NEWTON KICKABOUT Season 21 4

LEAGUE CUP FINAL

BOLLOCKS!

PSV LOFTUS 0 - 2 BURNHAM DOWN

Loftus manager Cranfield suffered his 4th League Cup final loss against Burnham Down and immediately pledged not to return to Wembley for the foreseeable future. 'I've had enough, enough of that fake Kiwi geezer swanning around this great stadium like he owns the place'; rumours are the stadium may be renamed Mansell Towers given how much time he spends there and rightly so. 10 of these trophies sit in the cabinet now, all gained within 12 seasons and there was no let up here. Loftus zonalled them as best they could but with KAGAWA also looking after JUNGSTA, Burnham had the edge; albeit the goals arrived late with the PSV GK/SW combo holding them at bay for most of the game. PUICA got the opener with 20 minutes to go and JENSEN; his 51st goal of the season wrapping it up. Congrats to Warwick.

BREATHING SPACE FOR STEADDERS

A great point for ex cabbie Steadders and **FC Amazonas** this week hosting **Wandsworth Town** as they held the Brutus hairy bunch 0 - 0 and increase their lead over **Bispham** to 2 points. In the match there was zonal marking, good man marking, bad man marking and whilst this did not make a difference to either side really, it was the home side that were surprisingly the better team and looked more dangerous throughout. QUIZCRANS had an early chance which hit the post (lack of Pie and Mash I heard) and BRAINS, a clever keeper that one, pulled off a world class save from KEBBI; it could have been 2 - 0 within 10 minutes but there was no breakthrough goal and whilst the little man will be a bit disappointed not to get all three points, it wasn't a bad week overall with Bispham getting thrashed at Burnham. Next session it's Bispham vs Amazonas; bigger than the Cup final that one, bigger than Pads Sarnie, biggest than Cranners biggest weekend win ever (well not quite!).

Blackpool keep motoring up the table and were worthy 2 - 1 derby winners over **Berry Brow**. The little Irish fcuker, with a new hair style this week, aptly named 'BigBushyHead' was all over Condon like a rash and well happy with the result. Not only that but his new bedroom buddy Dennis the absolute menace agreed to share the bottom bunk with him when they get super spooning cosy in Galway! Can you imagine the offspring? A bushy headed golfer that wears jumpers all year and swears a lot! They nearly threw this game away though, ahead early on through DANNEMUND, it was a shock when CALAKO headed the visitors level, but it didn't last long, thankfully for old BigBushyHead MANILLA got them back on track a couple of minutes later and that was that.

DUMPSTER TAMES BADDAD

Two promotion hopefuls, two pubmeeteers, two dodgy geezer's met here with visiting manager Dumpster springing a surprise on his JD & Coke drinking pal with 10 motivation points and dominating the game. BadDads **Boleyn Boys** look a lot less threatening than they did when they were pulling up trees through Div 4 and Div 3 and they will need to add something next season to avoid

struggles I feel. Dumpster says he's gonna hang around in Div 2 for a while with **Red Castle** but if they go up and WONG rejuvenates, they can have a strong season in the top flight; of course most of the groundwork for this good side was done by Cranners if you didn't know! As for the game itself Castle's PD was the worst tactic of the day, without that he would have walked it, and they twice had to come from behind to get a point here when they were all over Boleyn. Should have spiked his half a lager Neil..!

Elsewhere, the most entertaining game came at **Manchester** where the Devils won a derby against promotion chasing **Galway Girls** 4 - 2 and put a dent into Seamus's promotion aspirations. Never mind, order another cocktail my friend and add some more factor 50 to that shiny Pollensa face of yours, that'll cheer you up! Plenty of 1st half action here, 5 goals, and a further one from TORTELLINI on 70 minutes sealed it. The win keeps the Devils out of the bottom three, but only just, whilst Seamy has got work to do - yes you caaan't holiday all year, although if Dumpster is planning on throwing it he might be ok.

Down at the bottom its tighter than a shark's arse and after my comments last time assuming **Wanderers** and **Vegan** would go, they both went and won their games so it's all back up in the air. Anyone from six can go now, with **Vino Villa** pulled back into the mire after a 2 - 0 home defeat against **Vegan City**. I won't have my usual pop at Leather Clad Scottie here though, they outplayed Vegan, should have won comfortably, but caught twice in 2 minutes to leave them stunned. Interesting times here!

THEY THINK ITS ALL OVER

With four unmanaged sides in the division now, the bottom three; who are all currently unmanaged, look odds on to go down, so it's all about the promotion race now, with unmanaged **Sirmione** the only likely challengers to **Dutch Courage's** attempt to go up. The division looks all but done barring any miracles with just the title to be decided. Dutch Courage got the result they didn't want though as **Two Rivers** visited, stole three points and went on their merry way. Craig got his tactics right but its just one of those days in the office; we all have them (particularly Cranners in the Hope League eh!). Still, there is a healthy cushion for them of four points and I expect them to see it through, albeit with some tough games still to come.

Leaders **Huddersfield** and **Brighton** both got their expected results at **Ferencvaros** and **Midlands Heath** respectively; so it's still just one point between the two of them as the race draws to a close, but they have some interesting games left, perhaps Huddersfield with the slightly tougher run in and a visit of **Dutch** next week.

Outside of the promotion race two sides picked up good wins, **Hathershaw** and **Lowfields**. Both settled comfortably mid-table and building for next season.

WHO WANTS IT?

I wish I could start this division with a headline of someone making a push for that final promotion spot, but it seems they are all falling over themselves to make a mess of things as **Womble Town**, **Blackberry Rovers** and **Belle Vue** all fail to win. Even leaders **Sporting Porto** failed to win, drawing

at **Glenfabba** no less, so there was only one winner this week and it was Johhny Cash, sorry Wadders, as **RYL Arsenal** picked up a 3 - 1 win at **Alderaan** to all but guarantee Div 3 football next season. In a short period before and after half time, with the manager serving Moretti's instead of tea, they raced into a 3 - 0 lead and ended the game as a contest. Only a silly own goal from BONAVENTURA spoilt the day late on but a win is a win.

Womble Town were held by **Ferguslie Park**, which they should have lost at least 5 - 0 given the chances (Hails masterplan of failure all going to plan), **Blackberry Rovers** were goalless against **LA Crimewave**, struggling to get much on target, whilst **Belle Vue** lost at **NJF Athletic**. Zonal marking at home to the bottom club not exactly what the fans wanted, and manager Barnsley was immediately called into the Chairmans office to explain what the hell was going on!

BOWLING ALONG

Semi-Final Replays

Newark FC got the only goal of their replay against Zeldatree, in the 101st minute after a turgid affair devoid of entertainment. Two diamond formations cancelling each other out and with Zeldatree sitting deep it was left to KP to probe for openings throughout. Not the best advert for Cup football but the fans of Newark won't care a jot as they head to Wembley to face Boleyn Boys.

TROPHY TRAILS

3rd round highlights

Huddersfield knock out **Brighton Expo** but it's a nail-biting penalty shootout with TURKU MERXC missing the penalty that cost them the tie. The game itself was finely balanced and limited chances were created. ******* **Manchester Devils** beat **Sporting Porto** 1 - 0 and they can say they are bloody lucky to do so. Sporting's PD tactic was totally the wrong choice and it cost them dear as they should have won this at a canter. ******* **Wanderers** and **Newport Pagnell** finishes even at 1 - 1 after extra time; McAuleys side really should have won it in 90 minutes, but chances went begging. Fortunately for them they win the shootout 4 - 2 with keeper LOISS making a couple of fine saves. ******* **Zeldatree** confirm their semi final spot seeing off **Hathershaw** 1 - 0 in a closely contested affair, thanks to a CHUN LEE strike just before half time.

TROPHY Semi-final draw (Neutral Ground Folks!)

Zeldatree v **Newport Pagnell**

Manchester Devils v **Huddersfield**

With Brighton out of the competition anyone can now win it; perhaps Huddersfield are slight favourites but if Fingers can replicate the jammyness he showed in his quarter final you never know!

(To be played on Session Fourteen (extra time and penalties to decide)

GOLDEN BOOT

With 51 already JIGILO JENSEN has got this wrapped up already and 4th division ROBERTO of Sporting Porto looks uncatchable. Div 2 and 3 are still open although FJORD has a little cushion for LANCS so is a big favourite there.

MEANEST DEFENCES

Well **Burnham** have competition this season as **Wandsworth** have only conceded 2 also so that will be close. Div 2 looks like it might be heading to **Zeldatree**, they are a real tight bunch at the back that lot. **Huddersfield** head Div 3 although **Brighton** are not far behind and in Div 4 a couple of the lower sides, **Real Scorb** and **Glenfabba** are still giving leaders **Sporting Porto** a run for their money.

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

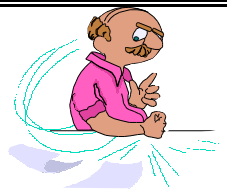

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather then being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be

The transfer deadline comes into operation at the end of Session thirteen

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of th e game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can'rt work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MUTTERINGS AND MEANDERINGS OF THE KA MIND

I have to repeat this now and again, why? It is the managers responsibility to get his orders in by the stated deadline. I try to send out reminders for those who haven't done this, if I have the time. But sometimes I don't . It should be easy enough to keep a record of deadlines or consult the Despatch Schedule. Rather than blaming me, which does not compute

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FORTHCOMING KA WEEKENDS

After an amazingly fun and successful weekend in Glasgow minds have turned to the future. Unfortunately, the dastardly Seamus has pulled the rug out form under us by selling his place for millions of filthy lucre so we won't be able to sue the amazing Padraiscins again. Boo Boo!!

However a hardy few would still like to go to Galway and use the same system we have successfully used in both Norwich & Glasgow of late. I.E. hiring a big house to sue as the venue for our gaming extravaganza

The following hardy souls (or should I say the ones who want to enjoy life with like-minded nerds have elected to go so far. Cranners(Paid), Seamus(Paid), Gareth(Paid) , Rob Lewis(Paid), Gerard, Craigins(Paid), Nigel the Smith(Paid), Jens baby, Dennis (Paid) , Colly(Paid), Tim Dodge (Paid), Steadders & Baddad (Paid)

AND PERHAPS EVEN BUTTERS (Doesn't seem so, Boo!!)

Galway 2024 10th-13th October

Spring 2025 Back To Norwich
Tommo McTomface, Geraldo, Jens & Seamus Are First Dogs In
dates 9th-11th of May

Craig is happy to plan another Glasgow weekend in October 2025
dates 9th-12th October

And Bo has offered to host us all at his place in Odense during the spring of 2026

Then looking for a new venue and will probably be the lovely city of Sheffield

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

Newton, the come back kings, former winners but in the doldrums since their last triumph, see off the **Shakespeare** to lift the trophy once again**.** Stars will abound for them no doubt. Congrats to Mr Cranfield, showing acumen with an unbeaten but close seaosn to pip current champs the **Ramsey.**

Down go the **Wellington,** slipped badly form second spot lasts season. A win in their final games was far, far too late to save them.

Mr Hails had already won division two and promotion for the **Raleigh** Four seasons since they were at the top of the pile. But at the bottom the **Churchill** go to the **Nelson** to get a goalless draw which keeps them up and sends down the Nelsoners.

Only needed a win for the **Jackson**, and they duly got it to leapfrog over the **Livingstone** and gain promotion

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -

The Shakespeare League

The Shakie is ncie league whcih ahsn't really got a supert team, so competiitve indeed. However, for soem reason it has been leaking players and now is in the position that it needs a fresh infusion of new blood. I have a fix for this and that is to inject some 36-1 clubs into divison four.

Suggestion is the nornal set up in terms of ground/ sps etc

But starting cash would be 1000K

ten random 36-1 players

one 19-12 outfield player (not gk or sw) (managers choice)

one unqual sby of 6.5 qual (random outfield)

one 18-2 FUT (manager chooses position)

No promotion or relegation at end of first season

Certain parts of each auction would be just for div 4 managers

First season free, second season £20

If interested let us know, sugegstions about th set-up warmly received
