Messi League - Session Six

Season 34

COLLY ON THE MARCH

ROUND-UP TIME

Havering drop points for first time this seaosn, surprisingly away to lowly **Defcon1.** Still they remain five points clear at the top and setting a cracking pace. nobody else seems able to keep up with them as all their nearest challengers had iffy sessions this time.

Good session for **Defcon** whose four points keep them in touch with the other strugglers. and they are only three points off sixth place now.

City Colts crash from the top again after another poor session. Down to fourth in the second they see **Dynamo Test** leap to the top. On the way back Robbo. Three points cover six teams at the top of the second and this battle has a long way to go.

Amongst the strugglers **Bermondsey** move up while the **Spuds** win at last Two points cover five teams here.

As I expected the third division is turning into a three horse race. **Dal Raida** overtake **The Greeks** to go top but the top trio are perhaps able to start planning for next season now.

The rest look unable to string much together and start a chasing

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather then being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

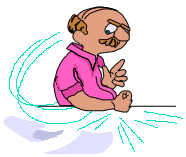

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+*subscribe*@*groups.io*. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

I have to repeat this now and again, why? It is the managers responsibility to get his orders in by the stated deadline. I try to send out reminders for those who haven't done this, if I have the time. But sometimes I don't . It should be easy enough to keep a record of deadlines or consult the Despatch Schedule. Rather than blaming me, which does not compute

FORTHCOMING KA WEEKENDS

After an amazingly fun and successful weekend in Glasgow minds have turned to the future. Unfortunately, the dastardly Seamus has pulled the rug out form under us by selling his place for millions of filthy lucre so we won't be able to sue the amazing Padraiscins again. Boo Boo!!

However a hardy few would still like to go to Galway and use the same system we have successfully used in both Norwich & Glasgow of late. I.E. hiring a big house to sue as the venue for our gaming extravaganza

The following hardy souls (or should I say the ones who want to enjoy life with like-minded nerds have elected to go so far. Cranners(Paid), Seamus(Paid), Gareth(Paid) , Rob Lewis(Paid), Gerard(Paid), Craigins(Paid), Nigel the Smith(Paid), Jens baby, Dennis (Paid) , Colly(Paid), Tim Dodge (Paid), Steadders(Paid) & Baddad (Paid)

Just one who can't be bothered to pay!!

Galway 2024 10th-13th October

Spring 2025 Back To Norwich

Tommo McTomface, Geraldo, Jens & Seamus Are First Dogs In
dates 9th-11th of May

Craig is happy to plan another Glasgow weekend in October 2025
dates 9th-12th October

And Bo has offered to host us all at his place in Odense during the spring of 2026

Looking for somewhere new after that and Sheffield is in the frame

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can'rt work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on our either of our email addresses.

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K

the shakespeare league

The Shakie is ncie league whcih ahsn't really got a supert team, so competiitve indeed. However, for soem reason it has been leaking players and now is in the position that it needs a fresh infusion of new blood. I have a fix for this and that is to inject some 36-1 clubs into divison four.

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
