

CHALLENGER TOMMO BUT COLLY WOBBLES AGAIN

A tale of two managers in completely different headspaces at the moment as Tommo looks like he is the real deal challenger to Burnham this season, strutting around all proudly, sober and clean shaven; whilst my Irish friend Colly is floundering like a drunk on a park bench with just two cans of Stella and a Strongbow Cider to his name! Yep they got of to a flyer but from the 40th minute it was all downhill. When SCORCHIO added a fourth for **Ferenghi** close to the end, Colly was nowhere to be seen! Tough times at **Blackpool**.

Newark move into a comfortable mid-table position after smashing Dumpster 3 - 0. Has the Gm got the acumen to turn **Red Castle's** fortunes around? I say? NO. The result put a smile back on Grandad KP's face though after Forest's dismal run to the Europa Conference malarky.

Fingers gets his tactics spot on against **PSV Loftus**, a 2 - 0 away win against a falling Cranners outfit. I'm off to lick my wounds as **Lancs** celebrate!

Up near the top and into nosebleed territory are **Boleyn Boys**. A third win from four, this time against strugglers **Abbey Road**. For all the talk of season long struggles, Bad Dad is playing us all for fools.

Elsewhere, **Burnham** win again home to **Amazonas**; not that manager Hudson was expecting much I guess whilst **Ajax** and **Wandsworth** Town play out a semi-entertaining 0 - 0 with plenty of work for the ref to contain both sides and managers! Good point for Ajax though after that early red card.

VINO TROUBLES, BLACKCAP ROMPS AND TEA LEAVES

Yep it's off to the bloody pub again for Huffo Puffo as he's beaten 1 - 0 by unmanaged Real Remmigel. Four pints of Neck Oil and Sausages and Mash should calm him down stated Janos after a romp over Blackcap Hill.

Zeldatree's young keeper BANKS looked like a lost soul here after manager Napier threw him in the deep end as Newport midfielder MASSON grabbed himself a hattrick to give McAuley his 1st league win of the season and push them up the table.

Old compatriots Brighton Expo and Huddersfield, both tipped to do pretty well met this week and although the visitors looked the stronger side they couldn't hit the net and it ended 0 - 0.

Bak Dor leather wearing Scotty will be bloody fuming here as the crowd booed his Vino Villa side off the park despite outplaying Manchester Devils but losing 2 - 1 after a mad 4 minutes mid-way through the 2nd half when defences had a siesta it seems!

Dutch Courage can't take advantage of a Berry Brow kiddie in goal and it ends 2 - 2 here with Condon's side having to come from a goal down twice. That's the 100% start gone for Pad and I've just looked in my cuppa tea leaves and its all down from here apparently!

"Sírve me una cerveza" laughed Seamy to the waiter, lapping up a 3 - 0 away win over Bispham whilst sunning himself on a short break. "I may buy myself some new gear" he said as he eyed up a garishly looking combat green flowery number in Medium XL size.

HAWKS LURKING, HOT WIND AND G&Ts

Hathershaw FC were the big winners down at the bottom of the table this week, as with all the other sides either drawing or losing, they hosted the lovely Matron Lewis and wrapped up a 2 - 0 win. A mad 90 seconds saw OLSEN and then SPININI grabbing a goal apiece to put the game beyond **Tooting**. There was plenty of booing from the visiting fans and to be honest, I would have joined

KICKABOUT NEWS

in too. They claim the manager is spending more time in Wandsworth than Tooting these days and has replaced all the beer pumps in their ground with flowery G&T taps! I'm sure Hugo might have enjoyed a couple of those; if that's his tippie too, as these 3 points lift them up to 6th spot and leave Tooting dropping down to 7th.

Elsewhere, **RYL Arsenal** grab only their 2nd point of the season after a late **DRAGANSKI** header saved Wadders blushes against **Ferencvaors**; despite his pre-match warnings to all and sundry that he'd teach them all a lesson. What a load of hot wind I say and I also had a madras last night so that ain't things helping is it.

Sirmione and **Sporting Porto** continue to lead the way with wins each but its **Dagobah Hawks** who are up to 3rd with a 2 - 0 away win at **Vegan City**. The Vegans look a shadow of themselves since the Cooncilla left but Read has a midfield quartet to grace any side and **PIETT** is only going to get better. I tipped them to do well didn't I - clever man that Cranners!

ALDERAAN THE CRISPIER HERE

Well there were three 0 - 0 draws here this week, along with a match with two unmanaged teams, along with an **NJF Athletic** 7 - 0 spanking of Hails **Womble Town** project thingy, so that just leaves me to focus on **Alderaan FC** against **Ferguslie Park** I guess. Yes guys, you get the whole match write up as a bonus!

10th placed Alderaan against 4th placed Ferguslie. Read's boys can't score for toffee so far, not a goal to their name whilst CrispyDuck has him men firing in the goals. Surely a comfortable away win no doubt? But I could be wrong!

Firstly, the visitors played zonal here, which was a good move and gained them an advantage, but they were missing **QUINN** from upfront so had to play youngster **SHADYMAN**. Now apparently his name was misspelt and Crispy did intend to call him **SHANDYMAN** after his favourite drink, but you know what Dumpster typing skills are like! So they were a little short up front and that allowed the Alderaan defence to push forward and create

a few chances and it didn't take long for the breakthrough.

RUMECHU, a youngster with a big future crept in at the far post to knock in a cross from **ZHOU MIN**, before **WALTERS** had a simple tap in to make it 2 - 0 a minute later. This took the wind out Ferguslie Park it seems as they sat back inviting more pressure. On 27 minutes the game was over; **JONES** fed **ZHOU MIN**, he slipped it onto **ROSEBERG**, and the all-rounder thundered it home.

There wasn't an awful lot between the sides, it just seemed that Alderaan sparkled on the day and Crispy is going to have to go back to the tactics room to see what went wrong here that can be fixed?

THE CUP

1st Round Highlights

Surprise at **Groovus** as **Belle Vue** get the win to progress. Butler certainly not having a 'whale' of a time here! (if you know you know!) ***** But he tries again against **New Elvet** with his **Scorb** side, but can't drum up any momentum and we'll go back to Huffo's ground for them to win the replay? (probably) ***** Pad gets his 1st ever Cup win with **Dutch Courage** and they had to come from 2 - 0 down to get it away to **Ferencvaros**. Well done and big sandwiches all round! ***** **Huddersfield** bag 4 at **Bispham**; the home sides keeper not up to scratch just yet but he's coming along. ***** **Sporting Porto** power on; 3 - 0 against **Lowfields** with their attack just far too strong here. ***** **Athletic Lions** give **Manchester** something of a scare with a fightback from 3 - 0 down but time runs out as they press for an equalizer. ***** Stalemate at **Brighton Expo** and **Amazonas** will fancy their chances in the replay. Will be close though that one ***** **PSV Loftus** manager Cranners is happy to put 4 past **RYL Arsenal**, in fact even happier to give Wadds a good LESSON! ***** The **Newark / Shettleston** family affair ends goalless and they'll go again next week with Jack's side sniffing an upset ***** Six for **Ferguslie Park** as Bally goes ballistic. Calm down

KICKABOUT NEWS

calm down; it's only NL fodder here aye! ***** Mr Napier plays a young keeper but they've more than enough against **NJF** and run out 2 - 0 winners. ***** Hudson's **Southport Kews** scrape a 1 - 1 draw at **Real Remmigel** and the upset is on here next week for sure ***** Nearly a scalp for Hugo down at **Hathershaw** but they didn't test **Abbey Road** enough so Dag gets another bite at going through next week. ***** Bak Dor Scottie won't complain against Hail's **Womble** shenanigans as he bags 7 goals to really boost their confidence. ***** Relief for Colly as **Blackpool** get a win under their belts seeing off managerless **Newton Borough**. He'll take anything right now. ***** A single strike from UZURI puts Matron out of his misery and **Ferenghi** progress here. ***** **Glenfabba** get tango'd by FANTA as **Dagobah Hawks** claim a 1 - 0 away win and Read goes through with relative ease. ***** Ashcroft is a happy ape (sorry bear) as **Wandsworth** secure a 3 - 0 away win at **Sirmione**. Shirt off, running along the touchline; nobody really wants to see that do they! ***** Ouch!!! **Red Castle** do all the running but are sucker punched by **Wanderers** who grab a half time lead and hold on for a surprise win. ***** **Boleyn** are comfortable 4 - 1 away winners at **Midlands Heath**. It's all going swimmingly down the East End me old china. *****

Second Round Draw

Boleyn Boys v Belle Vue

THE LEAGUE CUP

Second Round 1st Leg Highlights

There are plenty of finely balanced games here for the 2nd legs with perhaps just **Ferencvaros**, **Galway Gaels**, **Manchester** (great result), **Wandsworth** (nothing hairy here), **Abbey Road**, **Dutch Courage** (smashing the GM!) and **Burnham** looking fairly assured of their placed in the 3rd round. **Blackpool** have a goal advantage over **Real Remmigel** but with their form being a little bit (well quite a lot) suspect, you never know what might happen here! **Wanderers** nabbed a 1 - 0 away win at **Sporting Porto** against the run of play. Wells will know he's not out of it yet that's for sure. A late goal for **Shettleston** gives Huffo Puffo food for thought as **New Elvet** will look to turn that around next week. **Newark** should have grabbed a small advantage home to **Newport** but didn't and McAuley will fancy his chances now. Can't call this one though. Expect **Ajax** to go through against **Midlands**; they've done the hard work already. **Boleyn's** Bad Dad is at it again; 2 - 0 up against **Huddersfield**, but no time to get cocky; the 2nd division side are more than capable of turning it around. **Ferenghi** hold an edge over **PSV Loftus**, much to my dismay, and that will be a hard one to turn around.

TRANSFER TRAILS

Just a couple of private deals worth mentioning; MOIRPHY departs **Sporting Porto** for **Shettleston** where he will get the coaching he needs. Porto can probably do without him so a million in the bank is a nice to have after they splash out on **FC Groovus** new discovery REGA for £2.9m. Nice dealing by Mr Wells here. In the auction, the big buy goes to **New Elvet** as Huffo splashes £2.3m on hot striker DOVBYK. The Ukrainian insisting on a clause that the manager takes me out each Sunday to one of his many locals! **Dagobah** grab a decent keeper, whilst **Belle Vue** and **FC Amazonas** bring in a good youngster apiece.

KICKABOUT

RESULTS

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **Bad Dad Barrett** of **Boleyn Boys**, them East-End boys have certainly been eating their Eels and Mash lately. On Fire!

DIVISION TWO: goes to manager **Stevens** of **Manchester Devils**, just pipping Seamy for this one based on quality of opposition and the fact that Seamy's shirts are not as funky as mine!

DIVISION THREE: goes to manager **Allen** of **Hathershaw**, fully deserving of this award following strong results. Nice one.

DIVISION FOUR: goes to manager **Read** of **Alderaan FC**, first league win of the season. Can they push on now?

ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

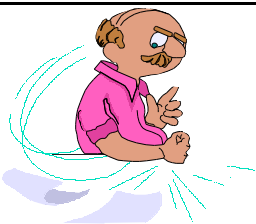

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

KICKABOUT BITS

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

is Cranners**

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league match should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

KICKABOUT

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

FUN

FORTHCOMING KA WEEKENDS

Glasgow weekend dates 9th-12th October

Craig & Jens are first men in here

Gerard, Seamus, Gareth, Nigel, Rob, Cranners, Steadders, Neil B, Adrian, Colly, Bo, Morten, Wadders & Chris Moore all reckon that they will be coming along

And Bo has offered to host us all at his place in Odense during the spring of 2026 Dates now settled 14th to 17th of May

Bo, Rob, Tim, Dennis & Jens are first men in

Craig, Gareth, Nigel, Cranners, Seamus, Gerard, Wadders, Nick Wilson, Adrian, Pete Jorgie, Danny Brez & Morten have all said they will be there

(looks like it could be a twenty player weekend at this rate. Tickle Jens tummy folks and make it so)

October 2026 will be in the lovely city of Sheffield. Pete Condon has promised to make an appearance as, I am told, will Danny Smith and we wil all be able to shame Danny into returning to the fold

First men in are Gerard, Seamus, Jens & Wadders

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

DATE FOR YOUR DIARY

London pubmeet tentative date 17th of July

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

S2 - A v B / C v D / E v F

S3 - B v C / D v E / F v A

S4 - C v F / E v A / B v D

S6 - D v F / A v C / B v E

S8 - A v D / F v B / C v E

S10 - PLAY-OFFS ALL TWELVE TEAMS

S12 - FINAL GAMES ALL TWLEVE TEAMS

INTERNATIONAL ROUND-UP

Portugal take a real hold on Group 1 after a FUTRE header gives them all the points away at **South America** who remain pointless. **England** hold **Asia** 0 - 0 in Kuala Lumpar and that's a great couple of points away from home against the 3rd placed side. **Germany** and **Wales** play out a goalless draw and that's no good for either of them as the leaders pull away.

In Group Two its 3 draws which does little to change the table although leaders **Eire** pull away slightly with that away point in **Norway** which could have been a lot better had they not conceded in the last minute to a DUNKEL dink!

THE ROGUES GALLERY

MANAGERS NEEDED

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by
