Hope League - Session Eight

Season 13

ROUND-UP TIME

This is beginning to look very tasty at ther top. **Tusken & The Migs** fight out a 2-2 draw which allows the **Pirates** to edge closer and only kept off top by the Miggles superior goal difference. Is this going down to the proverbial wire. I think so.

Brutus continue their resurgence in both league and cup but so tight is it at the bottom that only two points cover six teams. Bottom pair might be down they way they are going so six fighting to avoid that one place.

Just as close in the second where everything seems to be well-balance . Take out the bottom two - Down babies down - and eight points are covering ten teams. Four teams at the top covered by one point. **Chernobyl** crash form first to fourth, really topsy turvy season for them so far. Defence looks on and off dodgy and needs looking into.

In the third a win for **The Force** over promotion rivasl **Andrassy** begins to put pressure on those below them. In form **Atletico** continue to move up and are now into third spot after beating **Henley** .

Seven goals for **Harrowby** as they thrash the **Beggars** more than doubles their seaosn total so far!!

The following are the minimum levels relating to each session for entering players into the rolling auction:-

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather then being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

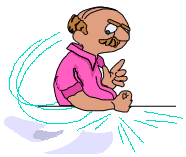

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+*subscribe*@*groups.io*. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

THE MUSINGS AND MEANDERINGS OF THE KA MIND

It has been said before but many seem to have forgotten this. The rulebook is incorrect. Weather effects. etc are added BEFORE any MF/G additions. Bear this in mind chappies

FORTHCOMING KA WEEKENDS

We have three KA weekends planned for the future, taking to players recently it seems they might be very full, this is especially so with the Glasgow on next year, so you really need to get your names down if you are planning to attend any of these, to avoid disappointment. You don't need to send cash at present just get your name on the list

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can'rt work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Payments can now be made via paypal on our either of our email addresses.

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66+K

COMPETITION TIME

We know that what you kickabout players like is a good competition, the chance to win something which doesn't involve skill (unlike in Kickabout). So as the nights get darker and longer we have decided TO REPEAT last year's xmas competition to brighten up your dull and dreary lives

We have a competition about to run with far, far more prizes up for grabs. So how is this going to work you ask. Well, for every £30 you pay into the credit of any account (in fact or every £30 you pay for any reason ? even Chris beer money ? you will get a ticket in a massive draw. A 100% chances to win something).

SO, what can you win? Well, Unfortunately, there will be some, `tough titties Prizes, i.e. no win (25), but
You will still win the joy of taking part

There are twenty prizes of double turn credit (any amount paid in)

There will be thirty prizes of between two and five turns credit

There will be one lifetime membership prize for one of your teams

There will be one prize of œ100 free credit that can be spread around all your teams

There will be two prizes of 30 free turns

There will be two prizes of 20 free turns

There will be ten prizes of a new team in any league of your choosing with a Season free, plus every season there will be a chance (50%) of that team receiving another free season (until you get to a season where you have to pay, then it ends)

There will be five prizes of a free entry to a KA Weekend

Finally four mystery prizes that could be anything, a lifetime membership, a used pair of Cranners postie shoes, a bottle of lube recommended by Hattie, a pair of super ear plugs for use in KA weekends when Spud goes ballistic or Wadders does his Johnny Cash impression, or a copy of Adrian's latest snakes and ladders campaign, you just have to wait and see what and see!!!

So get in there before the big buck prizes disappear cos this competition only runs until all the postal leagues are aged and sent out.

Oh nearly forgot. You have to claim your ticket when you send in the cash
