

COLLY CHANNELS HIS INNER JIM MAGILTON

What a week for the Belfast Bhoys with two league wins to see **Havenmates** rise up the table to the heady heights of 6th place. First up was a trip to Dave Hails struggling **Utah Saints**. Let's gloss over the first half which was a complete non event and skip forward to the 66th minute when a period of sustained pressure in and around the **Utah** penalty box resulted in a corner for Colly's Bhoys. Keane's resultant in swinger evaded everyone except midfielder Pest lurking at the back post who bundled the ball home from a couple of yards out. In mid-week Colly entertained yours truly's **Gdansk** who are having about as much luck as his beloved Sheffield Wednesday this season. Another week, another key player out injured leaving gaping holes at the back which striker Valleylewis took full advantage of to score a brace. Onwards and upwards Colly me lad, just steer clear of those chicken burgers (and numerous beers and some of Bally's hash - Seamy made me write that!).

Steaders wins the big game at the top against Skar Man Samson, he's looking good for the title now and not a utility player in sight!

SEAMY BAD DADDY

What a week for Seamy Bad Daddy as he abandons his only daughters 16th birthday celebrations to fly over to Old Larndaan Tarn and brave the night in Brutus's shed where shackles are mandatory and heat and light are optional. The reason for channeling his inner Bad Dad? Firstly, to join some of his Kickabout brethren for some brilliant but inane chat over a good number of beers (plus wine and gin for the goutly ones) and secondly to celebrate league victories over grizzled old bear KP and edging out Ian Read in a keenly fought derby. **Westwood** now sit just two points off top spot and yet to taste defeat in the league. Could we see the end of the season in 2030 with **Westwood** promoted back to the top flight? It seems so on current form.

MCAULAY THE ACE OF SPADES

Our resident Kiwi Simon McAulay announced himself this week as a serious

contender not only for promotion but also as a title contender. A daunting trip to league leaders **Chelsea Cons** was a tight affair with chances at a premium. **Dale Park's** back two dealt with the few promising attacks from the home side whereas their own striker Tin-Tin took both his chances clinically to prove power teams can be effective in front of goal. Opposite number Dave Hails will see this result as a tad unfortunate but I am sure it will just be a blip in his drive for another promotion. As for McAulay, his side was back on the road a few days later for a derby battle against **Mega-City**. **Dale Park** again had to ride their luck a bit with Ntanark getting his marching orders after just 10 minutes for swearing at the linesman. **Dale Park** kept things tight at the back and when Brexit Tusk slotted home from 12 yards just before half time they had a lead to protect. Half time instructions were to keep what we have and their well drilled defence steered them to a vital three points. Up to 3rd now for

McAulay and just 2 points off **Chelsea** at the top, go **Aces!**

BARNEYS LIONS ROAR

Richard Barnsley hasn't just got the most amount of cash reserves in the Nelson but he also has a side who look good to climb through the Divisions in the seasons ahead. This week he gained six points from two dominant league performances to cement **Temasik Lions** in 2nd place behind Blind Gooner Wadds. A trip to **FC New City** isn't an easy one with Ping Pong Pete having crafted a side full of creative talents but **The Lions** roared to a brilliant 4-0 victory. A derby game against rudderless **Viking Lords** followed where Mourinho's sending off on 42 minutes turned the tide in Barneys favour. A tactical tweak at half time designed to make the most of the man advantage paid dividends with three second half goals to ease them to derby day glory.

THE CUP REPLAYS

2nd round replay highlights

A goal from Hoess is a poor reward from such a dominant performance from **Puddletown**. Too much tappy, tappy at the back for Mansell's liking but to be fair **Leeds** offered little as an attacking threat***A 10th minute goal from Carroll was enough to steer **Wembley** through to the next round at the expense of resilient **Dickhead*****Some joy at last for struggling **Gdansk** after an entertaining 5-3 away win at **FC New City**. Managers Jorgensen and Lawton enjoyed a couple of beers and a game of ping pong afterwards, lovely jubbly***Seamy Bad Daddy is having a week to remember at the expense of Ian Read who must be heartily sick of our

Galway Publican. A 120th minute equaliser from Oscar prompted the type of celebrations normally only seen when Fingers beats Gerard 5-0 at a KA weekend. Van Der Man gets sent off for **Westwood** after taking his delight a step too far and slides on an icy part of the pitch into Rominov of **Camlann** and injures him for a few games. **Westwood** then rub salt into the wound to win the penalty shoot-out 5-4*****Dale Park** score early and then put up a defensive low block (anyone noticing a trend?) to shut out **Racing Porto**. Job done for McAulay***Bore draw between **Preston** and **Bradfield** and it's the home side who progress after the lottery of penalties.

SOMETHING DIFFERENT

This is a Bosman Auction (name of player must start BOS then the player name by the way

You are bidding for the contract of the player x 10 sessions

i.e. I might bid 20K for a player and name him BOS CRANFIELD - if I won the player he would join my side for 20K and arrive on a contract of 20K for ten sessions

Be careful though!!! if you offer 500K you will have to pay wages of 500K for nine sessions So be careful you could bankrupt yourself

Players bought in this auction CANNOT be transferred to other teams this season, though you CAN sell them to the non-league

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

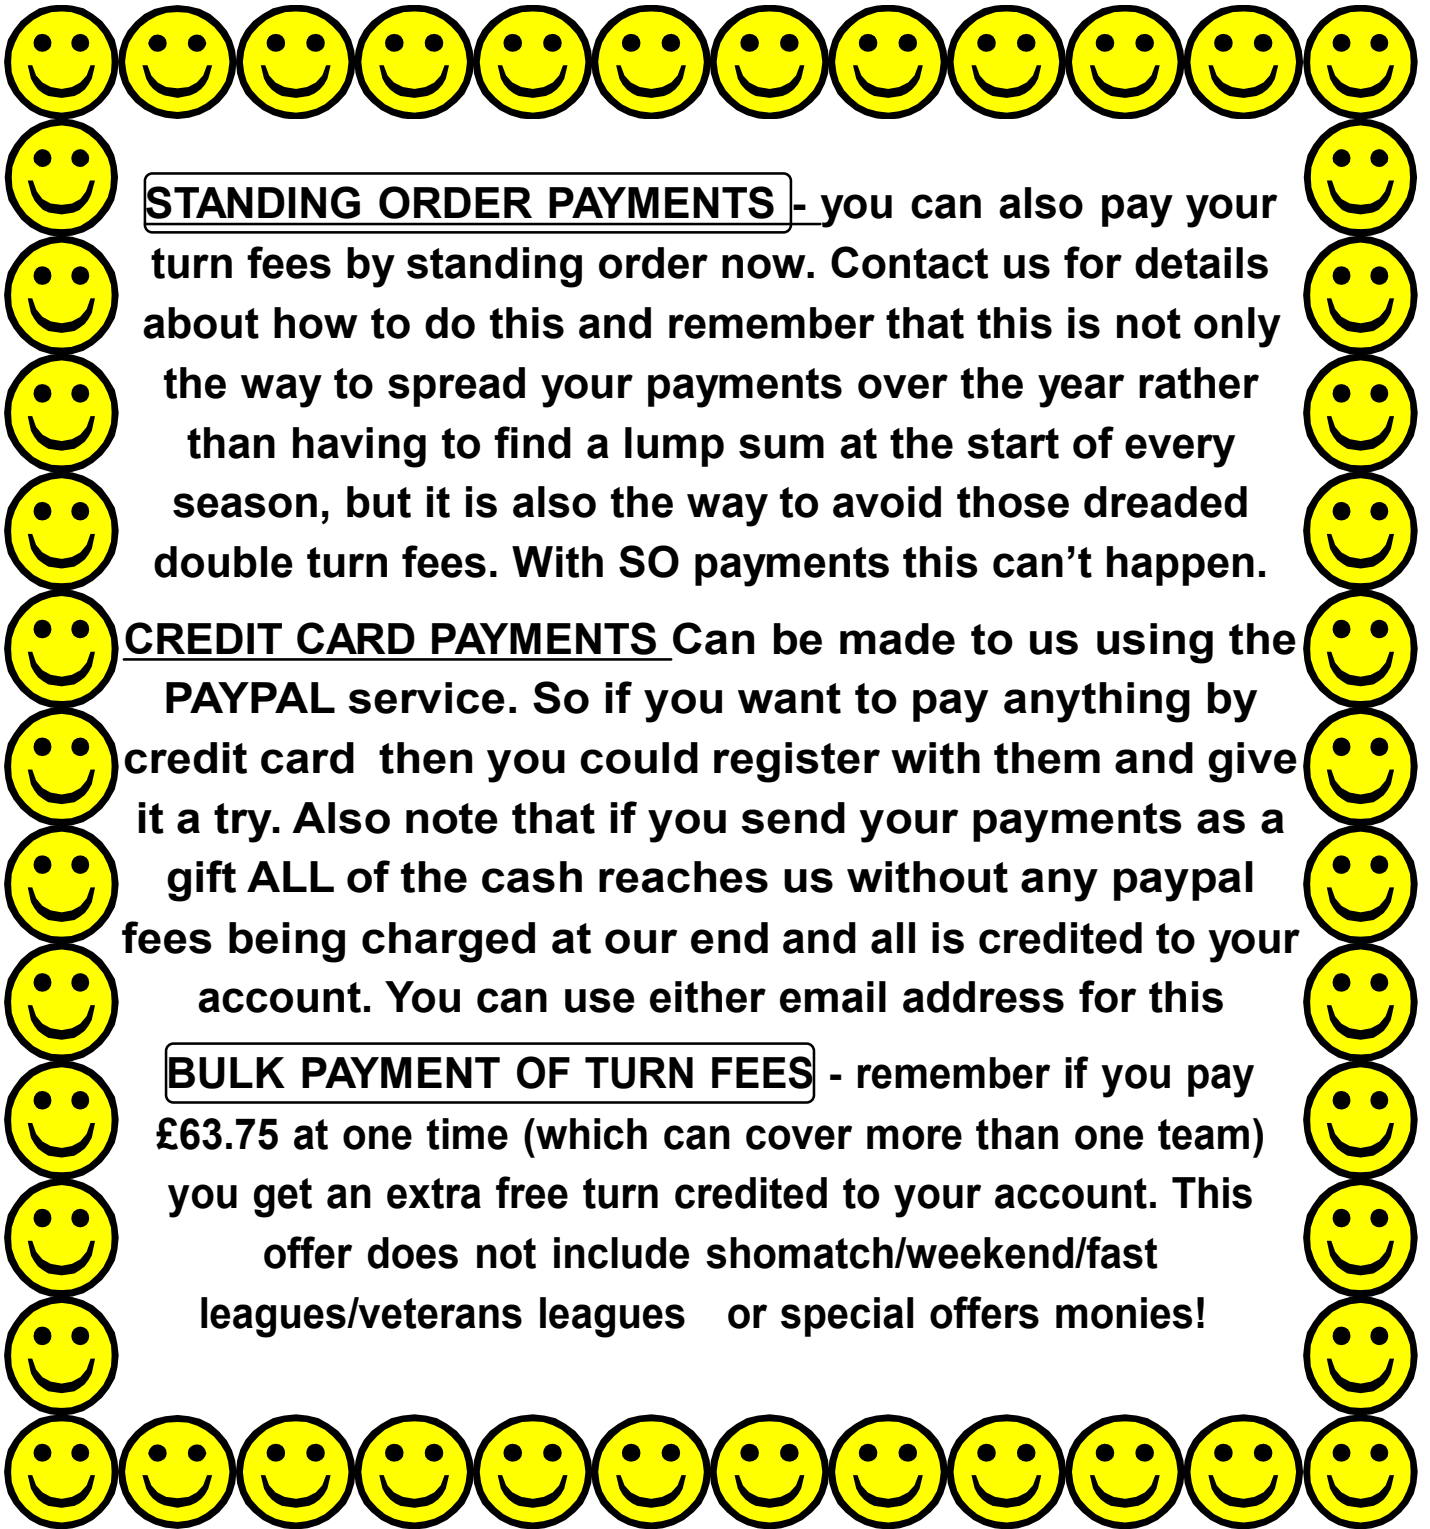

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MIUTTERINGS AND MEANDERINGS OF THE KICKABOUT MIND

Every now and again a manger comes begging, silly me, I've fooked up something in a deal, can you action it. Answer always is NO, tough shit fella, be more careful, and got other things to do. Only way we'll do this is - action the deal, but you can't use the player in the next session. moral, check your turns

KICKABOUT MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Becuae of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!

MY TEAMS

This is a new section where managers get to write something about their teams. A team you love, a team you have had success with, a team that frustrates you, anything, even a team you had in the past. We don't want a novel just a few lines or so about that team. Have asked the

My Most Frustrating Team (by Dave Hails)

I have many teams across the leagues. Some of them I am really happy with, some are really frustrating, and some I just don't understand what is going on! Some are challenging for honours, others are in various stages of rebuild. But the team I am currently most frustrated with is AFC Europa in the Raleigh league. Tipped to do well this season, they are currently bottom of division 3 with no wins in the league yet. The start of the season was OK, dominating matches, but struggling to get shots on target. Then the injuries kicked in! 7 injuries so far, in 6 session. 7 injuries, and none of them training injuries. They were all incurred in matches - so all involved lost levels and players unavailable. Time and again, I have been unable to field my best team, because of injuries. Aargh! Oh well, I think I have them all back fit again now - at least I will do once I've dealt with the potentially career threatening injury to my SBY! Now all I have to do is train them to actually get shots on target. It's a bit like watching Brighton play! Lots of possession, but no end product.

GM - another Brighton supporter, nuff said, keep on

The Rise and Fall and Fall of Cinema FC (Montgomery)

I started playing this game in 1995 when I met a guy called Graham Steadman in a new job. His brown envelope got me curious and as we both loved football, I was hooked. I'd read the Montgomery newsletter from back to front on the train to Brighton, I knew who managed every club and knew all the players in the Internationals! My team was Cinema FC, and as I gradually learned the game, they got better, went fully P/S and within a couple of seasons I won the UEFA Cup with them (edging out Tommo at Thomoslavia in the Ramsey). They didn't win the league but we went close. Then, we spiralled downwards to Division Three. They really are my worst non-star team, about 3 or 4 stars only since about 1998 - crazy. I've tried to turn them around but season after season, we've not got any better. We had a crowd walkout one year which damaged the finances further and without cash the squad is looking more desperate than Colly after finding out last orders had already been called 20 minutes ago. They are my first team so will never be dropped but I'm still looking for something magical to happen for us to start making the long road back to Div One seem possible.

GM - One of the iconic KA chants comes from Cranners, 'I ain't got no stars'!!

Don't cry for me Argentina

This is a thank you script and not a pity blurb and I want you to know help is available.

For those who don't know I got attacked by travellers when I had just joined a new job and was still in probation. They shattered my leg which took three years of operations as it was completely smashed to smithereens. The surgeon did well.

With no income for ages and my flat to maintain I went on a very bad downward spiral and was found by my parents as a dripping wet ten stone shell of myself. They sold my flat which just about paid for the debts and took me in and nurtured me back. Therapy and my favourite drug Citalopram helped me.

To cut the sob story short I missed 15 years of Kickabout. You have all welcomed me back with open arms which I was nervous of before I sent an email to Chris. You have all been fucking amazing and I half wuv you all even Morten and Jens.

You lot are seriously amazing and don't even know it. I am now in a very happy place and all you guys helped massively.. Thank you all of you cunts..

On a side note I am now retired so if anyone is feeling bad they can call me on 07510 260566 or call the Samaritans on 116 123.

Cheers Wadders (I am in all of your debts and half wuv you)

GM - See you can recover from adversity and be a Wadders!!!
