THE MUSINGS AND MEANDERINGS OF THE KA MIND

- A Sweeper is basically a defender with additional responsibilities. Adopted from the continental game, the Sweeper tends to play behind the men at the back, forming a mobile, roving line of defence that can move to lend aid where needed, and to make timely interceptions in attacks that might otherwise result in a goal scoring opportunity. The use of Sweepers reduces the tactics available to your side, as they will be unable to play an Offside game, due to the Sweeper's position throughout the match.

When played in the Sweeper's role, this player has one major benefit and one major drawback. The benefit is that if the opposing side is fielding a FWT in their team, the SW automatically "man-marks" him for the duration of the game, ensuring that the FWT is unable to play his normal game. The drawback is that if your side chooses to push too many players forward, the SW is forced to move into a solely defensive position, playing as a DF only.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can'rt work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

Online Kickabout

BULK PAYMENT OF TURN FEES - remember if you pay £63.25 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend monies!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to Kickabout-subscribe@yahoogroups.com. For others you do the same except put the league, name with Ka- infront of subscribe. However, some league lists have an ending in .co.uk instead of .com, so if one doesn't work then please try eeh other!!

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CREDIT CARD PAYMENTS

Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

Premier Rules

This article is written for the several newcomers in this league and also as a refresher for the old timers of the league.

TEAM DIFFERENCES:

? 3 times rule: not applicable to the Premier. No team re-arrangement by the GM if one area is more than 3 times that total of another area.

? Minimum number of players in an area is reduced from 2 to 1 eg: 5-4-1. However the 5 levels given for the formation is only valid for the same formations as all the other leagues. **THE MAX however is still five in an area**

? Youth scheme: there is an enhanced possibility of discovering someone special.

? Player naming: naming must be relevant to the team and the position.

AUCTIONS

? Reduced auctions. Only auctions are on sessions 1+2 and 8+9.

? The auction criteria is for no MF specialists to be listed. Though the occasional add /A or /D has been known.

? Auction player bids must be named relevant to their club and position.

? You must state the correct and real nationality of the player else the bid is void.

EUROPE:

? The top4 of the div1 go through to play in the Champions League

? Cup finalists go in the UEFA Cup. If one of the teams is already in the Champions league then the best runner up takes the spot.

TIPS: Various long standing players of this league were asked if they were willing to provide a short piece of advice. Most either refused or ignored the request. There was allegedly a meeting of these managers which was so secret that not even News of the World could not sneak their hidden microphones in. The discussions centred around keeping the div1 an exclusive club. However 3 managers who would welcome new blood into the elite division have spoken out and here is their advice:

? Bolton Wands Peter Brooks: due to the lack of specialists in this division older players with special attributes are best kept and coached up.

? Leeds Utd David Hargraves: Youth Youth Youth.

? Luton Town Paul Sutton: ignore Dave Hargraves advice.

.AND FINALLY????????.In the first season all teams had the choice of creating their new team with either a MF/G, DF/A, FWT, FWS, WG or UT. All teams except 2 chose the MF/G. These MF/G's are now aged 24.

FORTHCOMING KA WEEKENDS

And Bo has offered to host us all at his place in Odense during the spring of 2026

Bo, Rob, Tim, Dennis & Jens are first men in

Craig, Gareth, Nigel, Cranners, Seamus, , Gerard, Wadders, Nick Wilson, Adrian, Pete Jorgie, Danny Brez & Morten have all said they will be there

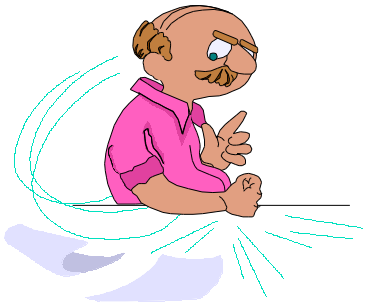

(looks like it could be a twenty player weekend at this rate. Tickle Jens tummy folks and make it so)

October 2026 will be in the lovely city of Sheffield. Pete Condon has promised to make an appearance as, I am told, will Danny Smith

First men in are Gerard, Seamus, Jens & Wadders

Kickabout will be forty years old in 2027, so perhaps somewhere special could be planned for then?

KA becomes 40 years old in 2027, perhaps something special to be arranged?

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MANAGER'S NEEDED

SPECIAL VETERANS LEAGUE OFFER

The two-weekly league ***VETERANS*** will have a few places free when the season ends next week. We'd like to fill these few places up so here's a dooper souper special offer for you.

Take on a team with a free season on offer and you can claim a free season for ONE of your other **Email or Postal teams**. How can you turn that down. Open to existing or new Quick league players.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

IIn the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a speicialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb
