

BAD DAY FOR ROMSEY

Romsey Rovers have struggled to adapt to life back in the top flight since promotion and those days when they ruled the Wellington League seem like a different age. No one had heard of the internet, no-one had a mobile phone and Gareth Ashcroft spent his days filling the time by putting biros in his belly button (true story). Anyway, I digress. Romsey are struggling and things were made much worse with the absence of Hugo Allen from the dugout this week. Rumours abounded that the reason for his no show were some interesting pictures of him in a late night establishment, due to be published in the following day's edition of the Sunday Sport. These rumours remain unconfirmed I should add. What is confirmed is another home defeat, as Romsey were thoroughly outclassed by Bilbao Rocks, the only surprise being it took 85 minutes for Van der Valk to break the deadlock and seal the 3 points for the visitors. The Romsey board had had enough and after the game, gave Hugo his marching orders. Shame really as he did an excellent job overall, let's hope he is back in the Wellington soon. Steelcity fall further behind Catton at the top after being blunted by Westminster Utd in a goalless draw. Plenty of time still for Catton to bottle it again though (sorry Thommo!). There was a good 4-1 away win for The Mashers at Sprowston Youth, despite the manager now giving his team talk from the other side of the world in the middle of the night. Sprowston remain rooted in the bottom 3 but only a few points covers the bottom half so no need to panic yet for manager Patel.

TIGHT AT THE TOP

Scandinavia have had a frankly dull start to the league season, think of listening to Dennis Engsvlev giving a 2 hour lecture on his favourite jumpers, yes really that dull. Well that has all changed this week as Seamus's boys stuck 5 past a shell shocked Heigham Town. All the goals were scored by one man, Tu Lwan, a striker who bears an uncanny resemblance to Paul Hansford, with his big bushy beard and stocky stance. And he had Seamus growling with delight after this performance! GRRRRRR!!! Those two old tarts, Cranners & Steadders locked horns once more as derby rivals Limetrees and Rio met in a potentially crucial promotion clash. Rio thought they were heading for a fine win away from home when up popped some Italian fella called Zola to snatch a point for Limetrees and spoil Steadders day. Oh the irony. The two managers then shared a bottle of wine in Cranners office, debating whether David Beckham was the world's best footballer twenty years ago. Absolute drivel (a bit like this newsletter). Elsewhere, Buckley Town jumped ahead of Quantam Mechs after an impressive 3-0 win. Quantam showing all the ability of premier league Luton Town in this one, though Paul Sutton definitely isn't as good looking as Luton boss Rob Edwards. More like Eddie The Eagle Edwards. Greymouth Town left it late against bottom side Kickabouters but Simon McCauley loves nothing better than grinding out a 1-0 win, strutting around New Zealand like the big man he is, especially since he got rid of that

NZ pretender Warwick Mansell back to the UK. Greymouth are going up, you read it here first. Finally, Villa Rangers cannot find a way past unmanaged Hayling Rangers despite looking the better side. This keeps Harry Wells' boys out of the bottom 3 for now but they really could have done with all 3 points here to give themselves a bit of breathing space. Oh well it keeps things exciting, well mildly interesting anyway, lets not get carried away.

TWO HORSE RACE

Estarcion FC go from strength to strength as they batter poor Addington 7-0 on their own patch, perhaps the lowest point of Fingers reign so far? Young Dumpty Trumpty in goal may well prove to be the long term answer in goal for Palace but he is not ready for the first team yet and had no answer to the bombardment he faced today. Keeping pace are Newark Athletic as they trounced Roebuck FC 4-0 in one of the most one sided derbies you could ever see. Both sides heading in completely different directions here it would seem. Joining Roebuck & Addington in the bottom 3 are FC Hope after a strong attacking performance saw Farndon run out 4-2 winners against them. FC Hope find themselves rock bottom now but as the old saying goes, it is always darkest before dawn. Some fantastic news from their youth academy will have put a huge smile on Peter Jorgensen's face and could turn the entire future of the club around, time will tell. It looks like a 3 way battle for that third promotion spot

between Ulysses Angels, Gee Cross and The Red Devils and all took home the 3 points this week in games they were expected to win. You could make a case for any of them to go up, they are all strong sides but if I was a betting man I would plump for Ulysses. However, a few injuries or suspensions, plus some good signings (like Gee Cross made this week) and things could change very quickly here. Going to be a very interesting battle in the coming months.

WHERE HAVE ALL THE GOALS GONE?

Dear me, we are scraping the barrel this week for something to write about in this division. Only 4 goals and 5 draws in the 6 matches played. Roxy should have had enough to see off bottom side West Cross but Butler's boys defended well and 0-0 was fair enough. Colly knows he should be winning this type of game if he wants to get promotion. Shoreham Utd were missing goalkeeper Somme, so went for a good old fashioned 4-4-2 to protect youngster Bonetti but with Gutter Press playing for a draw, there was a real lack of entertainment and another 0-0 was the outcome. Some goals at last! And it came from that unlikeliest of sources, Nursey Lewis! Sadly, Baddadio's goal wasn't enough to give The Wee Rovers all 3 points but it did secure them a point against a superior side in The Levellers. If only Napier's men could have generated a few more shots against young Rovers keeper Goram, they would surely have won this comfortably? Glencairn get a creditable point against an Everton Classics side, reeling from the loss of their manager Niel Humphries. Niel has done the hard work in sorting out the mess he inherited, let us hope his efforts are not in vain and someone can carry on his good work. Another side losing their manager this week was Gorgon City. Danny Smith will be sadly missed by all, a real Kickabout giant of the game and a real nice fella too. Fingers crossed he will come back in some capacity in the future but if not, all the best Danny, up the Huddersfield! Oh, and Gorgon grabbed a rare away point at Telford as well. Finally we have a winner (and a loser). AC Carfin comfortably saw off a Hawk Fields side still waiting for their first league goal of the season! Come on Butts, get those boys in for some extra shooting practice!

UP FOR THE CUP

3rd Round Highlights

Not often Steelcity let in two goals at home to lower division opposition. Not often they score nine either! ***

Hope & West Cross must do battle again, hard to call this one, they are quite evenly matched but can Butler motivate his boys quite as much for the replay? *** Estarcion create more cup memories as they see off a good Rio FC side. I think Steadders erred too much on the side of caution when playing for a draw here as Rio were the stronger side but just didn't generate enough shots on goal and a Scmuck goal was enough to see Dodge's boys on their way again*** Some good man to man marking from Westminster stifled the Bristol Rovers boys and I fancy Ashcroft to finish the job at home now after a goalless draw *** Brutal Maniacs struggle to break down a stubborn Gutter Press side but a 1-0 win is just about deserved *** Ulysses saw off tricky opposition in AC Carfin despite the continued absence of Tsavarov and no one will relish drawing Reiser's improving side in the next round *** Roxy gave it a good go at home to Greymouth Town and I have to say a 3-0 defeat was not a fair reflection of the play. Greymouth's extra attacking threat saw them through but Colly's men can now concentrate on getting in those promotion spots instead *** Gee Cross couldn't muster a shot on target against Newark Athletic, Dag's boys are looking ominous now after a comfortable 2-0 win puts them in the quarter finals and they might just go all the way this year.

3rd round Second Leg Highlights

Harry wins the Wells family battle as Villa Rangers sneak past Atletico Didi on away goals. Villa always looked the more likely to score, especially with Didi wingback Greggson unable to make his usual marauding runs due to their 5 man strikeforce. Close game though *** The Mashers took no chances and a strong defensive performance is enough to secure a goalless draw against Glencairn to put them through comfortably *** Rio carry on where they left off in the first leg, smashing another 5 past poor Romsey, whose season goes from bad to worse *** A surprisingly one sided second leg sees Steelcity thrash Bristol Rovers 5-0 in a feisty derby. Lawton will be happy to progress but not so pleased with a couple of key injuries *** Scandinavia huffed and puffed against Trentside as they

KICKABOUT NEWS

tried to get the goal to put them back in the tie but Moore's men can be a real brick wall at times, his power side can shut up shop with the best of them on occasions and this was one of them and Trentside battle through *** Bilbao Rocks easily finish the job against a Sprowston side for whom manager Patel is really struggling to get a tune out of. They still have plenty of talent but the fans are starting to get frustrated now *** Plenty of observers were expecting Limetrees to finish the job against Catton but as the old saying goes, never write off the Thommo. Yes his side may be dull but they are mightily effective and they ground out the 1-0 win to leave Cranners crying into his holiday beers *** Finally, I don't know how they did it for it was totally undeserved but Ashcroft's Westminster Utd pull off an absolute smash and grab as they grab an extra time win at Newark Athletic. Not much more Dag could have done here, it was just one of those games that we all suffer from time to time but it doesn't make it any easier to stomach when it happens! Could it be a sign that this is Gareth's year?

TRANSFER TRAILS

Outgoing Van Boro manager Humphries leaves his successor 2 potential superstars with the purchase of Ceaucescu & Putri for a combined £10.5 million. Could the Welshman be persuaded to stay on now with the future looking so much brighter? Gee Cross sign up young attacking midfielder Ovidiu for 3569k, a bargain I would say. Brutal Maniacs splash over 4 million on defensive midfielder Florin, he will need to get up to speed quickly if he is going to help keep them in division one. Athletico Didi sign young targetman Ilie, he is just the sort of player they need to give them a cutting edge and well worth the 2189k fee in my opinion. Gutter Press also join the party with the purchase of Adrian Mutu for 2555k, I'm sure it won't be long before he joins his brother, er, also called Adrian Mutu in the Romanian squad. Imagination not Dave's strong point this week!

MANAGER OF THE MONTH

DIVISION ONE: goes to **manager Ashcroft** of Westminster Utd, good point at Steelcity and still going

strong in the cups.

DIVISION TWO: goes to **manager McCauley** of Greymouth Town, getting stronger as the season progresses

DIVISION THREE: goes to **manager Dodge** of Estarcion FC, for that great cup performance

DIVISION FOUR: goes to **manager Lewis** of The Wee Rovers, no one deserved it this month so I'll give it to

Rolling Auction for

SPECIALNAMED PLAYERS

1) **WONNIL DENNIS** - Dull, dreary footballer, makes even 1-0 to the Arsenal seem exciting, but he is a defence of awesome proportions. Nothing gets by him, never ventures upfield, except for corners where he oft-times nicks a goal while keeping a cleansheet at the back. Would he fit into your team? DF / Power / BW 95 / very exceptional marker / level 13 star fader

2) **SALTY MOLLOY - FWS PS 12 STAR RISER** . Argumentative bastard though so comes with 42 DPPS to his name and arrogant enough to demand a short term contract of 100K for 9 sessions.

Salty is a Ronnie Sullivan/ Eric Cantona type who might well give up playing come end of season if something better in his life comes along!!

(both players are of DANISH Nationality)

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

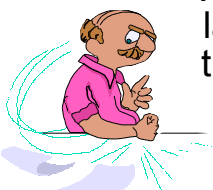

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

S o from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

BULK PAYMENT OF TURN FEES -

remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend or special offers monies!

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/ SHOMATCH SUBSCRIBERS

KICKABOUT SERVICES

MAILING - rather than sending SELF-SEALING SSAE's, rather than getting charged a £1 postage when you neglect to send one in or if they don't arrive. Pay for all-season mailing and we provide the envelope, the stamp, and the sticky label as well. No sweat. A season costs £25.00 overseas, £15.00 UK, or pro rataish if started during the season.

ALL EMAIL - if you have shomatch/ teampick then you can elect not to have any hardcopies sent to you at all as everything can be done by email. Just let us know if you wish to do this in future. Handy for those abroad or in difficult postal areas. If you play in more than one league, and paid for all season mailing it's actually cheaper to buy shomatch and do it this way.

TEAMPICK/ SHOMATCH/ MARKINFO - all the info you need for these programs is at - www.Teampick.co.uk

NEW WEB-SITE is now up and running, www.Kickaboutonline.co.uk to see the goodies

MARKING INFO - Tim Dodge has put together a clever little program that allows shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MUTTERINGS AND MEANDERINGS OF THE KA MIND

Just something to point out to you all. It has been pointed out that the rulebook is incorrect with regard to the cost of a NL player. It is not around 120K but around 3220K to borrow a non-league player if for some reason you require one. Even worse for a GK or SW (not that I can ever see a reason for wanting a NL sweeper it is double

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

FIXTURE SCHEDULE

PLEASE NOTE FOR FUTURE REFERENCE

There is a reporting error in international squad turnsheets that CAN occur at times on s2/3/5/4 of international games. There is very little way around this to be honest. So if it appears that the wrong player has played or marked please bear this in mind. We are happy in these circumstance to end you a printout of what actually happened not what the printout program says happened!!

MANAGERS NEEDED

We have some spare teams in most leagues which would like to fill up.

SPECIAL OFFER

Good teams, leading the top division don't come along very often needing a new manager. Well in the Jackson league there is one, another Danny Smith dropout team. **FC Polski** are top of what looks likely a tightly contested division. Many trophies to their name in the pat. this will be an interesting team to take over for a new manager. Not much cash in the bank, the rivals snapping at their heels, but a very good side to run and see what you can do with them?

CONTRACTS UPDATE

We have listened to the moaners who in contract negotiations have lost very good players cos they cannot get them to agree to a new contract. Galling to see their prized possession in the expired section of the autumn. Ok you will no doubt get some recompense for him, but the reserve bid is always painfully low and you never never know who might snaffle his arse with a cheeky bid do you.

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **DF/A X 2 /**

UT/WG/FWS x1.5 / GK SW X 2/ FW/MF/DF X 1

We suggest that you always add 1K to your bids

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of basic wage (81K) X 3 to accept unconditionally , i.e. 243K per week

or a 20-10 DIV THREE S DF/A would require a wage offer of basic wage(20K) X 3, i.e. 60K

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third of his basic wage

- so in the MF/A/D example a bid under 27K will be rejected, the DF/A minimum is 6.66K -
