

DERBY DRAW NOT QUITE ENOUGH

The big derby encounter at The Mines of Mordor saw **Bugman Rangers** and **Danetown FC** fight out a pulsating, but ultimately goalless encounter, which will both please and disappoint both managers. Both teams had packed midfielders, but Danetown dropped a sweeper in behind their defence, which probably proved wise on the day, as Bugman created a healthy number of chances. However, the Danetown defence was able to repel all boarders, and the Dwarfmen were kept at bay. The draw keeps both teams well in the hunt, though slightly further behind **Thomoslavia Utd**, who picked up a regulation 3-0 win over **Limetrees Utd**, with two goals from VON GINKEL and a third from UZURI, to keep their 100% win record intact. **Netherton FC** move up into second place, defeating **Margate** 3-1 in another derby match. Netherton have picked up well after drawing their first two matches of the season, and seem to have got into their stride now. TRONDHEIM opened the scoring before Margate's CHOPIN volleyed home his first goal of the season to make it all square again. WHARAM then restored the lead for Netherton and COOK sealed the win with his own clever volley.

Down at the bottom, **Northern Town** picked up their first win, and their first points of the season, defeating the rudderless **Geographic FC** 2-0. Their balanced 3-4-3 lineup allowed plenty of support to flood forward to join the attackers, and it was no surprise when MATRA rounded the keeper and rolled the ball into the empty net just as the clock ticked round to 30 minutes. The bigger surprise was that it took so long for Town to score their second, but they did, KOHL running onto KLAMMER's through ball and slamming the ball home from 15 yards out. They could have scored more, but didn't, but manager King was beaming at the final whistle. Now, they need to push on from here.

SAMDORIA STALLED, SANTOS SWINGING

In the second division, full credit must be given to Warwick Mansell and his **Marx Men** who did a sterling job of parking the bus against leaders **Samdoria**. Dag has built a talented side, and Mansell acknowledged that in his pre-match briefing, before setting out his team with a solid defensive block. The ploy worked, and while there was plenty of pretty football on the edge of the box from Samdoria, there were always plenty of red bodies in the way, and so the final pass, cross or shot never came. Samdoria remain top, but no longer all-conquering. Fair play to Marx Men!

The other result of note saw the pundits pre-season favourites **CFC Santos** finally get into their groove and shoot down previously unbeaten **AFC Lowfields** 2-0. They took some time to get going, but in a late flurry, OREGON volleyed in from a well worked corner, and then LISBON found himself in space on the edge of the box and chipped in a delightful shot as WHITE rushed out to meet him. A first league win of the season for Steadders and Santos lifts them into the top half of the table, and the manager will be hoping for more.

AFC BROADWAY HIT THE SUMMIT

In what is a very congested third division, with just 4 points covering the top 8, **AFC Broadway** find themselves at the top of the table after this week's results. This looks like a division where almost anybody can beat anybody else, and so it will take some acumen, and maybe some smart auction purchases, to win promotion. The challenge for AFC Broadway this week were promoted **Broughton Villa**, who themselves have had a decent start to the season, and who had done their homework ahead of this one. With one of the home sides key midfielders well shackled, Humphries must have thought he was in with a chance, but he had not counted on the pinpoint accuracy of AFC Broadway's strikers (or was it his keeper have a dodgy day????). Either way, from two of their three shots on target, first ADSHEAD and then REVASII scored the goals, and Broadway go top.

After their slow start to the season, **Anfield Rovers** have moved up into second spot, just one point behind. An end-to-end encounter with **Temple City** finished with the home side winning 3-2 and their manager very relieved at the final whistle. Anfield should have been

KICKABOUT NEWS

streets ahead by then, but a combination of wayward shooting from the home side, and creative magic from the visitors, made the final score very close indeed. MATOS MAGICA and TEXAS had put Anfield 2-0 up and cruising, when STELLABEER pulled one back for Temple City. Into the last ten minutes and LEHMANN made it 3-1, before MAJOUR HAZARD's moment of brilliance made it 3-2 and made for 5 anxious minutes. Still, that was how it ended and Anfield manager Pickup was delighted.

TWO HORSE RACE?

Down in the 4th it looks like the title is going to be won by either **Crewe Alexandra** or **Scarif Rangers**. Even at this early stage, these two are looking strong and determined, and will be hard to topple. Scarif Rangers found it hard going in their derby tussle with **Fujian Pirates**, whose defensive, zonal marking style almost worked. However, it was STOCKHOLM who made the difference, fizzing a glorious 20 yard strike into the back of the Fujian net on 59 minutes. That was the only goal, but to win in such circumstances is what makes champions. Crewe Alexandra had a far easier time of it, racing into a 2-0 lead against **Jackdaws Castle** after just 13 minutes, goals from PORTOFINA and ODEGAARD putting them in control. From then on, there was only one team in it, and DUMITRICA put the result beyond all doubt in the second half with a lovely snap shot. The top two meet on sessions 8 and 9, after which the title race might just be done and dusted.

The bottom two met today, and it looks at the moment as though **Golf City** are the likelier to be holding the wooden spoon come the end of the season. It was a tight affair, with only one shot on target for each team, as neither manager wanted to lose. However, all the best laid plans rely on a keeper who can catch, and sadly that was not the case today for SENEGAL, in the Golf City goal, who dropped the ball on the foot of **AFC Wheston's** KNUT HAMSEN, and he simply poked the ball home for his first goal of the season. New signing RAMOS was announced at half-time, and the manager will be hoping that he gives his charges some impetus to at least get their shots on target!

TRANSFER TRAILS

We'll start with the auction round-up, where there are a few big signings this week. The only one to break the 2 million pound mark is the signing of hot-shot striker YANIOV at 4th division high-flyers **Scarif Rangers**. The fans will hope to see him off and running among the goals quickly. Only a little bit less is spent on the signing of ZELENSKIY at **Fujian Pirates**, the young midfielder fitting nicely into the managers plans for the future. Star goalkeeper LUNIN is brought in at **Wansbeck Rovers** to aid in their promotion push and other youngsters sign on at **Elterwater Rvrs**, **Anfield Rovers**, **CFC Santos** and **FC United Boys**.

Not much to report in the private deals, although I might mention that Warwick certainly got the best out of Paul Stevens, getting him to cough up 1400k for FWS RAMOS, who moves to **Golf City**. **Fujian Pirates** raise the funds to sign the aforementioned ZELENSKIY by selling defender EVON to **Dewsbury Pirates** for 1800k. Other than that, nothing really of note to look at.

SESSIONS	MIN LEVEL
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

KICKABOUT BITS

MARKING

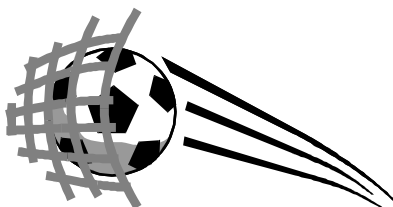

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

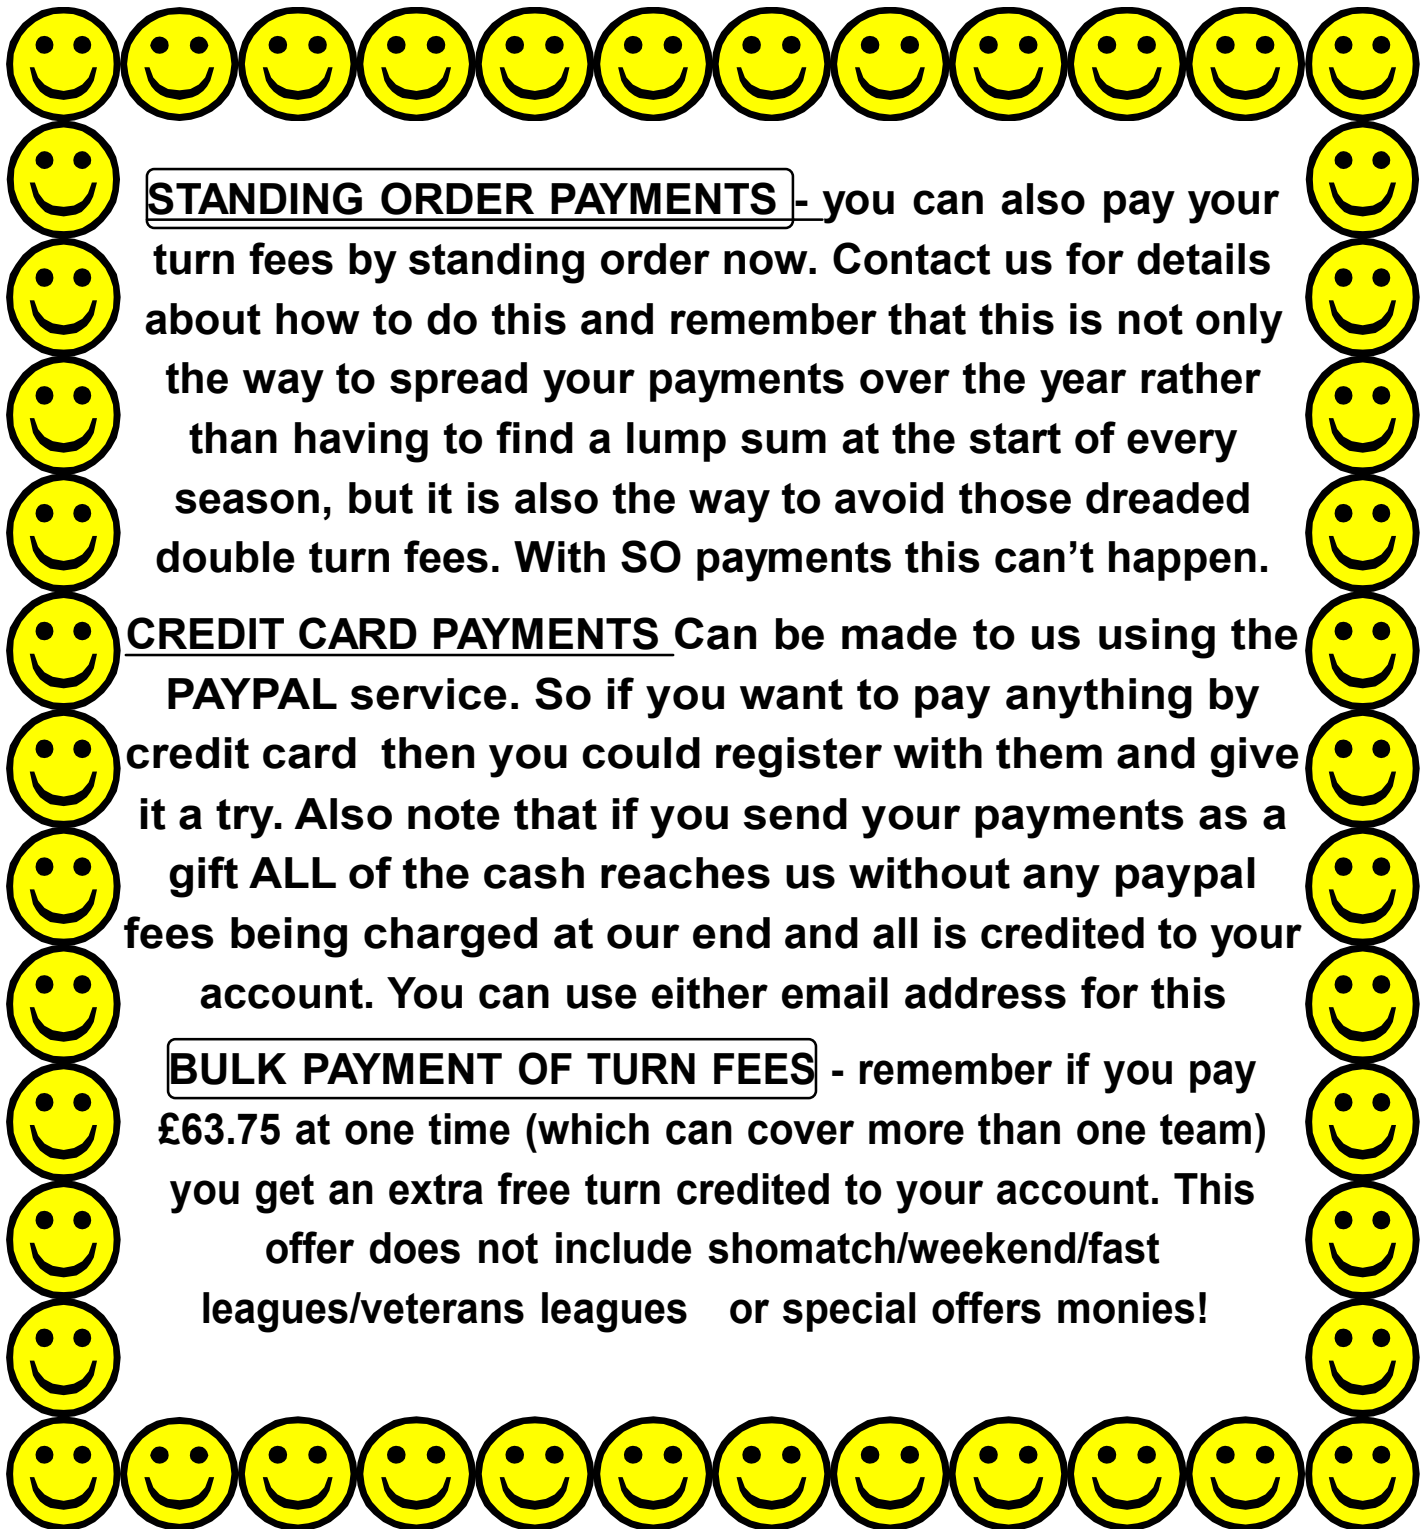

THE MUSINGS AND MEANDERINGS OF THE KA MIND

Something that seems to confuse some players is the Effort line on your match printouts. It doesn't necessarily mean that your opp has played aggression against you when it says something more than normal. MPS are added to Aggression points to work-out this description so not always has aggression been played

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

Bo, Rob, Tim, Dennis & Jens are first men in

Craig, Gareth, Nigel, Cranners, Seamus, Gerard, Wadders, Nick Wilson, Adrian, Pete Jorgie, Danny Brez & Morten have all said they will be there

October 2026 will be in the lovely city of Sheffield. Pete Condon has promised to make an appearance as, I am told, will Danny Smith and we will all be able to shame Danny into returning to the fold

First men in are Gerard, Seamus, Jens & Wadders

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

DATE FOR YOUR DIARY

London pubmeet tentative date 17th of July

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

INTERNATIONAL ROUND-UP

Portugal take all three points against **Scotland**, thanks to AMORIM's superb free-kick - the man can do something right after all! ***** Goals from SILAS and DANI CLAMBAKED give **Spain** a jammy win against **Germany**, but they won't be complaining ***** **England** sit at the top of the group, picking up a vital 2-0 away win over **Russia**

Italy dominate, but just cannot get the ball in the net against a fragile looking **Wales** team, and it ends goalless ***** MING proves he is still as merciless as ever, curling home a free kick halfway through the second half to give **Asia** the win against **Denmark** ***** **USA** go top in group two with a commanding 2-0 victory over **Norway**, the second half goal from ERSO, as he rounded the keeper before backheeling the ball home, being the highlight

MANAGERS NEEDED

The VULCANO league has another real challenge side in **Red Star Loftus**. From the glory days of 2013 when they lifted the League Cup they have been on an irresistible downward slide which the former manager couldn't stop. Next season will be a rebuilding season, but they are a young side and have five mill in the bank to spend. **COME ON LADS SHOW CRANSTUFF HOW TO DO IT!!!**

there is a team free in the MESSI Quick league. **Brecon Rangers** are on the slide and wnera the bottom of divison three . Bit of a challenge side really. Free season for the new manager

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the
