

TIGHT AT THE TOP

The dreaded session three newsletter has arrived for the Newsletter writer's guild, bloody sore fingers after so much typing, a slave driver is that Mister Dempsey.

So here goes.

Top dogs **Neptunes** falter away at **Vasey**, a 1-1 draw not the ideal result against their derby rivals. A 90th minute equalizer though sent the away fans home happy enough at the end. **Manager Hails** won't be though as it's dropped points in the search for the title.

Carlisle smash & grab in true **Brutus** fashion with a 3-2 victory away at **Raith**. Plenty of scoring opportunities in a great match as the drunken loudmouth celebrated three points on the road. The Northern topless hairy **Carlisle** fans were in fine voice. Who knew that apes could sing?

Bad session for **MacAulay** as **W.B.A** lose at home, **Durnovaria** with a one nil win. Relegation finally looming for the **Baggies** this season after many years of mid table safety in the top division?

KKS earn a well earned point against top dogs **NFL**. **Manager Thommo** decided pre match to give his angry keeper some meds to curb his enthusiasm, lucky for him the KFA weren't doing the doping rounds today. No red card for his keeper though so all good.

Baker Street couldn't create a single shot at home to **Peterbro**, so not looking good for the **Sherlocks** just now. Maybe **Lozza** could give highly rated performance coach **Jensy Jensen** a call, he really did wonders at the recent fun filled kickabout weekend in **Norwich** for a team named '**Dave Hargraves**' who managed to win the weekend, which is quite ironic since the real **Dave Hargraves** has never managed such a feat. Pre match motivation included such topics as the Amish, Aborigines & Dwarves. Mad I know but it certainly worked!

Dakin are also going through a bit of a transformation, can **Humpy Niel** get them back in shape sooner rather than later? Created very little at home to **NMAC** but still managed to win 1-0, not vintage **Dakin** by any stretch.

SNUBLE FOR WOOLWICH & WADDERS

Just like their manager recently, **Woolwich** crashed & fell heavily with a six nil rout on their own ground of **Plumstead Common**. The fans were seen leaving in their **Perry Groves** long before the final whistle. **Morten Jensen** of **Moscow** leading the way, top of the table & playing some great footy. 'Take on me' exclaimed our **Morty** in the post match presser. Has the homecoming of **Wadders** quickly turned into a bit of an **Eastenders** nightmare drama? Remains to be faackin seen me old lemon squeezea.

Marvels pick up a point against the creative **Northwich**, a one one score draw. **Manager Fingers** decided to play some aggression on his goalkeeper **Tolstoy** in this derby game as in truth many managers often do. But **Kickabout VAR** are coming down hard these days with potential new rule changes & poor old **Tolstoy** seen red in the second half for a flying clearance. The ref was called to the monitor & duly sent him off. Crazy if you ask me, but such is life these days.

Belvoir are going well, into second spot now as they manage a home win over **Whoventus** despite an own goal by that psycho **Nettsayahoo**. Two one today & the **Beavers** are looking good. Nice Beavers.

Romford can only manage a zero zero (Baad Daad does love a pint of the old non alcohol, the feckin wuss) draw against **Mercury**, **Manager Neil Barrett** looking rather sheepish as they are unable to maintain their decent start to the season. Baaaa'd luck indeed.

Leicester & Celtic Warriors earn a derby point apiece, though the home side will regret not taking all three points as they dominated the chances throughout in their creative neutral 334 formation.

The Saints 352 vs **Foxes** 235. The home offside trap worked a treat, as the **Saints** caught them time & time again, then countered with power & precision. **Poor Torleiv** left licking his orange paws. **Seamy** with the tigerish grin.

TOP TRIO AWAY & CLEAR

Wellham, Kernow & Finn Harps have broken away from the chasing pack creating a nice buffer between themselves & fourth spot.

Big Bad Bo the manager of **Wellham** was delighted with himself (no surprise here, he usually is) as they stuffed **Bolton** by five goals to nil. Great football all over the park just like the wonderful Danish team **Brondby** in their heyday with

KICKABOUT NEWS

some wonderful goals too. A neutral formation suits their creativity in getting the best out of the team with **Shamy** most definitely the best player on show, a damn handsome fecker too in truth & no that's not a tear in my eye.

Kernow are flying too & **Kitty Humphries'** boys mauled **Midland** with five goals all scored by **See Sun Set**, wingback **Dahl** key here in setting up the goals as time & again he broke the offside trap with clever crosses into the box, **See Sun Set** gobbled them up.

Finn Harps had the toughest fixture as they had to travel to **The Psychedics** & managed to grind out a 2-1 win, with **Lob Lewis** scoring the winner late on. **Manager Colly** looking forward to the next few sessions already with a potential title decider home match against **Wellham** to come at **Harpolitude**. (Good lord, who came up with that one lol).

Rob Scott loses again. Well, yes, hmmm, erm.

This time away to **Ultra Milan** one nil. So no goals & no wins for **Scotty**. Even **Ipswich** managed to entertain in the premier league despite being relegated. Over to you old chum.

Aston Park are rock bottom with the fans now recalling similar desperate times of yesteryear when **Colly** destroyed their club (well ok then, after some relative success I suppose).

The Jellies took full advantage of the manager troubles of **Aston Park** as **Jellies boss Tim Dodge** manages another victory & helping to ease that god awful goal difference at the same time.

Would the real **Dave Hargraves** please stand up, please stand up. Oh, there he is, **Manager Hargraves of Malwinka** finally getting the show on the road this season with a narrow victory over **Elvet** & the first win of the season too. **Vasco de Gama** with the only goal early doors.

Would the reel **Nob Lewis** please sit down, please sit down. No shots, no goals, no hope, **Nob** cries 'but it is Wednesday Seamy!'

Mid table their lot for the newly promoted outfit.

AND THERE GOES WARWICK MANSELL

Beddgelert are scoring goals & lots of them. **Manager Mansell** delighted with their recent resurgence as they have one eye on the promotion spots which are in sight. A four nil victory over troubled **Newark** sends them soaring.

Acre Rangers manage a win despite not having a manager in the hotseat. In truth **Rivendell** aren't a match for anyone at the moment.

Reigate Albion came up short in their home derby tie against table toppers **Stockport**. A 2-1 home defeat and played off the park. **Manager Butler's** odd choice of pre match motivation clearly didn't work. A screening of Free Willy followed by a concert of Whale music may not be quite

what the players needed. The fact that he also sent out only eight men to start the game shows a clear lack of ability in the math's department for our former Headmaster.

Devils fans were singing can we 'come by here' every week in true 'Kumbaya' fashion.

AFC Yavin Four also speeder biking along nicely just now with **Darth Read** in the saddle.

Bei Tou with the only goal of the game, a lovely finish with a cracking shot that any Imperial Stormtrooper would have been proud of, those nerf herders couldn't hit Brutus' shed door. (GM _ did I just hear a cry of help from in there?)

Effu Sutton gets back to winning ways with a dominant **SPG** performance over **Cranners' Bod ff**. Old boy **Cranners** clearly hasn't learned his lesson since the KA weekend as half of his team were suspended, just like in Norwich, the dirty caaant. 'At least I'm top of the DP's table' he cried. Bloody weirdo.

Moneybags **Barney** gets a rare win, this time seeing off the **Elementals** challenge. One nil the result & **Formosa** get some points on the board. **The Elements Boss Hogg Hudson** is in it for the long hall & Rome wasn't built in a day, (or about 1/100th of a kickabout turn?).

THE CUP

1st round highlights

A standing ovation from the home fans for non league **Stevenage** who held the mighty **Dakin Utd** to a scoreless draw. Embarrassing for **Humphries** whose dedication has been questioned by the fans this term with many rumours abounding that he may be moving on as he seems to be overseas so much lately?

Neptunes cruise to a three nil away victory at **Formosa**, surely **Richy Rich** needs to invest in some specialists if they are to finally see light at the end of the tunnel. They certainly have the funds to do so.

Wellham scrape through by the skin of their tomato as **SPG Derby** put up a great fight only to be edged out by a **San Martino** strike just before half time. **Manager Big Bad Bo** lucky not to be left red faced.

Acre are no match for **The Saints** & it's the away side that go marching on. **Clean Foxes** are at it again, a 7-4 home win entertaining the fans no end. Might get myself a season ticket for Filbert Street!

Cranners fails to deliver as his **BOD ff** side can only post a poor 1-1 draw away to non league **Welling**. They should manage to stamp their authority in the replay with a first class performance against second class opponents.

Nob Lewis of Elvet gets another shot at **Baker Street** in a replay & on their own patch this time, oddly named '**Leering Seamus**'. Gout Weirdo.

Belvoir & NFL have a ding dong affair at **Booker Park** with the 2nd division outfit running the top tier boyos close. **NFL** slip into the next round with a 4-3 away victory.

KICKABOUT NEWS

Wow for **Wadders** as **Woolwich** hit **Mercury** for five, while **Newark, Midland, NMAC & The Irons** have it all to do again.

The Warriors go out as they are chopped down by **Morten's Moscow**, while **Whoventus SHOCK 1st division W.B.A** as they dump them out with a single goal from **Brundle** just before the break. A fine strike from the elder statesman too.

Another massive **SHOCK** as **The Jellies** see off the feeble challenge of **KKS**, with **Jack Smith** on sabbatical the reins have been handed over to **Big KP Allardyce** to try & get them back into some shape. Bottom of the league & out of the cup, **KP** has his work cut out.

Imladris Park isn't the fortress that it once was, **Rivendell** lies in ruins. The nine goals conceded with the home fans cowering as the **Black Riders of The Psychedics** put them to the sword with Morgul efficiency. **Rivendell Manager Hails** is no Lord Elrond & that's for sure. He does have lovely pointy ears though, might that help?

Reigate, Aston Park & Bolton all see off non league opposition with ease, while **Durnovaria** send **Kernow** packing.

Finn Harps hit **Elementals** for six, a lesson indeed as a certain **Mister Waddingham** might say.

Northwich score ten for **Fingers** as **NL Runcorn** head back to **Merseyside** crestfallen. All **Liverpool** fans too I'm hearing, so fuck them.

Manager Warwick was cock a hoop as his **Beddgelert** side lead 5 nil against a poor **Leicester**, but by the end he was pleading for the final whistle as **Leicester** roared back with three fine goals. Nails bitten to the quick.

Romford, Raith, Vasey & Peterbro cannot be separated & must do it all again in replays.

Yavin score six with a **Marco** hat trick to boot! Happy days.

THE LEAGUE CUP

Second Round 1st Leg Highlights

Neptunes take a two goal lead against the **Foxes**, is it game over? 'No way José' says **Torliev**.

Bye Bye Barney, seven goals shipped, **Wadders** the wide boy. Wow again.

Advantage **Carlisle** with home advantage, **Bo** will have other ideas though, but will **Wellham** go for it?

A red card for **Titleist** & the **Saints** go marching home with a one nil defeat despite playing no aggro or mp's, the mind boggles. Can they turn it around though?

Tee it up for the next leg boys, **Baker Street 7 Finn Harps 6** what the actual feck? who could possibly call it? Not me anyhow.

Moscow take a slender lead back to **Russkiville**, **Malwinka** are plotting though.

Sneaky **Dave H** has something up his sleeve & no it's not those bottles of Peroni left over in the fridge from the recent weekend. The Cucumber kid took them back to Glasgow.

NFL just about do enough to see off **Bolton**, while his **Royal Fadeyface** of **Stockport** manage to stifle the **Dakin** attack. Penalties on the cards? I just hope **Craig's Mum** isn't playing?

Embarrassing **SHOCK** for **KKS**, losing this one away to **Warwick's** banjo playing Mountain boys. Yee haw!

Leicester are also downed by lower league opposition, **Yavin four boss Read** tells **Fingers** to 'Call me Victor'.

Raith to shut up shot in the reverse leg after a two nil win? **Peterbro** have it all to do.

Irons are only a goal down, still in with a chance, maybe only 35/75.

(**Butters**, I can call you later to explain this, as I know the old mathematics isn't your thing).

Rob Scott loses again. Hmmm, yes, well, black leather pants, erm.

This time away to away to **Vasey**, only a goal down **Scotty** but do you think the boys could manage a thing called a 'shot'?

(I can call you later to explain this).

The Warriors & Aston Park serve up a bore bag fest, not a single shot in anger!

W.B.A have home advantage now, **Whoventus** eyeing penalties, too close to call.

Romford shit squad are faves now but **Belvoir** not out of it. All to play for!

TRANSFER TRAILS

Nice auction this time around & some tidy **Ukrainian** prospects picked up for decent fees.

Sleepy Ste Thommo snapped up star goalie **USUCK** for a cool 2 million. He will need him during the season as he does like an over zealous lunatic between the sticks does our **Thommo**, mind the suspensions though!

Exciting Wingback **Stravinsky** signs on down under at **Baker Street**, **Manager Lozza** loves to orchestrate an old tune or two so adding a strings section will go down well with the fans.

Explosive youngster **Molotov** & promising schoolboy **Styr** both sign on the dotted line at **Formosa & Stockport Devils** respectively while young utility **Slava** heads over to the **Marvels** for less than 900k. Great business all round.

His cousin **Star Slava** joins **Dakin** to bolster their misfiring forward line with his goal poaching abilities, is he expected to take over the mantle from **Carlos Stifez**?

Nothing to note in the private transfers as a few journeymen look to resurrect their careers at new clubs or dwindle off to oblivion.

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **READ** of **Durnovaria**, winning on all fronts.

DIVISION TWO: goes to manager **WADDERS** of **WOOLWICH**, ignore the league game, two great cup victories. Go on my son!

Big nod to **Mortie** but can't possibly give him MOM three sessions in a row. Now that big eejit **Bo** would certainly give himself MOM every session if he could, with a little trophy & a half of a tomato.

DIVISION THREE: goes to manager **TIM DODGE** of **THE JELLIES**, league win & causing a big shock in the cup too.

DIVISION FOUR: goes to manager **MANSELL** of **BEDDGELERT**, super session all round with goals galore. Amazing what happens when Warwick is let loose.

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO

- Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

INTERNATIONAL ROUND-UP

Group One

Romania go to **Rome** & take all three points with a one nil victory. **Italy** were dreadful on the day & played a game that would suck the life of you, ironically **Transylvania** scored the winner with an incredible blood curdling goal from 30 yards.

Asia & USA played out a bore draw that does neither of them any good really, first point on the board for the yanks the only positive here.

The top two paired off in **Wales** as the 'Leeky Lewises' took on the **Norwegians**. **Wales** had the better of it but couldn't find a way through. **Wales** manager 'Durdy' **McAulay** caught using aggression, oh the shame!

THE INTERNATIONALROLE OF SHAME

The following players are all suspended next session for the number of games shown besides their name :-
NICHOLLS [1] (SCOTLAND) /

Group Two

Ireland go to **Wembley** & come away with a draw. Bloody Brexit.

The match was dour enough, nil nil a fair result in the end for both sides although England Manager Sutton will be slightly disappointed not to get the win.

Ireland manager Humphries happy enough.

Scotland remain rooted to the bottom of the group, a hammering by **Africa** to the tune of three nil sent the **Scottish** faithful home with their heads in their sporrans. **Scotland's no.1 fan Craig Lawton** was inconsolable, the big lanky twat.

Finland with a decent win over the **Germans**, **Kamara** the hero getting the winner just before the half time whistle. **The Finn's Manager Colly** delighted to get one over **Germany** as they leapfrog them in the table, **Manager Abraham** not happy with his charges, one point from two games not a good return.

MANAGERS NEEDED

The **CLOUGH** has a challenge team free **Borders FC**. An ex Grim Miller side (nuff said), they have some cash in the bank, are a PS side, and perhaps should have had a better season than they had. Something for a new man to get their teeth into and sort out perhaps?

The **VULCANO** league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb
