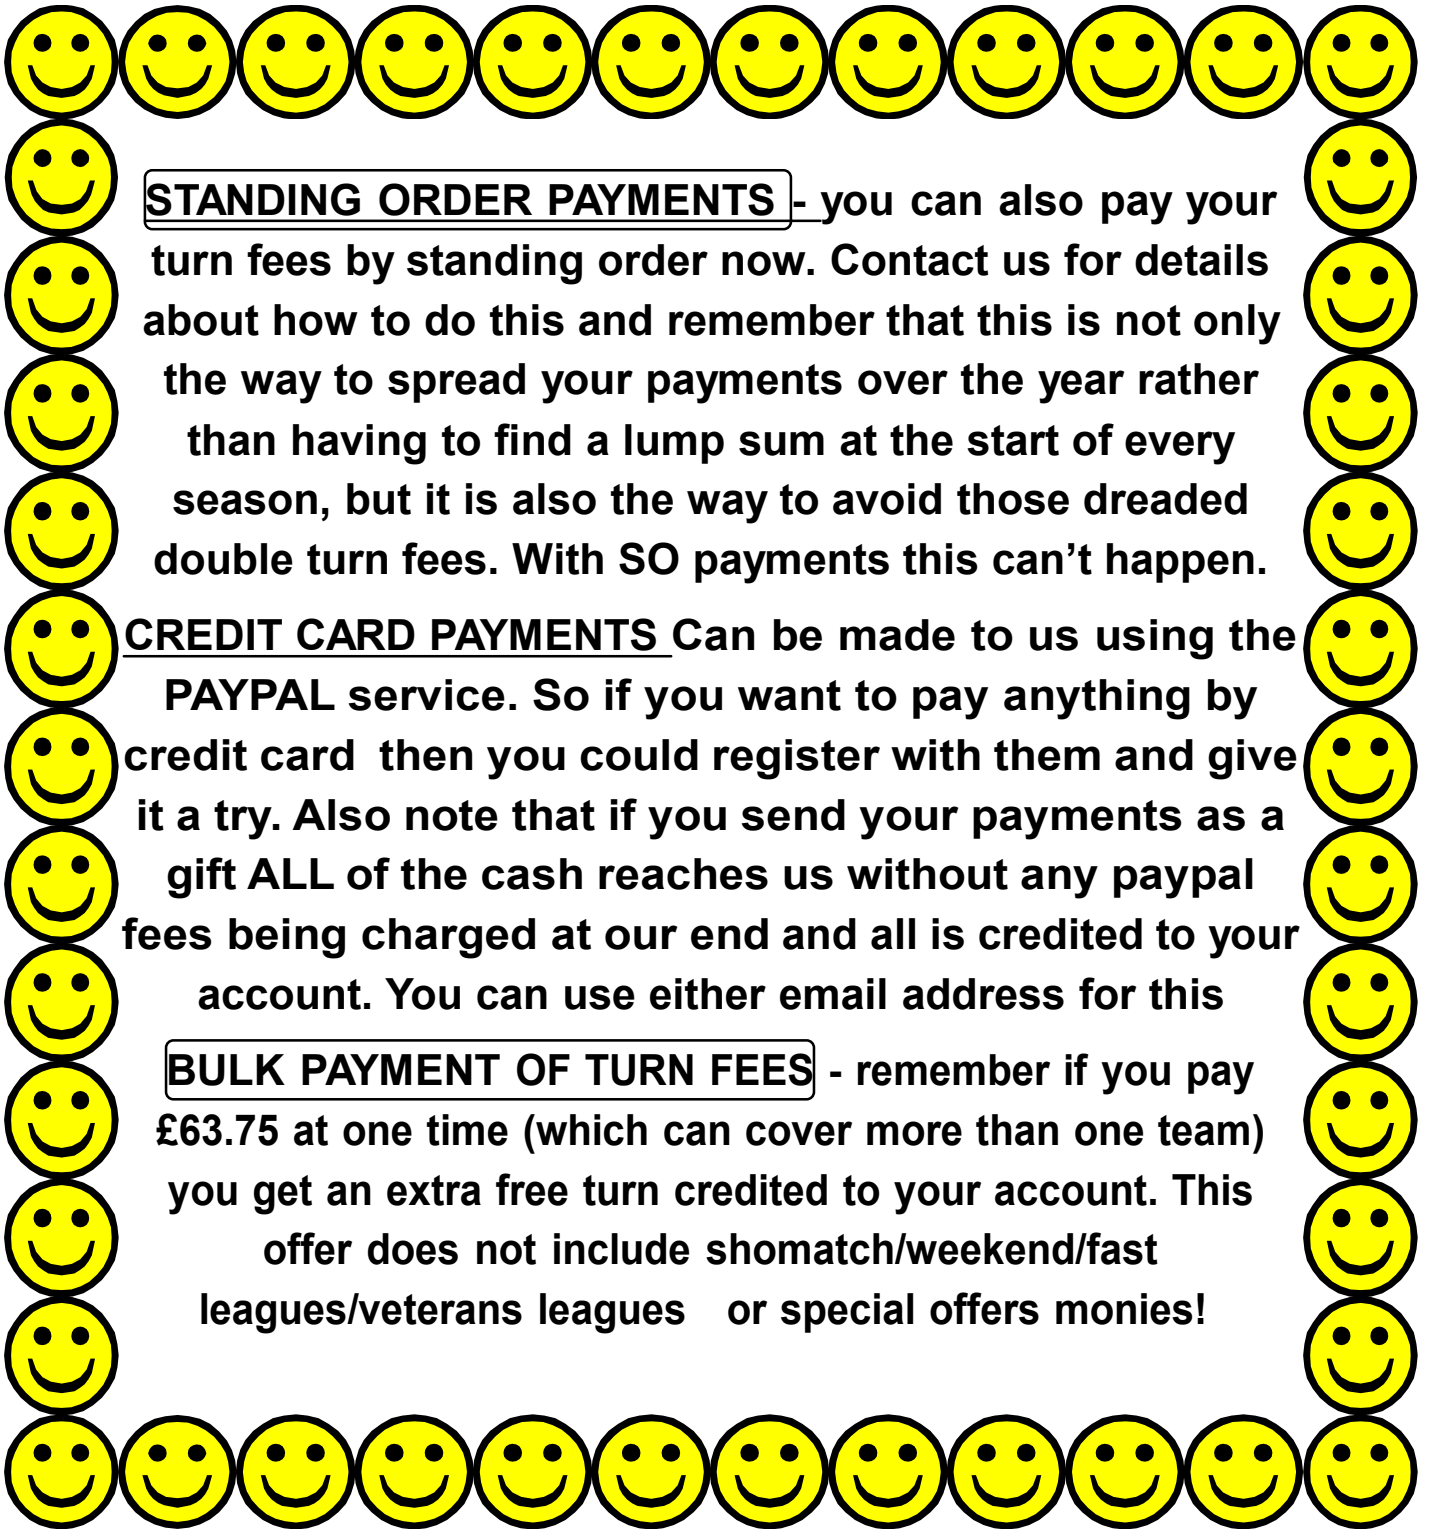

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to remember this time. Which is oft times not realised by managers. If you set a DF/A to mark a WG then he will follow him all over the pitch whether he plays in MF or FW line and mark him. WG cannot hide form a DF/A marking him

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S8 - A v D / F v B / C v E

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/54 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

MORE FROM THE SOCIAL SECRETARY WITH HELP FROM SUPER SHEDMAN LONDON BEER MILE - SATURDAY 6th JULY

Boys, we have arranged that Saturday July 6th will be a London Beermile Day for Kickabouters. We will traverse the 'famous' London Beermile (not far London Bridge station). Put it in your diaries for an afternoon of ales, food and chat. We would love to see old and new faces. Ex players Ian Jackson (aka Mick Hucknall) and Nigel Barnish (Trespint Bernie) are already confirmed as coming along and there are one or two more ex-players in the pipeline (watch this space); along with the current crop of Chris, Wadders, Baddad, Cranners, Gareth, Nursey Lewis, Steadders to name just a few as a starter.

We also here that Neil H & Collywobble are planning to descend on London for a binge! While Rob The Scottie has promised to show his face (What about you Mr Butler!?!)

MANAGERS NEEDED

WHAT AN OFFER

Over the next three months we will be offering some unmanaged teams for you to take over and run. We expect you to keep running them at least until the end of the season and to pay for them, but here's the honeypot to make it tasty. When you take over a team you will get a ticket in a draw for a lifetime membership for one of your teams (your choice) if you are the lucky winner.

Draw will be made at the beginning of July

So time to get in there and takeover a new team

FIRST TEAMS UP FOR GRABS

QUICK LEAGUE

You could plump for Lady Park in the Messi fast turnaround league. Mid-table third division.

TOUGH LEAGUE

Or get a big kiss from John by taking on rock bottom **Desert Isle Utd** in the Veterans, just started a new season here. A real big challenge

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2** /

UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -

CREATIVE/ BALL-WINNER

HOW DOES IT WORK?

SO WHAT DO THE NUMBERS MEAN?

The new statistics are aimed at a simple game mechanic - they are used to give a side additional chances of scoring during a game or they are used to nullify efforts created by the opposition; it doesn't take a genius to work out which does which.

The individual statistics of each player are only the "base value" for each formulae that uses them. The figures shown are modified by any number of different conditions before they are given a final rating, which is used to determine if he directly effects the match in any way. The kind of players he is playing with, the number of players in his part of the pitch, the weather and the team's formation are all mitigating factors in how this base value is modified.

Ball Winners are players that thrive in the heat of battle, that love to mix it with the opposition and find their talents easier to use when in packed areas of the pitch. They are primarily defensive players and tend to have more effect if the overall stance of the side is weighted in that direction. For each element of this make up that goes their way, they receive a bonus on their ball-winning ability, along with a subsequent penalty to their creative skill. So, if the Batty of our example starts the game with figures of 75/25 then he will be completely happy playing in a full Power side, with a 4-4-2 formation that uses a negative style. If the weather is cold and the pitch muddy then he has about everything he can get in his favour. The only way of bettering this if for him to be playing in a five-man midfield, but then you lose the negative advantage and his figures won't look all that much better. Each one of the factors in his advantage will add a certain percentage to his abilities and in the example shown it would not be a surprise to see Batty's eventual stats change from 75/25 through to perhaps 105/10 or so.

Creative players like the opposite end of the scale, as you can imagine, and they like warm days with a good surface to play one, they like space to play in and a style that allows them to attack the opposing goalmouth. It doesn't take too much to work out what sort of formations and playing positions will get the best from them.

It may well become apparently that there are more opportunities in the game for ball winners than there are for creative players - this is a fact.

The balance to this is that when a BW or CR affect kicks in, it only kicks in at the position the player is located. A BW gain by a player in midfield will kill off a shot from the opposing midfield area for example, while a striker picking up a creative chance will do so from his forward position. The creative chances always result in an additional chance where as ball-winners need to have something to stop if they are to be effective. If a side adds an extra four Ball-winner stops to their midfield and the opposition isn't creating anything in that area, then these efforts are wasted. Thus, while there are many more ways of aiding your ball-winning players, their abilities are not always as valuable as the creative players
