As usual can't see much further than the mighty champions league finalists **Bitteswell** for champs yet again. I can't see anybody getting near them this season. Perhaps they can go one better in the champs trophy eh? For the rest it is chasing in hope. **Salvation** will have a good seaosn but no league success, while I'd hazard a few quid on **Moha Utd** to show in the top echelons, but for the rest not much stands out.

At the bottom **Terroirs** look as if might be a step too far for them, while both **Gdanski & Nationalistas** look in trouble. The latter on the back of lasts season's good effort could be at the other end of the table now

Grays Inn & O'Donovan Rossa look to be the likely lads in the second. Will be close though with **North Yard** having a chance though their squad need strengthening and the young boys of **Los Chilenos** could also put in a trruuglers well **Bracknell Town** look likely to be in another relgation fight a second consecutive one, but the manger has the rihest warchest in the eladegue and spending it wisely could transform his season. Both **Newark Town & Norfolkinchance** look as if they will be down there with him as well. Acumen might be needed here for sure

Gonna plump for **Castle Park & Leeds Uni** to lead the promotion fight in the thrid. The latter have money to spend to boost their chances. Challengers could be the very young **Taifa Stars** outfit but for the rest there is not muxh to make me smaile. Lots of teams need rebuilding here I think with **maiden** needing a jolt **Lionhearts** falling form lasts eason's heights Miney to spend at **Smith & Capital** could be gane changers though

THE ROBSON AWARDS

Manager of the Year again overwhelmingly was awarded to JENS JENSEN of **Bitteswell** yet yet again

Most Improved Team Award went to **Toronto Storm** after a fine season

The Performance of the Year Award was won by **Salvation FC** league runners-up and cup-winners

The Fair Play Award was shared between **Warbreck, Norton, Cachusa', Sons of Anarchy & FC Genua** with zero DPPS against their name

THE GMS AWARD went to Chris Ballnatyne a season with no away goals conceded himself after that League Cup wow.

GM BITS

A few pointers for the forthcoming season.

1) One thing that holds up processing is the need for me to have to advise managers that, `their orders are not in!' I do this as a courtesy, but sometimes I open orders for a league on the day of processing. If so you will get a, `get your orders in within the hour' message rather than by the following day. As I say it is a courtesy not our RIGHT to have this done, and to be honest you get plenty of time to get your orders in and why I should have to hold up the game for IN THE MOST PART the same people, is a factor in holding up the game for the majority

2) Missed orders. In years gone by if you didn't get your orders in then |I selected your team, but you got no contracts negotiated and your SPS were turned to cash. Nowadays both of these things happen because the programs elects the team for you. However, the computer is not me, and I make no apologies if you think it was not a good selection. The computer unplayed teams program, does not care about who you are playing but cares about developing your side. Got an unqual GK then it will play him instead of you star GK. YOU HAVE BEEN WARNED!!

3) Be careful in early season, managers seem to forget the way to DISCOVER players and tend to end up getting apps discovered twice. This is your responsibility to get right and if you don't your duplicates will dissappear and you will lose an APP in the process.

INTERNATIONAL SCHEDULE

Ok, the international schedule starts on session 2. We have chnaged this for the new seaosn for two reasons. With the finals on S16 we have found tow many problems occuring because managers sell even good players of a certain age to the NL in the last couple of sessions ans this means often int squads have to have lots of substitutes shoved into their teams. Also by having the finals on session twelve it will eman that you club sides have less chance of being affected by international injuries of all kinds. So pelase take note of the new schedule below.

.Remember that you get MPS and cash for winning these games which go to your club sides, so it is very worthwhile concentrating on it. Remember that every team plays the other once and that away draws and wins gain you an extra point in the league table.

Winners receive a cash prize of 500K for their club side, runners-up receive 300K and beaten semi-finalists, 150K each.

THE MATCH SCHEDULE

S2 - B v A/ D v C

S3 - C v B/ E v D

S4 - A v E/ D v B

S6 - C v A/ B v E

S8 - A v D/ E v C

note that the schedule is different than in previous years

S10 - SEMI-FINALS (TOP OF EACH GROUP AT HOME TO RUNNERS-UP IN THE OTHER GROUP

S1R - Finals FOR ALL TEAMS (extra time and penalties on neutral grounds)

S12 - Finals (extra time and penalties on neutral grounds)

S12 - Finals (extra time and penalties on neutral grounds)

MANAGERS ARE

GROUP ONE		GROUP TWO
WALES - Rob Lewis	(A)	**iTALY - Simon Mcauley**
ASIA - Chris Ballantyne	(B)	**ENGLAND - Dag Overli**
FRANCE - Danny Breznitz	(C)	**CANADA - Seamus McCrudden**
AFRICA - Morten Jensen	(D)	**HOLLAND - Paul Hudson**
EIRE - Gareth Ashcroft	(E)	**USA - Paul Hansford**

All these managers will receive a free superscout next session. The international fee of £7 has been deducted from your team acocunt this sesison

MANAGER'S NEEDED

The **CLOUGH** has a challenge team free **Borders FC.** An ex Grim Miller side (nuff said), they have some cash in the bank, are a PS side, and perhaps should have had a better season than they had. Something for a new man to get their teeth into and sort out perhaps?

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend.
