THE PROSPECTS

1 Really strong first division here. I go for **Netherton** to regain the tile but it will be close. Current champs **Danetown** will be there again without a doubt while both **Thomoslavia & Margate** will be in the fight. All might depend on who can develop their squads the better as the season unfolds. Bottom sides in a strong division could be **Dumnonia City & Limetrees Utd**. both got it all to do

2

The second div looks very evenly-balanced with the exception of **CFC Santos** who I fully expect to return to the top flight once more. Behind them it will be close. **Marx Men** promoted **Samdoria** & the unmanaged **Grafar Mill** all look up for the promotion fight but it will be close.

Strugglers, well promoted **Connacht**, along with relegated **Glasgow & Elterwater** all look likely to end up in the third if they don't do something

3

Anfield Rovers could well bounce straight back into the second division while **Rotorua Mist** look likely to be with them. last season **AFC Broadway** finished fourth and this season it might be there time for the glory of promotion.

Quite a few teams will be in the relegation battle so it could be close. **aliens Utd** look as if they will continue their downwards flight, while **temple, Kirkdeen & Denmark** have it all to do to stay up as well

4

One team stands out above all else in division four, in fact they look good enough to be divisions higher and that is **Scarif Rangers**. They also have lots of cash to spend as well. Only challengers will be **Crewe Alex** but they would have it all to do to beat Scarif to the title I feel. Not much else looks likely to get anywhere nearer to either of them.

Bottom dwellers, well **AFC Wheston, Norwood Eagles & Battersea Blues** will have to show some real acumen to climb up the table but who knows??

NEW SEASON STARTS

It's the start of another season of the great PBM game that is KICKABOUT, and as is customary with each new season there are some things we have to tell you, others that we should remind you of.

HOW TO SUCCEED

So, the watchword this season is the same as it always has been. Use your head, take time to work things out, read the newsletters and you should begin to see your team do well. Complete your orders in two minutes, never vary your tactics and take no notice of what you are told (and yes, if you are making a pigs-ear of it WE will tell you so in no uncertain fashion), and you'll find that things go wrong. And as always we'd appreciate your feedback on how the game works at the moment, along with any ideas you might have for improving it further; but if you are a new player then just give it a few sessions before you start complaining about how the rules could do with some re-jigging!

SOME THINGS TO REMEMBER

Private deals are allowed on the very first session of the season but are limited, as always, to a maximum of just six deals!

HAD/PD levels for the first session of the season are set at a basic FIVE levels. Remember that there are no variation in league standings for any club; you all start at the same position. Those of you who ARE international managers please remember that all Int/Rep games have the same HA/PD rules as do club games so there is a basic set of levels depending upon the session, plus extras depending upon the division your team competes in in the International trophy.

Please don't phone or Email us saying things like, 'the ageing is wrong, player X should have been such and such. After all these seasons using the same program we can assure you that it DOES NOT make an error on the ageing process at all.

Nomination of Derby teams has already been done, so don't try to tell us about it on this session - it's too late now (Except if you are in a league

that has been merged when you can nominate Derby teams on Session One if you wish to).

If you DO think there is a mistake in your start-up details, if you think your cash balance is wrong, etc., etc., then tell US NOW. We won't entertain anything along the lines of, 'it's Session 14 and I think you made a mistake with my credit at start-up.' Check everything now or Forever hold the peace kind of thing!

Finally, and I always wonder why we have to say this, you must now submit orders for SESSION ONE MATCHES. Please don't send us a blank teamsheet back with just coaching and auction bids on it - we'll have to play your side for you, and you'll get off to a poor start more often than not.

THE EUROPEAN COMPETITIONS THIS SEASON

Ok, the draws for the Euro fixtures will appear in the session one newsletter!

POSTAL CHARGES

We continue to stress the usefulness of the All-season mailing option in KICKABOUT, allowing us to get around the rather annoying SSAE problem. This has been provided to give you the choice between sending in SSAE's or having us dispatch the turn to you ready-paid. THESE ARE THE ONLY TWO NON-EMAIL OPTIONS AVAILABLE! Those of you who think you can ignore the need to send an SSAE, and have not paid for the mailing option get charged £1 to cover the costs at our end. You can avoid this by sending in £15.00 (£25.00 Overseas) for this option if you wish, with your first orders. And for those of you in some doubt, an SSAE means a STAMPED and addressed envelope of a minimum 9 x 6 size not some minuscule thing that you can't get a turns results in as some of you seem to think is OK! From this season on, if you send anything smaller it will be refused, when we say 9 x 6, that's what we mean!

Remember as well that if the GPO lose your results and you aren't on mailing then you'll have

to pay for a reprint @ £1, as it's down to your envelope and all that. If you're on mailing then the cost is ours, so think about it.

DOUBLE TURN FEES

As an increasing number of players seem to think that we run some kind of credit service here at Spellbinder, we want to make our position very clear from the word go. If you submit a turn when your account does not have enough money in it to cover that turn (i.e. less than £3.50), you will automatically be charged a double turn fee of £7.00. Again, this action has been brought upon us by an increasing number of players proving to be bad debtors, and in the financial climate of today we can no longer afford to work on trust alone. Most companies will simply remove you from their games if you have not enough credit to continue, where as we used to allow you to drop into debt. Now we will simply increase that debt and if you do

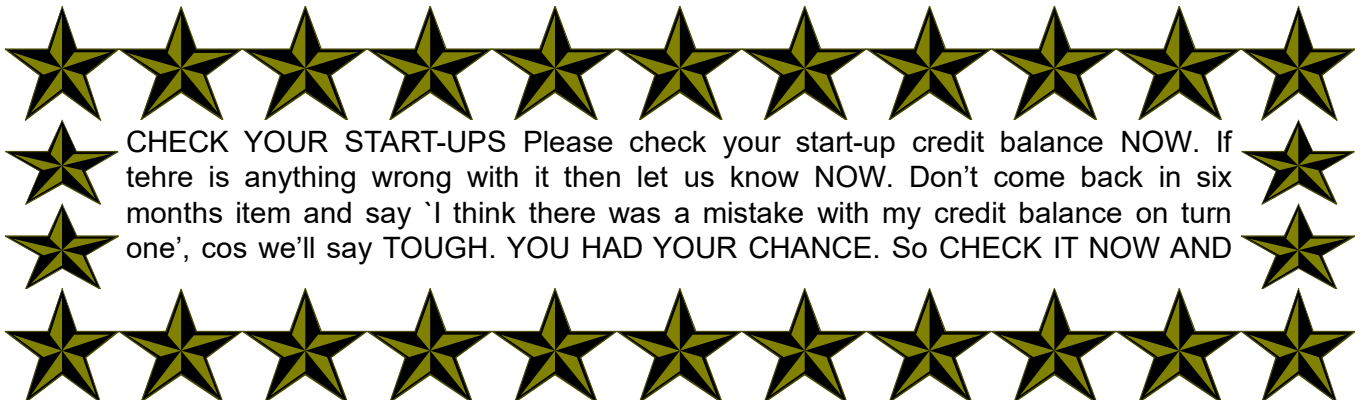

not submit credit for a second successive turn you will simply be sacked, and your team given to someone else. **READ THIS AND TAKE NOTE!** - It applies to you! **THERE WILL BE NO EXCUSES ACCEPTED THIS SEASON!!!** The majority pay their way and the minority dammed well ought to!

A NOTE TO LIFE MEMBERS

For those of you that are in the elite club of Life Members, may we remind you that your payment now covers turn fees only! You **MUST** purchase mailing or go on **ALL EMAIL** otherwise your Life membership will automatically be converted to a normal membership. Also you have to pay for things like shomatch and international teams as well.

MINIMUM PAYMENTS

Finally, please note that any cheque under the value of £6 or Postal order that is crossed or made

CHECK YOUR START-UPS Please check your start-up credit balance **NOW**. If there is anything wrong with it then let us know **NOW**. Don't come back in six months time and say 'I think there was a mistake with my credit balance on turn one', cos we'll say **TOUGH**. **YOU HAD YOUR CHANCE**. So **CHECK IT NOW AND**

A pretty big bonus (by the way these are **NOT** transferable if you should move club teams through the season).

NB These fixtures are given to ensure that managers SHOULD NOT be able to overlook a match in any session. The same information is shown at the bottom of your results printout each and every turn. The opponents for league matches are also shown, while all KO competitions simply give the round of each one, checking that you're still in the competition and who your opponents are is down to YOU!!
