

## SPROUT PAST THEIR SELL-BY DATE?

**Daggers** continue their impressive start to the season with a solid away win against **City Boys**. Never really troubled in this one, they were always in control after taking the lead just 12 minutes in as FREARS heads in a simple finish.

**City Boys**, missing influential midfielder TIGANA tried a containment strategy but couldn't manage the job and were unable to get forward to cancel out the deficit once they went behind. **Daggers** maybe could have scored one or two more but didn't really need to as they were always in control of this one and the manager will be pleased with the performance despite the score line suggesting it was closer than it was.

This win keeps them top despite their closest rivals **Sunderland FTM** recording an impressive win as they dismantle **Paradisio** although the scoreline flatters them somewhat. Despite being at home, they struggled to break down a determined and defensively-minded **Paradisio** who came for a draw and on any other day would have got exactly what their manager wanted but a combination of lethal finishing and poor goalkeeping put paid to any plans PRESLAND may have had.

It took **Sunderland** an hour to finally make the breakthrough, a stunning freekick from CANTONA breaking the deadlock and poor discipline continued to prove costly the the away side as Sunderland double their lead with another freekick, this time GEORGIE BAST rifling one home.

Defender HIMMLER completes the rout with a few minutes to go as he gets forward from deep, playing a couple of one-two's as he gets up the pitch to see his rather tame shot slip under the body of 'keeper NUNO who really should have done better. Three shots to the home side, three shots on target, three goals scored. PRESSLAND will not be happy with those stats, I am sure.

**Sprouts** stuttering start to the season continues and despite recording an away win against **Wycombe**, they were very lucky to be taking away any more than a point from this one.

Despite being on top, they found the **Wycombe** net an elusive target and struggled to really test **Wycombe's** goalkeeper but just as this game looked to be petering out to a goal-less bore draw, it was that man SPUDEYESASHCINS who once again proved to be the difference, demanding that he be given the ball when Sprout were awarded a freekick with little over a minute remaining on the clock, he makes no mistake with his finish and breaks the hearts of the **Wycombe** faithful as they watch the ball hit the back of the net. This win sees them stay within 4 points of the leaders but could the Age Of The Sprout finally be coming to an end?

Elsewhere, **Trujillo** pull out a win that, even at this early stage, could prove crucial as they ease past **St Helens Town**. A cracker of a game here as it bounced back and forth between the 2 teams for the whole 90 minutes. **Town** go ahead after 15 minutes, only to see **Trujillo** draw level 5 minutes later through a penalty. **Trujillo** then take the lead but are dragged back level just 2 minutes later when BI BI TRUMPIE's header goes in off the post, 2-2 after just half an hour played and the game was promising more goals and it didn't disappoint.

**Trujillo** restore their lead before the break and then extend it just after to make the scoreline 4-2, wasted opportunities from both sides sees the score stay the same until, with 10 minutes to go, the game explodes in to life again as DUCHOV pokes home to open up a 3 goal lead for the home side, a goal scored by **St Helens** in the 87th reduces the deficit but is nothing but a consolation as **Trujillo** end up 5-3 winners in what can only be described as an enthralling encounter.

## EDORAS RIDING HIGH

Free-scoring **Edoras** continue their impressive record with another storming win against **Borussia Wigan** this session and although it took them half an hour to open the scoring, once they did they didn't stop! Just the one further before half-time meant they went in to the break with a comfortable 2 goal lead but they exploded out of the blocks in the second half for sure.

Forward BURLEY started the second half demolition as he finishes with a sweet chip over the oncoming 'keeper, defender GRUBER then gets in on the action as he thunders home a

header from a corner and **Wigan** simply have no answers.

BURLEY grabs a second with 20 to go to make it 5-0 and **Edoras** take their foot off the gas for the remaining 20, knowing the game was won, content to see it out and keep their clean sheet intact. A late flourish sees them score a 6th with a minute to go as VALLILI heads home to round off an excellent performance.

A clash between 2 of the division's heavyweights sees **Harleys Heroes** come out on top against **Burnden Villa**, an early goal proving to be the difference between the teams in a game of fine margins.

# KICKABOUT NEWS

Good work in the middle of the park from the **Heroes** players sees CROCKETT released in to space and he makes no mistake with his finish to give the home side the lead. Somewhat hampered by their defensive formation, **Villa** found themselves struggling to respond and although they proved formidable at the back for the rest of the game they couldn't get themselves set to muster up any sort of threat to the **Heroes** goal.

Meanwhile, the **Heroes** found themselves in a comfortable position and while they by no means dominated the game, they were always comfortable and in control, knowing as the match went on that one goal was going to be enough to win this one.

So, back to the drawing board for BROOKS who may want to consider a slight change to his tactics perhaps in their next encounter?

**Aqua Sulis** pull off a great result this session, putting previously unbeaten **Hawtonville** well and truly to the sword. Completely dominant in this one, **Sulis** played with an aplomb and confidence that belied their currently low position and were rarely troubled despite **Hawtonville** electing to mark PEDRINHO.

The game was goal-less for the first half despite **Sulis** having the upper hand and threatening on more than one occasion while the **Hawtonville** forward line had little to smile about as they struggled to find any real form.

A goal 10 minutes after the restart suitably rewards **Aqua Sulis'** endeavors up to that point as forward HOPE finds himself in acres of space and retains his composure to coolly lob the 'keeper. **Sulis** continue to press and are further rewarded for their efforts as 2 minutes later they double their lead, PEDRO CAPITINEZ sidefooting home his finish, their display a complete contrast to **Hawtonville's** poor showing who only manage to muster a few long-range efforts through the entire 90 minutes.

**Sulis** could have scored more and only some fine saves by 'keeper GREEN kept the scoreline respectable as they put in a performance that will have STEVENS smiling all week while **Hawtonville** manager PRITCHARD will be scratching his head and wondering just what went wrong out there today?

**Inter Walls** continue to struggle this season after their oh so close adventures of last season. A close 1-0 defeat against in-form **Sofia Utd** sees them hovering just above the relegation places at the moment and manager SAMSON will be looking for his side to kickstart their season sooner rather than later.

## LOOKS LIKE THE CHARGE MAY BE ON

**Cheam Chargers** maintain their impressive start to the season with another victory, this time over **Snowdonia** who came in to this one with containment very much the order of

the day and despite **Cheam** creating a couple of good chances early on, it seemed that their plan was working as they continued to frustrate the home side and the score remained 0-0 as the ref blew for half-time.

Some stern words in the dressing room at half time must have had an effect though as **Cheam** came out for the second half looking even more determined to take something from this game and immediately from the kick-off, they surge forward to catch **Snowdonia** napping as MARKEL crashes home a header to give them the lead.

Spurred on by this, more goals followed as FERNANDEZ scores a second with a magnificent crashing drive from all of 30 yards and **Snowdonia** just haven't got a response. HOLTZ makes the game safe just 5 minutes later as he pokes home after some good work by **Cheam** sees him get the ball in the 6 yard box.

A fine result for the home side who thoroughly deserved the victory today which keeps them clear of nearest rivals **Purley Kings** who also recorded a victory this session against **Hendon Gooners**.

**Kings** were probably expecting this to be a fairly comfortable game for them given the relative positions of both teams and while they did completely dominate possession, a defiant showing from the **Gooners** didn't make it easy for them and for a long time, it looked like a draw was on the cards here.

This all changed just after the half hour mark though when AJER, pushed up from the back by the manager in a desperate attempt to make something happen repaid the faith shown in him. MONDRAGON finally found himself in a little bit of space and was able to get forward down the left before delivering a cross to the front post to allow AJER to flick home from close range.

The result was no more than **Kings** deserved on the balance of play but they made hard work of it out there today and will certainly need to find their shooting boots sooner rather than later if they are going to seriously challenge this year. Meanwhile, despite not offering much in the way of any creative play, manager OVERLI will feel a tad disappointed they didn't get something out of this game.

**Flowserve** also continued their fine start to the season and looked quite comfortable against struggling **New Caledonia**. A goal just after 20 minutes settled them down and from then on they proceeded to dominate the match, controlling the game from midfield and creating some decent chances.

A second halfway through the second half put the game beyond all doubt, SCHWARTZ striking home as the **Caledonia** defenders failed to deal with a corner, the ball bouncing out to him and he makes no mistake from 10 yards out to seal the win.

Tipped as dark horses in pre-season to be in and around the promotion places, they are certainly fulfilling their potential at the moment but it still remains to be seen whether or not they can keep this up.

# KICKABOUT NEWS

## THORS HAMMERS HUTNICK

**Thors Hammers** sent out a statement of their intent this session with a 4-0 drubbing of **Hutnick AS**. Manager STEVENS stuck with his favoured front-heavy approach and it paid dividends for them today as they simply brushed aside their opposition.

Despite numerous chances created, **Thors** only score one first half thanks mainly to some profligacy in their forward department but this was obviously swiftly addressed by STEVENS in his half-time talk and **Thors** came out firing on all cylinders in the second half.

**Thors** double their first half lead on 57 minutes as VAN DER VALK sidefoots home for his fourth of the season and they continue to bombard the **Hutnik** defence, peppering the goal with shots. A third followed on 78 minutes, spectacular bicycle kick from midfielder JEQUIKI which would have to be up there for goal of the season before they finally rounded it off late on as RADASCU sidefoots home a simple finish.

A spectacular performance from the home side in this game which will have STEVENS drooling into his cornflakes no doubt.

Elsewhere, the top two continued to do what they have done so far - score goals and win games. **Raiders** simply brushed aside derby opponents **Ulpha Rovers** this session. A dominant performance saw them score 3 against a **Rovers** side who failed to register a single shot.

Two early goals, the first from PODLASKI who simply chipped the oncoming 'keeper showing poise and composure in the finish. A second soon followed after a desperate goalmouth scramble and **Raiders** went in at half time 2 goals to the good and the game all but won.

Much of the same in the second half with **Raiders** doing all the good stuff while **Rovers** looked like they were simply happy to hang on in there and keep the score respectable but a third goals at the least was always on the cards and this was duly supplied by COUVE D'BRUXELA, scoring his first of the season with a powerful drive from close range.

Meanwhile, **Redstox** also won but found the going much tougher against a resilient **Sleeping Woods** side who gave them nothing and threatened to score on more than one (in reality only two) occasions. However, **Redstox** had a habit last year of finding a goal when it was needed and they seem to have carried that knack in to the new season.

A goal scored after 20 minutes of play was enough to give **Redstox** the win here. Some good work down the right from ELSTROM allowed him to get a cross in which was met at the edge of the box from defender DESMONDO who headed home from all of 18 yards out.

This goal was enough to give them the win as they continued to keep it tight at the back and grind out the result.

Some other interesting results were **Didi's** impressive 5-0 victory over **Horizon**. The home side dominated this one and were in charge from the beginning as they took the game to

their opponents and this win sees them keep the pressure on the top two and you have to fancy them to be there or thereabouts on this showing.

Unmanaged **Walsall** completely dismantled woeful **Sandwich Town** and they have definitely made some very fine progress as evidenced today. **Town** were without first choice 'keeper DZICZEK and had to rely on an apprentice replacement with the expected result but take nothing away from **Walsall** who thoroughly deserved the victory and maybe are a team to watch?

## THE LEAGUE CUP

### Second Round 1<sup>st</sup> Leg Highlights

\*\*\***Sprout** put on a better show in the League Cup to take a 2-0 advantage back to their place and I think this one is all sewn up bar a miracle\*\*\***Saints** smash **Centurions** and have booked their place in the next round no doubt about it\*\*\***Toto Albini** round off a miserable session for **Sandwich Town** taking a 1-0 lead into the next leg\*\*\***Aethulwulf** do well to hold **Wycombe** to a stalemate and in all honesty perhaps should have nicked it. A tricky second leg for READ forecast here\*\*\***St Helens Town** rise to the occasion magnificently overturning a 2-0 deficit to claim a well-deserved draw to **Daggers** although the second leg is going to be tricky for them to say the least\*\*\*A goal fest ensues in the game between **Flowserve** and **Thors** as both sides throw caution to the wind but a 3 goal advantage is perhaps possibly enough to take **Flowserve** through but watch this space!\*\*\***Redstox** do well to hold **City Boyz** to a 0-0 draw away from home and certainly have the advantage here going in to the second leg\*\*\*

## TRANSFER TRAILS

**Sprout** spend big to secure the services of midfield maestro **TURKU MERXC** in a deal rumoured to be over the 7m million mark. Is this the signing that turns their fortunes around or is he destined to be a very expensive one-season flop? Only time will tell! **Spiritus** invest in one for the future, bringing in young defensive midfielder **KESTREL** as they look long-term.

**Aqua Sulis** splash out for young sweeper **JAIPUR** from **Botafogo** as manager **STEVENS** realises that not everyone in his side can play up front! In all seriousness, a very good buy for them that will bring some balance to his side. Manager **HUDSON** has obviously decided that his side **Cheam** aren't scoring enough goals so has sacrificed some defensive ability for a more offensive option in a 2 player deal with **Wymondham Town**.

In the auction, **Edoras** judge their bid to perfection as they bring in experienced 'keeper **VERNYDUB** for a price close to the 2 mill mark. **Harleys** pick up a beaut in the form of young wingback **KOZIK** who is going to be one to look out for. **Snowdonia** also look to the future with the acquisition of young forward **YARMOLENKO**, also judgin g their bid to perfection. **Inter Walls** look to put their poor start behind them bringing in proven goalscorer **DOVBYK** for a cost of 2.5 mill bar some pennies.

## MANAGER OF THE MONTH

**DIVISION ONE:** goes to manager Barrett of **Daggers**, maintaining their 100% league record

**DIVISION TWO:** goes to manager MCAULAY of **Edoras**, ditto

**DIVISION THREE:** goes to manager Presland of **Flowserve**, a fine session for them in cup and league

**DIVISION FOUR:** goes to manager Hails of **Western Raiders**, another one maintaing a 100% start to the season

### ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

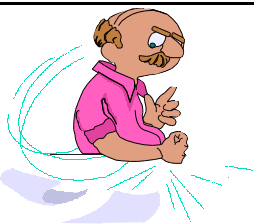

| SESSIONS | MIN LEVEL |
|----------|-----------|
| 1 to 3   | 5         |
| 4 to 5   | 6         |
| 6 to 8   | 7         |
| 9 to 10  | 8         |
| 11+      | 9         |

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

# KICKABOUT BITS

## MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

## MARKING INFO

- Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO  
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE  
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/  
SHOMATCH SUBSCRIBERS

**Your newsletter-writer  
is Wynne Phillips'**

## THE KICKABOUT COMMUNITY

**EMAIL CHAT LIST** -. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io).

For others you do the same except put the league, name with Ka- in front of +subscribe.

## SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

### ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

**(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)**

**NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this**

## THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

# MONEY

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**BULK PAYMENT OF TURN FEES** - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

## THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

### INTERNATIONAL ROUND-UP

#### Group 1

**Scotland** are on fire this session putting six past a **Poland** side who were well out-classed. A hat-trick for DALGLISH highlighting a great all-round performance.

**England** once again stick the boot in against old adversaries **Wales**. Only a single goal separated both sides but **England** were the better side and deserved the victory.

A total smash and grab by the **USA** in their game against **Germany**. All the possession for the home side but they couldn't transform that in to goals while a 29th minute clinical finish from Nick Konat was enough to separate the sides.

#### Group 2

Distinct lack of goals from the teams involved in this session's games, only **Italy** managing to stick one away as they win against **Portugal** by the slimmest of margins.

# MANAGERS NEEDED

The **CLOUGH** has a challenge team free **Borders FC**. An ex Grim Miller side (nuff said), they have some cash in the bank, are a PS side, and perhaps should have had a better season than they had. Something for a new man to get their teeth into and sort out perhaps?

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend.

# CONTRACTS UPDATE

---

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

---

## NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an \* by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an \* by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb
