BOOM BOOM MANSELL IN THE CLEAR

Four for season now it has been **Seaside Town** leading the way with **Stain City** chasing them manfully. However, looks like the tow way battle has been riven asunder as **Eschtergom Utd** have started the seaosn with a bang and a boom Manager MANSELL has pushed his side three points clear at the top of the table. I have to say that the Magyars haven't had a difficult start to the season so far and their next few games could see them consolidate their position. Admittedly they have met **Seaside** and escaped defeat so the fans down at Magyar Park must be dreaming now

Better watch out though as **Seaside** appear to be running into form with a string of victories especially at home, but at the moment they appear to lack goals and a top goalscorer with last season's golden boot winner HAIFA not hitting the heights that he did.

Nearer the bottom a first win of the season for **Wraith** courtesy of a goal from ALBURNGARTEN lifted them out of the bottom three. Not great shakes though against a **Silent Running** side heading fro the drop

LATE LILY GOAL SINKS VIKINGS

Big game in the second saw **LILYPUT** come out tops in a very close encounter with the **Vikings**. This was the first defeat of the season for **Midgard** and leaves the Puters unbeaten and on the heels of leaders **PSV**. Top four here are looking strong.

At the bottom no joy for any of the strugglers. Poor old **Canarinho** they were roasted by **Everton** who got their first win at home this season to cheer the fans. The home side move up the table and manager HANSFORD must feel his boys can make a mark on the top three?

KILLERS REMAIN 100%

Fingers is surely guiding the **Killers** to promotion and probs as champs in division three. After seeing off **Dun Duchathair**, who had the temerity to score first, they eased to a victory which leaves them 100% still. They are ever going nearly four goals per game and the gaols are coming form all areas. The Killers are already six p[oints clear of third-placed **Oakley Forest**, and only the Read inspired **Rebels** are managing to keep in tough with them.

At the bottom Gigolo Jensen comes alive. A win at last the fans cried as the bottom side get their first win bonus of the seasn . Against fellow strugglers **Forever Utd**, the result could have gone either way and a draw might have been fairer in a game where both sides created chances. One gaol form youngish striker BIG POTATOES settled it Onwards and upwards it seems?

FUTURE DATES (ALL TENTATIVE)

OCTOBER 2027 - GALWAY

MAY 2028 - GLASGEE

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

VIRTUAL WEEKEND

SATURDAY 7th February 2026

Pul Hudstone, Adrtian, Scott Abraham, Paul Waddingham, Gerard, Craig Lawton, Tim Roberts, Dag & Pete Condon

Come the rest of you

Plan to hold another virtual in february if there is enough support.

Get your names down quickly if you are interested

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
