

**SEASON TWENTY-TWO
SESSION FIVE**

**VULCANO
LEAGUE**

DAG MORPHS INTO DYCHE

** Or vice versa but both are equally terrifying. This is a results business and nobody does it better than the Dagmeister, albeit the fabulous Fjordwegians haven't been the usual Giorgios powerhouse of late. What a derby away win (2-1) to Stratford and whether a tad fortunate or not, this one felt big. Bertie Barrett crestfallen _ by far my favourite cockney _ at losing such a tight game but he dines at the top table now and games like this can always go either way. Mahraz pen on 39 and Yak sent off right on half-time were the defining moments. All three results were possible on the day but the extra protection of a sweeper probably swung it's Dag way. 1 star each but Stratford are one of the youngest teams in the league so take this one on the chin and move on.

Elsewhere El Brutus swats Belfast aside to take a 4 point lead at the top and maybe a new name on the 1st division trophy. I would say we're all rooting for him but that would be lies. Still a fair bit from the Lords in terms of levels and squad depth but he's a right jammy tart, so I wouldn't be giving much more of a lead. Niel must be ruing dropped points at home to Seamy but Grima were well prepared and worthy of hard-fought point. Some question whether the Ronnie O'Sullivan lookalike was an upgrade on the pervious incumbent but I'm backing my mate

FOXY TORLEIV ON THE RISE

No doubt Torleiv will critique any write up I do and go all poindexter on my ass but I'm going to praise him anyway. I often lament his miserly approach but S3 auction perhaps hinted at a new and enterprising outlook, and this KVH team will not be relegated as they have too much talent. Second league win of the season this session against a very decent FC City team hints at better times ahead. As he oft does Torleiv switched to the big midfield this week instead of all out attack and this was key in securing the victory. He's not getting MotM this session as he got it last. He's still the Bank of England club and targeting another mf specialist must be the priority.

The second game I wanted to mention was Mallorean at home to Pad's Ramsgate which resulted in a classy 1-0 home win for Mr Moore's team. Two good sides here but Utd looked very strong indeed against a very talented and very fancied Rovers team. All round strength was eventually rewarded with Hergerberg's bullet header after 70

mins and you would think both these sides will be at the business end when it matters.

GOLAN, GOLAN, GOLAN?..KEEP ON GOLAN

After a couple of very mediocre years and a period of flux the Heights are beginning to justify their name and look sure to stand tall in division 3 this season. A marvellous win against a very competitive New York side and without seeing the teams, I feel little Bo Peeps team have scope for further improvement as the season progresses. They have a couple of excellent old stalwarts that when primed can rival most players in the league. Up to second they go. As for City, Paul S shouldn't worry and this can be considered just a blip. This pundit believes once notwithstanding the Backstairs juggernaut these two teams should be involved in what should be a fascinating and titanic promotion tussle.

Rock have been extremely pants this season and Rich won't be too enthused with being held to a 0-0 derby draw at home to San. Things aren't quite desperado yet but

they're getting there and another game that they really should have one. On paper they are amongst that competitive group behind Backstairs and really should be doing better. Time to pickup m'lad.

Lastly a quick mention re Backstairs and my old Galway golfing buddy Dennis. Grace felt the power of Utd this week suffering a 4-1 thumping at home. This team is the real deal and I'll eat Wadder's shorts if they don't win the division. They could easily be contending two divisions above.

UP FOR THE CUP

2nd round highlights

** NYC and Ramsgate go again. Has a penalty shoot out written all over it ** Pele get thrashed 7 zip away to Norway's finest. Very harsh in terms of overall play, a stern reality check for Oren who really could have done with a better draw ** Chris and his Mallorean team defend stoutly away to the Lords to set up a banging replay and there should be no fear there. I don't know if Niel took his eye off the ball here but he's in a proper fight now. Fascinating rematch ** Another bore fest but I'm sure Monsieur Cranners will take the same result in a replay away to Snorry Steve. Get it to penalties champ and who knows ** Exchequer need an og to win away at Fc Pozan but into the hat they go and that's all that matters ** Rock piss about at home to nl opposition and a stinky replay awaits. They'll go through but need to avoid those niggling injuries ** Tamuda bitch slap San and they'll fancy going all the way ** Yet another 0-0 _ c'mon lads _ as Red Star and the Rebels go again. Someone has to take a chance ** Coco show how its done and dispatch nl opposition, scoring 6 ** First real set-back for Backstairs as the chasm between the top and bottom divisions are laid bare as Bed duff them 3-0. Bergkamp are a very good team this year and will be at the back end of most competitions ** Sturdy away win from Seamy as Grima edge Vale 1-0. Just about deserved to nick this one. He loves getting one over his oul mate KP ** Another win for KVH as the renaissance continues. A pretty comfy 2-0 home win as the Bay have a horrendous session ** Stratford hit the 79ers for 6. Oof ** Hoth edge Grace 1-0 and deservedly go into the hat for the next round ** Fandabidozi win for Fc City is a fantastic response to their league reversal. That showed some mettle. Kev not a happy bunny right now ** Nob and the Crew are gobsmacked as Highland and Dave hit them for 4 on their own patch. Ouch indeed **

** Nothing groundbreaking although the lack of interest in Fenix Kondom was very surprising. I think I've bid far too much for him in another league for fek's sake/ Loads of youngsters purchased as managers are already thinking about the future **

MANAGER OF THE MONTH

DIVISION ONE: goes to Grima and Shambap. Yes he's my mate but the team is definitely showing signs of improvement. Plus let's spread the love around.

DIVISION TWO: goes to Chris Moore and Mallorean. A team definitely on the up. What a session.

DIVISION THREE: goes to Bo P again from Golan. A couple of years in the doldrums are but a distant memory.

This is a Bosman Auction (name of player must start BOS) then the player name by the way

You are bidding for the contract of the player x 10 sessions

i.e. I might bid 20K for a player and name him BOS CRANFIELD - if I won the player he would join my side for 20K and arrive on a contract of 20K for nine sessions

Be careful though!!! if you offer 500K you will have to pay wages of 500K for nine sessions So be careful you could bankrupt yourself

PUBMEET

LONDON XMAS MEET

Suggested for Thursday 4th of
December

All welcome THAT MEANS
YOU!!

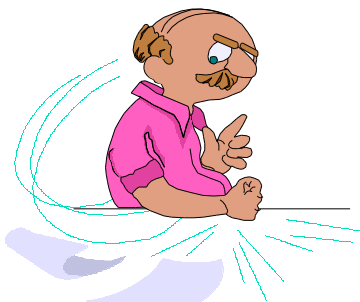

day before the GMS's birthday
come along and wish him a
well deserved birthday
greeting

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

The latest version now available at

<http://dodge.me.uk/markinfo.exe>

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

[FACEBOOK - kickabout online](#)

[and Twitter](#)

[Online Kickabout](#)

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

Bringing back the very popular offer we made at start of season. Take on a new team and you get £100 free credit for it.

You name the league we select the team. Can't beat that can yea!?!?!?

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
